WHAT TO BRING:

Please send your child dressed appropriately for the activities they will be doing: ie; shorts or track pants, socks and athletic type running shoes (non-marking). Sandals are not appropriate footwear for our active days. We do not recommend tank tops - because of the lack of sun coverage - t-shirts with short sleeves are preferred. It is helpful to place the following items in a knapsack:

- Hat
- Water bottle (IMPORTANT: Each child needs their own water bottle to use throughout the day)
- Sunscreen
- Bathing suit and towel
- Flip flops or shoes to wear to the pool (optional)
- Sweatshirt or jacket depending on the weather
- Nut free snacks or juice (optional)

We strongly urge you to label all your children’s belongings.

Sports Camp Parents: please send your child dressed in their camp shirt for our day trip. Shirts will be given out at the end of the first day of camp.

PARENT INFORMATION:

On the first day of each session parents will receive an information sheet for the camp their child is registered in. This sheet will include; the activities, day trip locations, weekly menus and other information for the week. The information sheet will also include a short bio about the staff working in the camp your child is attending. We do not post this information on our website.

SWIMMING:

Swimming is an important part of our program and will be offered again this summer. While swimming, campers are supervised at all times by certified lifeguards and by their counsellors. Most camps swim daily. Swimming is a recreational activity at camp and is not swimming instruction. Camp programs with children under 6 years of age will NOT have swimming as part of their daily program.

LUNCH:

Lunch is provided on a daily basis for all our camp programs. If your child is a vegetarian or has special dietary considerations, please speak with the camp coordinator prior to the week(s) your child will be at camp. We will do our best to accommodate most restrictions. If you have already outlined the concern on the registration form, that will suffice. In addition, we ask that you also confirm your request / concerns with your child’s counsellor on the first day of camp.

SWIMMING:

Swimming is an important part of our program and will be offered again this summer. While swimming, campers are supervised at all times by certified lifeguards and by their counsellors. LIFE JACKET POLICY:

At Camp U of T, all children under 6 years of age that swim are required to wear a life jacket while in the pool regardless of their swimming ability. This is a Lifesaving Society requirement, and no exceptions will be made. Campers wishing to use the deep end will be required to complete a swimming test, which includes swimming 25 metres non-stop and treading water for 1 minute. Campers that cannot complete the swim test or do not wish to use the deep end of the pool can still swim in our shallow end.

EXTENDED CARE:

Extended hours are available for working parents. Hours begin at 8:00 am and end at 6:00 pm. The cost is $62. per individual child per week or $92. per family per week.
