UNIVERSITY OF TORONTO MISSISSAUGA
SELF-GUIDED WALKING TOUR

This self-guided walking tour will take about one hour to complete. Starting point is the STUDENT REGISTRATION & ADMISSIONS OFFICE (A).

Please note: While certain buildings are home to different departments, UTM students have class in all buildings across campus!

From outside of the Office of Student Recruitment and Admissions, turn right. Walk around the building and enter the Innovation Complex through the doors on the right. Continue walking into the Innovation Complex, straight into the rotunda. Welcome to the…

[A] - INNOVATION COMPLEX & KAENFF OFFICE

Fully integrated with the two-storey Kaenff Centre, the Innovation Complex is a four-level structure that houses the campus’ signature centre for management education and the Institute for Management & Innovation. This 6,300-square-metre hub for teaching, research administration and social activities is home to the Office of the Registrar, the Department of Economics, Department of Management and the Li Koon Chan Finance Learning Centre. It houses case-study rooms, behavioural research labs and a bright rotunda for management education and the Institute for Management & Innovation.

Welcome to the…

[0] - OFFICE OF THE REGISTRAR

It houses case-study rooms, behavioral research labs and a bright rotunda for management education and the Institute for Management & Innovation.

Welcome to the…

[1] - SELF-GUIDED WALKING TOUR

From outside of the Office of Student Recruitment and Admissions, turn right. Walk past the theatre towards…

[2] - DEERFIELD HALL (NORTH BUILDING)

The North Building was the original building when U of T Mississauga first opened in 1967 with 400 students. Deerfield Hall is the first phase of a redeveloped North Building that features four stores with new theatre rehearsal space, computer labs, classrooms, study space and community areas. It incorporates energy-efficient lighting and a green roof. The Departments of Mathematical and Computational Sciences, Psychology, and English and Drama have offices and research facilities in the renovated space.

Deerfield Hall is also home to the North Side Bistro-complete with a wood fire oven and roasted-on-site coffee. This is also the location of the UTM shuttle bus to Sheridan College in Oakville.

Continue walking past Deerfield Hall and the North Building. On your right, you will see the North Field, tennis courts and beach volleyball courts, all available for students! Continue walking to the…

[H] - WILLIAM G. DAVIS BUILDING - THE MEETING PLACE

This centre provides services for students with disabilities. Services include note-taking and special accommodations for exams. This is also a great place to volunteer!

If you walk down the stairs to the left of Tim Hortons, you will find the…

[3] - CAREER CENTRE

This centre provides services similar to a typical doctor’s office with doctors, registered nurses and counsellors. Health and dental insurance is included in your student fees, but you can “opt-out” — receive reimbursement — if you’re covered by another plan.

Upstairs on the third floor, you will find the…

[4] - POLICE STATION

You will find the Campus Police station located on the third floor. Campus Police answer the emergency telephones on campus, escort students after dark and pater the campus 24 hours a day, seven days a week.

[5] - CAREER CENTRE

This centre provides services similar to a typical doctor’s office with doctors, registered nurses and counsellors. Health and dental insurance is included in your student fees, but you can “opt-out” — receive reimbursement — if you’re covered by another plan.

Upstairs on the third floor, you will find the…

[7] - ROBERT GILLESPIE ACADEMIC SKILLS CENTRE

The Robert Gillespie Academic Skills Centre is here to help you make the transition from high school to university by providing support to help students study effectively. The Centre also runs the Help Desk Start-up program to help students learn valuable study skills for success at university.

Continue down the hallway. On your left (through the window) you will see the Torrence Donnelly Health Science Complex. This building is home to the Mississauga Academy of Medicine! Continue down the hall and into the…

[I] - CCT BUILDING

Home of the Institute of Communication, Culture, Information & Technology (ICIT), this building includes one of U of T Mississauga’s largest lecture theatres (500 seat), the Multimedia Studio Theatre (MST), and 24-hour computer labs! You’ll find Computing Services on the third floor. Visit their Help Desk if you need tech support! Underground parking is located beneath the CCT Building.

On the third floor you will find the…

[8] - 3D PRINTING

Located on the second floor of the Science & Engineering Centre, this lab has a variety of 3D printers available for student use. The lab is open during regular building hours and requires a valid U of T card for entry.

[9] - 3D PRINTING

Located on the second floor of the Science & Engineering Centre, this lab has a variety of 3D printers available for student use. The lab is open during regular building hours and requires a valid U of T card for entry.

[10] - TCARD OFFICE

Located on the 1st floor of the Student Centre, this is where you’ll get your student ID. Your TCard provides identification for campus activities, services, and facility access. With your TCard, you will be able to access the U of T library system, athletic centres and shuttle bus services.

Continue walking down the hall and exit the CCT building. Turn left on the five minute walk, and into the William G. Davis Building. Once inside the building, walk through the door and turn right. Then you have entered…

[J] - ACCESSIBILITY RESOURCE CENTRE

This centre provides services for students with disabilities. Services include note-taking and special accommodations for exams. This is also a great place to volunteer!

If you walk down the stairs to the left of Tim Hortons, you will find the…

[K] - RECREATION, ATHLETICS & WELLNESS CENTRE

This centre provides services similar to a typical doctor’s office with doctors, registered nurses and counsellors. Health and dental insurance is included in your student fees, but you can “opt-out” — receive reimbursement — if you’re covered by another plan.

Upstairs on the third floor, you will find the…

[L] - POLICE STATION

You will find the Campus Police station located on the third floor. Campus Police answer the emergency telephones on campus, escort students after dark and park the campus 24 hours a day, seven days a week.
