Award Descriptions- Nominated Awards

Alice H. Pearson Intramural Athletes of the Year
Presented to the male and female athletes that have participated and contributed significantly to UTM Campus Rec Intramural Program. Award looks for students in their graduating year who have participated in mostly UTM Campus Rec, however it is open to all student athletes.

Referees of the Year
Presented to the referees who have shown outstanding leadership, consistency, impartiality and strong commitment to UTM’s Fair Play Code while officiating in UTM's Campus Rec Intramural, U of T Intramural and Extramural programs.

UTM Student Leadership Award
Presented to the student who has demonstrated superior leadership skills and who has enhanced the UTM experience through the Athletic and Recreation Program at the University of Toronto at Mississauga.

UTM Fair Play Award
Presented to the male and female student who have best exemplified the UTM Department of Physical Education’s Fair Play Code while participating in the Athletic and Recreation Program.

Coaches of the Year
Presented to the UTM U of T Intramural coaches who have strived for fair play, shown outstanding leadership skills, dedication and a commitment to improve his or her athlete’s abilities.

Cynthia E. Haddow Memorial Award
Presented to the female student who best exemplifies leadership, enthusiasm, and strong commitment to her U of T Intramural team. She strives for self-improvement and is a true sportsman.

UTM Eagles Varsity Rookies of the Year
Presented to one Male and one Female Varsity Athlete who are in their first year of study at UTM and who have made significant contributions to their respective varsity teams both on and off the playing surfaces in their Rookie year.

James J. Rae – Athlete of the Year
James J. Rae was the first Registrar of Erindale College. He was well respected by his staff and by the students he helped. He could often be found during lunch hunched over a chess board in the North Building Cafeteria playing with a student. The James J. Rae award is presented to the graduating female student who has contributed the most to UTM athletics. Commonly referred to as the "Athlete of the Year". However, the award also acknowledges the student's contributions to athletics not only as an athlete, but through leadership roles as: official, coach, Athletic Council Rep, League commissioner etc.

J. Tuzo Wilson – Athlete of the Year
J. Tuzo Wilson was a former principal of Erindale College and a world renowned Scientist. His memory lives on as builder of the College in a variety of places on Campus, including the prestigious award which is presented annually to the graduating male student who has contributed the most to UTM athletics. Commonly referred to as the "Athlete of the Year". However, the award also acknowledges the student's contributions to athletics not only as an athlete, but through leadership roles such as: official, coach, Athletic Council Rep, League commissioner etc.

Award Descriptions- Non-nominated Awards

U of T Intramural and Varsity Development League Team MVPs
Presented to the team player that has exemplified leadership, fair play, enthusiasm and commitment to his/her team. The player does not need to be graduating to be eligible for this award. These awards are selected by the Coaches.

UTM Eagles Varsity Team MVPs
Presented to the team player that has exemplified strong play, determination, leadership, fair play, enthusiasm and commitment to his/her team. The player does not need to be graduating to be eligible for this award. These awards are selected by the Varsity Coaches.
Gold Award of Excellence
Presented to any graduating student athlete who has amassed 200 or more points during four consecutive years of competition in UTM Eagles Varsity, U of T Intramural teams, UTM Campus Rec Intramural leagues and tournaments and Extramural tournaments. The Gold Award of Excellence is a very difficult award to achieve. Only a few truly dedicated athletes can earn 200 athletic points over four consecutive years at U of T at Mississauga. Students do not need to be nominated for this award as it would be difficult for the nominator to remember all the activities the athlete would have participated in.

Point System for Calculating Gold Award of Excellence
This point system pertains only to the Gold Award of Excellence, which is presented to any graduating student who has amassed 200 or more points during four consecutive years of competition in UTM Varsity sports, U of T Intramural/UTM Campus Rec Intramural leagues and tournaments, and Extramural tournaments.

Points for Campus Rec Intramural leagues are awarded based on percentage of games attended during the regular season only. Additional Campus Rec Intramural points can be gained by team performance in the play-offs. Intramural Commissioners will submit reports with attendance records for each team during the regular season. Points for U of T Intramural Leagues are assigned based on percentage of games and practices attended during the regular season and play-offs. Additional points will be added based on how far the team advances in the play-offs. UTM Coaches will submit attendance forms to verify these numbers in case of any uncertainty. Points in the post season are awarded for either Playoffs, Finalist, or Champion, but not all three. Listed below the point system is a sample of how it should be properly filled out.

Sample: UTM student Ulrich T. McIntyre is graduating after 5 years and has participated in Campus Rec and U of T Intramural sport during his entire undergraduate career. He started at UTM in 2009/10, however, he will only include his 2nd year through to his 5th year because in his first year he only amassed 7 points.
