### Checklist for Prospective Postdoctoral Fellows

#### Immigration / Work Permit

It is the Postdoc's responsibility to obtain the required valid legal documentation for Citizenship and Immigration Canada (CIC). You may apply online: [http://www.cic.gc.ca/english/information/applications/work.asp](http://www.cic.gc.ca/english/information/applications/work.asp)

All international postdocs training in Canada require a Citizenship and Immigration Canada (CIC) work permit and usually must apply for a work permit prior to arriving. This requirement applies to postdocs who were previously students at U of T, but have not been granted permanent residency (PR) status. If an international student wants to work in Canada after graduating, he or she must apply for a work permit under the Post-graduation Work Permit Program, even if the student permit is still valid. [https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation.html](https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation.html).

For all other international postdocs: Depending on your country of citizenship, you may be required to obtain a Temporary Resident Visa (TRV) and your work permit before leaving your home country. Visit [http://www.cic.gc.ca/english/information/applications/visa.asp](http://www.cic.gc.ca/english/information/applications/visa.asp) for more information.

#### Apply for a Social Insurance Number (SIN)

It is mandatory that you apply for a Social Insurance Number upon your arrival in Canada. Without this, we will not be able to process your salary and benefits. The SIN is a nine-digit number used in the administration of various Canadian Government programs. You will require a SIN to work in Canada or to receive government benefits.

Upon your arrival from another country, you should immediately apply for your Social Insurance Number at any Service Canada Office (visit [http://wwwo.servicecanada.gc.ca](http://wwwo.servicecanada.gc.ca) for locations).

- Please take with you: 1) your passport, 2) your work permit, and 3) your letter of offer (the documents must be originals).
- For additional information and an application form, please visit the following website: [http://www.servicecanada.gc.ca/eng/sin/forms.shtml](http://www.servicecanada.gc.ca/eng/sin/forms.shtml)
- Once you receive proof of your SIN, you must submit the information to your Department.

#### Apply for Ontario Health Insurance Plan (OHIP)

The Provincial Ontario Health Insurance Plan (OHIP) provides for treatment and care in Ontario hospitals, standard ward accommodation, and doctor visits. An Ontario health premium cost is part of the calculation of your income tax withheld in each monthly pay.

On your arrival from another country or province, you must immediately apply for OHIP at the nearest office. If you are a Canadian citizen, there will be a 3 month waiting period from the date of your work permit (non-resident) or from the date you applied for OHIP.
You will need to purchase the University Health Insurance Program to cover you and your family during the 3 month waiting period (see below).

- For detailed information about OHIP eligibility, including the enrollment of family members, telephone the Ministry Info line at: 416-314-5518, or visit www.health.gov.on.ca.

**Apply for University Health Insurance Plan (UHIP)**

The University Health Insurance Plan (UHIP) is a mandatory health insurance plan for all international non-residents studying or working at one of the participating universities in Ontario. UHIP provides members and their eligible dependents basic medical coverage similar to what Ontario permanent residents receive under the Ontario Health Insurance Plan (OHIP).

As a non-permanent resident studying or working at a participating Ontario university, UHIP is mandatory as it protects you and your dependents against significant medical expenses in case of illness or injury.

While you serve the 3 month waiting period for OHIP, it is **mandatory** that you apply for UHIP. This is a program comparable to OHIP for you and your dependents. For complete details of this health plan, please refer to the website at: [www.uhip.ca](http://www.uhip.ca).

The cost for UHIP can be found here: [http://www.uhip.ca/ uploads/en_PremiumTable.htm](http://www.uhip.ca/ uploads/en_PremiumTable.htm). Fees are payable to the University by a money order or certified cheque.
