The UTM Eagles Varsity Men’s Soccer is headed into their second season part of the OCAA. All students must be full time UTM students registered through the UTM Registrar. One of the benefits of playing OCAA Varsity Soccer at UTM will be that if successful, athletes are able to play for both the outdoor and indoor winter season. The OCAA has a fall season that leads to provincial and national championships. It is followed by an indoor season in the winter that leads to the provincial title.

Note: UTM students, as students of the University of Toronto, are welcome to try-out for the U of T Varsity Blues. However, if unsuccessful in making the team, the athlete is ineligible to try-out for the UTM Eagles Varsity team for that same calendar year.
