

The Cinema Studies Institute, Innis College, and the Department of Visual Studies (UTM)
at the University of Toronto present

“How to Drag Your Private Life,
Kicking and Screaming, Into the Public:
Looking Back at Thirty-Four Years of Filmmaking”

Su Friedrich

Su Friedrich will present a “clip talk” that surveys twelve of her eighteen films. For each work, she will give a brief summary of the motivations, ideas, and formal concerns involved in making the film and then show a 3-5-minute excerpt from the film.
