Welcome to the University of Toronto Mississauga!

U of T Mississauga began in 1967 as Erindale College, with one academic building and 155 students. Since then, we’ve grown to become the second-largest division at U of T, with award-winning facilities, world-class researchers, and over 14,000 undergraduate students. This year, we’re celebrating our 50th anniversary and we’ll show you what’s made our campus so wonderful over the past 50 years!

Statement of Acknowledgement of Traditional Land
We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.
