Statement of Acknowledgement of Traditional Land

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.
### Academic and Information Sessions

Academic departments and the Office of the Registrar will offer information sessions throughout the day. Sessions are approximately 30 minutes long to accommodate questions and time to travel to your next session.
