James J. Rae was the first Registrar of Erindale College. He was well respected by his staff and by the students he helped. He could often be found during lunch hunched over a chess board in the North Building Cafeteria playing with a student. The James J. Award Descriptions - Non- Nominated Awards

UTM Eagles Varsity Team MVPs
Presented to the team player that has exemplified strong play, determination, leadership, fair play, enthusiasm and commitment to his/her team. The player does not need to be graduating to be eligible for this award. These awards are selected by the Varsity Coaches.

U of T Intramural and Development League MVPs
Presented to the team player that has exemplified leadership, fair play, enthusiasm and commitment to his/her team. The player does not need to be graduating to be eligible for this award. These awards are selected by the coaches.

Gold Award of Excellence
Presented to any graduating student athlete who has amassed 200 or more points during four consecutive years of competition in UTM Eagles Varsity, D-League, U of T Intramural teams, UTM Campus Rec Intramural leagues and tournaments and Extramural tournaments. The Gold Award of Excellence is a very difficult award to achieve. Only a few truly dedicated athletes can earn 200 athletic points over four consecutive years at U of T Mississauga. Students do not need to be nominated for this award as it would be difficult for the nominator to remember all the activities the athlete would have participated in.

Point System for Calculating Gold Award of Excellence
This point system pertains only to the Gold Award of Excellence, which is presented to any graduating student who has amassed 200 or more points during four consecutive years of competition in UTM Varsity sports, U of T Intramural/UTM Campus Rec Intramural leagues and tournaments, and Extramural tournaments.

Points for Campus Rec Intramural leagues are awarded based on percentage of games attended during the regular season only. Additional Campus Rec Intramural points can be gained by team performance in the play-offs. Intramural Commissioners will submit reports with attendance records for each team during the regular season. Points for U of T Intramural Leagues are assigned based on percentage of games and practices attended during the regular season and play-offs. Additional points will be added based on how far the team advances in the play-offs. UTM Coaches will submit attendance forms to verify these numbers in case of any uncertainty. Points in the post season are awarded for either Playoffs, Finalist, or Champion, but not all three. Listed below the point system is a sample of how it should be properly filled out.
