TEAM CAPTAIN’s -

Bring completed Team Roster form to your first game. Players can be added after this first date, but must sign the roster form that will be kept at the Program Office.

Players can be added to a team roster only if there are enough games left in the regular season to make that player eligible for the play-offs.

As with all UTM Campus Rec Intramural Leagues, U of T St George and UTSC students who take courses at UTM are ineligible! You must be registered with the UTM registrar to be eligible to play in the UTM Campus Rec Intramural Leagues and Tournaments.

Please make sure that all players at each game, who are dressed and ready to play, sign the game sheet so that they will get credit for playing in that match. If a player’s name does not appear on the game sheet, they will not get credit for playing in that game.

Players are allowed to play on only one team in the campus rec ball hockey league. Under certain restrictions a player may transfer to another team. Please contact the Program Coordinator for more information regarding player transfers.
