PERIOD AND TERMS OF OCCUPANCY

1.0 Period & Terms of Occupancy

The University agrees that the Resident may use and occupy both the individual room and designated shared unit facilities assigned pursuant to sections 4.0 to 4.5 of this Agreement (hereinafter called the “premises”) during the occupancy dates as outlined in sections 1.1 and 1.2.

1.1 Occupancy Start Dates
A check-in time will be sent in advance to the residents’ active email account, as registered in the Accessible Campus Online Resource Network (hereinafter called “ACORN”), for medical housing residents to occupy their rooms on Friday, August 26, 2016. All medical housing residents must occupy their rooms by 4:00 p.m. on Friday, August 26, 2016, in order to avoid forfeiture of the room assignment. If a resident does not pick up their keys and occupy their room by September 15, 2016, it will be assumed that the resident is cancelling their space in residence. Please refer to sections 6.0 to 6.3 of this Agreement for additional information regarding cancellations.

Should the student be arriving after Friday, August 26, 2016, the student should notify Student Housing and Residence Life as soon as possible.

1.2 Occupancy End Dates
The housing period covered by this Agreement ends at 12:00 p.m. (noon) EDT on Wednesday, May 31, 2017 according to their assigned check-out time. Residents are required to vacate the premises before or by this deadline.

1.3 Binding Commitment
Acceptance of the terms and conditions of this Agreement constitutes a binding commitment by the Resident for the full term as outlined in sections 1.1 and 1.2 of this Agreement.

1.4 Limited to Term of Occupancy
This Agreement is solely for the provision of accommodation for the term stipulated in Sections 1.1 and 1.2, and the Resident expressly agrees that this Agreement and the term of occupation set out herein shall terminate at the date and time set out in Section 1.2. This Agreement should not be expected to be renewed or continue beyond the dates outlined in Section 1.2, and the University makes no representations with respect to any such renewal or continuation of this Agreement. A resident may submit an application for subsequent terms, but such application is not guaranteed on the sole basis of previous occupancy in residence.

1.5 Winter Break Closure
The University is closed from 5:00 p.m. EST on Tuesday, December 20, 2016 through until 9:00 a.m. EST on Sunday, January 1, 2017 (hereinafter called the “Winter Break”).

During the Winter Break closure, no food services, caretaking, or other services above and beyond emergency services will be provided. No overnight guests or social gatherings are permitted; it is 24-hour quiet period for the duration of the Winter Break.

RESIDENCE APPLICATION & ELIGIBILITY

2.0 Application Eligibility
Only students who are actively enrolled or fully/conditionally accepted into the University may apply for residence. Should an applicant's status with the University change to inactive, denied, or revoked while they are applying for residence, their application will be cancelled, in which case their deposit, being non-refundable and non-transferable, shall be forfeited to the University. The Medical Housing application opens on May 16, 2016.

The Medical Housing deadline to apply is June 10, 2016. Any applications received after June 10, 2016 will be automatically placed on the waiting list as per Section 2.2.

2.1 Applicant Categories
Category A: First Year Medical, New Upper Year Medical, or Transfer Medical Applicants
Medical students who are registered full-time with the University in the Mississauga Academy of Medicine (MAM) or the Biomedical Communications (BMC) programs and are eligible to select courses.

Category B: Returning Medical Applicants
Medical students who are registered full-time with the University in the Mississauga Academy of Medicine (MAM) or the Biomedical Communications (BMC) programs, are eligible to select courses, and who lived in residence during the 2015-2016 academic year.

2.2 Applicant Category A and B Admission Criteria
Category A and B applicants as defined in Section 2.1 of this Agreement who are not initially presented an offer of occupancy will be admitted to residence based on a compilation of factors including, but not limited to, the date upon which the completed application was received by the department of Student Housing & Residence Life, gender, and discipline history (applies to Category B applicants only).
ACADEMIC STANDING AND RESIDENT STATUS

3.0 Academic Enrollment and Standing
The Resident acknowledges and agrees that s/he is entitled to occupy the premises only so long as s/he is enrolled in a minimum of 3.0 credits and in good standing (minimum of 1.50 cumulative grade point average) as defined in the University of Toronto Mississauga Academic Calendar. In the event that the Resident withdraws or is expelled from the University, or is evicted from the premises, s/he will vacate the premises within twenty-four (24) hours of the date upon which s/he ceased to hold full-time student status or the date upon which s/he was evicted (as the case may be), unless alternate arrangements are approved in writing by the Director of Student Housing & Residence Life or his/her designate(s). The conditions outlined in this clause do not obviate the Resident's responsibilities under this Agreement.

3.1 Resident Status
(i) To remain in residence, all residents must remain in good standing as defined in the University of Toronto Mississauga Academic Calendar with a cumulative grade point average (hereinafter called the “CGPA”) of 1.50 or more and be registered as a full time student with 3.0 credits or more combined over the course of the Fall/Winter sessions.

(ii) For consideration for admission to residence for the 2016-2017 academic year, Category B applicants, as defined in section 2.1 of this Agreement, must have achieved a minimum of 3.0 academic credits in the 2015-2016 year (Fall/Winter sessions only). Entry into this Agreement authorizes the Director of Student Housing & Residence Life or his/her designate(s) to verify academic standing for the purpose of determining admission and sustained eligibility for occupancy.

(iii) Students who are on Academic Probation as defined in the University of Toronto Mississauga Academic Calendar, with a CGPA of less than 1.50, will be considered for occupancy on an individual basis. Residence admission and termination decisions for students on academic probation will be made at the discretion of the Director of Student Housing & Residence Life or his/her designate(s).

(iv) Other University full-time program status will be reviewed on a case-by-case basis.

(v) Residents must pay all outstanding fees and charges from previous years prior to submitting a housing application and deposit for subsequent occupancy. Failure to do so may result in the denial of re-application and automatic forfeiture of the non-refundable deposit.

ROOM ASSIGNMENT

4.0 Living Accommodation
The premises consist of the bedroom assigned to the Resident, together with fair use and responsibility of the shared unit facilities (hereinafter called the “Shared Unit Facilities”). Shared Unit Facilities include, but are not necessarily limited to, the kitchen(ette), bathroom, and living space.

4.1 Room Assignment
Residents are assigned to a room by Student Housing & Residence Life in its sole and absolute discretion. Residents are assigned to roommates of the same gender.

During the application process, applicants will not be able to indicate building preferences. All Medical housing residents are placed in Shared 2-Bedroom Premium MaGrath Valley units so that students can live and learn in a community where students may have the same classes and academic interests.

Applicants will have the opportunity to indicate any medical accommodation requests during the application. In order to increase likelihood that accommodations can be met, medical accommodations should be submitted by the application deadline.

4.2 Gender Inclusive Arrangements
Diversity is an important part of the cultural landscape at the University, and Student Housing & Residence Life considers gender diversity to be an important aspect of this. Student Housing and Residence Life believes that students have a right to live in a housing arrangement that is inclusive of their gender identity. In the interest of creating an equitable and inclusive community, the department of Student Housing & Residence Life is happy to offer housing accommodations to those students who identify as trans, or for any students who feel that their gender identity or gender expression is not represented in the
4.3 Reassignment
Residents may be reassigned at any time if, in the sole opinion of Student Housing & Residence Life, a room reassignment is necessary. The Resident agrees to accept the University’s prerogative/responsibility to relocate the Resident to an alternative room as deemed necessary due to factors that may include, but are not limited to, roommate/suitemate withdrawal or incompatibility, emergency situations, threats to personal safety, construction, repairs, unplanned business disruption, Acts of God, or to maximize occupancy.

Residents must be prepared to welcome a new person to their room or unit or be relocated to another room any time a vacancy exists. When a vacancy exists that cannot be filled, the empty room will be locked and no access is permitted.

4.4 Double Room Buy Out
After September 15, 2016, Residents who find themselves in double rooms (MaGrath Valley) without a roommate may be contacted by Student Housing & Residence Life and may opt to buy out the second bed in the room, alleviating them from the chance of having another individual assigned to that space. The space would be treated as a single occupancy for the remainder of the academic year. Residence fees would be converted to that of a single occupancy unit and prorated to the date of the buy out.

Student Housing & Residence Life reserves the right to approve or deny requests at its sole and absolute discretion. Students cannot initiate a buy out after another resident has been offered or assigned to that room. A student in a suite can buy out the second bed within their assigned bedroom, but there is no option for residents to buy out the second bedroom of a unit if it is fully vacant. The second set of furniture provided in the student bedroom is not removed for a double room buy out; guest privileges, as outlined in section 9.5, still apply.

4.5 Room Switch
A resident must receive prior written permission from Student Housing & Residence Life to switch rooms. A meeting must be booked with the applicable Community Development Coordinator in order to request a room change. Student Housing & Residence Life has the authority to grant or deny such a request at its sole and absolute discretion, and is not obligated to give any reason or explanation for granting or denying such a request. Any resident who changes to another room is subject to a $250.00 room switch fee in order to cover cleaning and administrative costs and may be required to pay additional Residence Fees (as defined below) in the event that the resident relocates to a room with higher Residence Fees (as defined below).

4.6 Subletting Not Permitted
The Resident agrees that s/he:

(i) Will not use the premises, or permit them to be used, for anything other than as residential accommodation for one person;
and/or

(ii) Will not permit the premises to be occupied for any duration (except as may be expressly permitted herein) by any person or persons other than the registered occupant with the department of Student Housing & Residence Life or as otherwise authorized by the University; nor will s/he sublet the premises or any part thereof. Advertising residence spaces on short-stay websites (such as AirBnB), flyers, or by any other means is strictly prohibited. The Resident agrees and acknowledges that, if s/he is discovered to be permitting occupancy of the premises in a manner that is contrary to this section 4.5, s/he will be evicted from the premises forthwith.

4.7 Accessible Needs in Residence
Students with an accessibility need who may require a physical modification to a room, or a specific room style placement, must complete the Medical Form in Support of Accommodation Needs in Residence, which can be found on the Student Housing & Residence Life webpage (http://utm.utoronto.ca/housing/considering-residence/accessible-needs-residence). This form will help us understand the resident’s specific needs, in the interest of providing appropriate accommodations. The provision of all reasonable accommodations and services is assessed based on the current impact of the accessibility need on residence living.

The recommended deadline to submit the Medical Form in Support of Accommodation Needs is correspond to the applicable application deadline. The Medical Housing application deadline is June 10, 2016. Forms will still be accepted after the application deadline, however, to increase the variety of options available to meet your accessibility request, it is recommended to submit on or before the applicable deadline.

The applicant’s non-refundable deposit and space on the waitlist will be forfeited. The waitlist will remain active throughout the academic year. It is an applicant’s responsibility to keep their contact information up to date in ACORN.

If an applicant is offered a room in residence and declines that offer, the application will be cancelled and the applicant’s deposit shall be forfeited to the University.

5.1 Cancelling from Waitlist
(i) If any Category A or B applicant wishes to cancel his/her application before an offer of occupancy is made, s/he must submit a request in writing by registered mail, signed fax, or in person using the Cancellation/Withdrawal Form found at www.utm.utoronto.ca/housing (Applying - Cancellations & Withdrawals) to the department of Student Housing & Residence Life; deposits are non-refundable and non-transferable;

(ii) An applicant who does not cancel his/her application prior to an offer of occupancy being made, who declines their offer, or who does not decline an offer of occupancy (no response), will have their non-refundable deposit and his/her space on the waitlist forfeited;

(iii) If any Category A or B applicant on the waitlist does not receive an offer of occupancy before November 1, 2016 all fees paid will be refunded in full upon request.

CANCELLATION, WITHDRAWAL OR TERMINATION OF OCCUPANCY

6.0 Cancellation Prior to Occupancy
If the Resident wishes to cancel this Agreement at least thirty (30) days before the first date of occupancy, s/he must submit a request in writing by registered mail, signed fax, or in person using the Cancellation/Withdrawal Form found at www.utm.utoronto.ca/housing (Applying - Cancellations & Withdrawals) to the department of Student Housing & Residence Life. Upon receipt of the Cancellation/Withdrawal Form, the Resident's assigned space is returned to the pool of available spaces for re-assignment and the Resident’s deposit shall be forfeited to the University.

6.1 Early Withdrawal from Occupancy by Resident
Should the Resident voluntarily withdraw from residence within thirty (30) days prior to the occupancy start date, or during his/her occupancy, s/he must submit a request in writing by registered mail, signed fax, or in person using the Cancellation/Withdrawal Form found at www.utm.utoronto.ca/housing (Applying - Cancellations & Withdrawals) to the department of Student Housing & Residence Life at least two (2) weeks (10 business days) prior to the desired date of withdrawal. Upon receipt of the subsequent completed Check Out Form, the Resident's assigned space is returned to the pool of available spaces for re-assignment.

6.2 Continuing Liability After Withdrawal
Should the Resident voluntarily withdraw from residence within thirty (30) days of the first day of occupancy, or during his/her occupancy, the actual date of Agreement termination will be defined as the date on which a new suitable occupant has been secured by the department of Student Housing & Residence Life to fill the vacancy for the remainder of the term specified in section 1.2 of this Agreement. Until such time, the Resident shall continue to remain liable on all of the terms, conditions and covenants contained in the Agreement, including, but not limited to, the obligation to pay the entire housing fees as set out in section 7.5 of this Agreement as well as all other sums of money that are required to be paid under the terms of this Agreement (hereinafter collectively called the “Housing Fees” or the “Residence Fees”).

Without limiting the generality of the foregoing, should the Resident voluntarily withdraw from residence within thirty (30) days of the first day of occupancy, or during his/her occupancy, the Resident’s deposit shall be forfeited to the University.

If the Resident is released from financial responsibility, refund amounts will be calculated based on the Refund Schedule found
on the Student Housing & Residence Life website (http://utm.utoronto.ca/housing/applying/cancellations-withdrawals).

6.3 Abandonment of Unit
The Resident acknowledges that the premises may be deemed abandoned where the Resident has, in the opinion of Student Housing & Residence Life, vacated the premises and failed to respond to a Notice of Abandonment sent by Student Housing & Residence Life within ten (10) business days of the Notice of Abandonment being posted on the entry door to the premises. Abandonment is grounds for termination of this Agreement and the Resident’s rights hereunder by Student Housing & Residence Life.

6.4 Termination of Occupancy and Resident Eviction
In the circumstance where the Resident breaches any of the provisions, rules or regulations contained in, or incorporated as part of this Agreement, and/or any other rules or regulations that are put into place by the University from time to time, the University reserves the right to terminate the Agreement immediately upon written notice to the Resident. In the event that the Agreement is terminated as aforesaid, the Resident shall not be entitled to a refund of remitted Residence Fees.

6.5 Items Left Behind
Any items left behind will be deemed to have been abandoned by the Resident. Student Housing & Residence Life will discard any items left behind by the Resident after the end of the term specified in section 1.2 of this Agreement, the date of early withdrawal by the Resident, or the date of termination of the Resident’s occupancy by Student Housing & Residence Life. This includes items confiscated and temporarily held by Student Housing & Residence Life. Student Housing & Residence Life and the University are not responsible for mailing back items to the Resident and will not compensate the Resident for items that have been discarded. The Resident agrees to indemnify Student Housing & Residence Life for any costs, damages, or other expenses arising out of, or in any way connected with, the disposal of items left behind by the Resident.

RESIDENCE FEES

7.0 Total Fees
The Resident agrees to pay to the University the Housing Fees described in the section 7.5 Housing Fees Schedule.

7.1 Deposit and Payment Deadlines
As part of the online housing application process, a $350.00 non-refundable deposit is to be paid through the department’s online payment system (Moneris) by no later than the applicable application deadline. - Outstanding charges on the Resident’s account from prior sessions are subject to a service charge as of the 15th of every month until paid in full.

Failure to pay Housing Fees may result in the denial of University privileges including access to the premises, access to transcripts and records of attendance, and the opportunity to register for classes. Delinquent accounts may also be sent to a collection agency for reconciliation.

Non-sufficient fund (hereinafter called “NSF”) payments for deposits or other Housing Fees will be charged back to the debtor with an NSF charge of $75.00 per NSF cheque. The University reserves the right to require payment by money order or certified cheque.

8.0 Responsibility for Resident’s Room
The Resident agrees to pay for all missing items, damages, or cleaning caused to the premises by the Resident or guest(s) during the term of this Agreement.

8.1 Responsibility for Shared Unit Facilities
All residents occupying a room or unit are jointly and severally responsible for items missing from, cleaning to, or damages caused to, the Shared Unit Facilities within the room or unit, which include, but are not necessarily limited to, the kitchen(ette), bathroom, and living space.

8.2 Responsibility for Common Areas
All residents are jointly and severally responsible for items missing from, cleaning to, or damages caused to, the areas accessible by all residents, which include, but are not necessarily limited to, lounges, stairwells, kitchens, laundry rooms, and hallways (hereinafter called the “Common Areas”). Student Housing & Residence Life may, in its sole and absolute discretion, assign liability for missing items, cleaning, or damages caused to the Common Areas to residents occupying specific rooms, floors, or buildings.

8.3 Entry
The University, its employees, contractors, and/or agents, may enter the premises for any reason that the University may, in its sole and absolute discretion, deem to be necessary, including, but not limited to, the following circumstances: (i) cases of emergency; (ii) suspicion or knowledge of unlawful activity; (iii) violation of residence policy; (iv) to view the state of repair of the premises; and/or (v) to undertake such repairs, alterations, or maintenance as the University may deem advisable or as the University may be required to make by law.

Except in the case of emergency or suspicion or knowledge of unlawful activity, any such entry shall be made between the hours of 8:00 a.m. and 8:00 p.m. Every effort will be made to provide the Resident with 24 hours notice prior to entry. The Resident acknowledges that the University will inspect the premises, at minimum, once during each term.

The Resident acknowledges and agrees that Student Housing & Residence Life or other emergency or police personnel may enter any room in the residence (including, but not limited to, the premises) without notice where there exists reasonable grounds to believe that there is an emergency situation or evidence of criminal activity within the room.

8.4 Room Condition & Size
Residence Fees are charged uniformly based on room type for Category A and B students. While every effort will be made to address maintenance issues in a timely manner, adjustments to Residence Fees will not be made based on room condition, size, or the furnishings provided. The Resident agrees to leave the premises at the end of the Agreement in the same or better condition as when s/he took possession and in a clean and broom-swept condition.
8.5 Residence Check-In/Out
Residents must submit the "Check-In/Check-Out Form" to their Don by the deadline outlined during their first mandatory community meeting. In the event that the Resident fails to submit the aforesaid form, the premises shall be deemed to be in a state of immaculate condition. The form is kept on file by Student Housing & Residence Life for the purpose of comparison to the check-out inspection at the end of the Resident’s term. Any changes to the physical condition of the premises or residence property that are deemed to have resulted from unacceptable use by the Resident will lead to additional charges and will be billed as per section 7.4 of this Agreement.

8.6 Winter Break Inspections
Student Housing & Residence Life reserves the right to enter rooms and shared unit areas during the Winter Break for the purpose of conducting repairs, closing windows, checking appliances or equipment, reducing heat, ensuring vacancy (unless continued occupancy is otherwise permitted in accordance with Section 1.5 of this Agreement), inspecting the physical condition, ensuring compliance with applicable policies and ensuring the safety of the building and occupants.

8.7 Pass Along Facilities Concerns Promptly
The Resident agrees to notify the department of Student Housing & Residence Life immediately of any damage to the premises during the period of the Agreement using the online work order program at http://www.starportal.utoronto.ca. Failure to do so may result in associated costs for repair and replacement to be charged to the Resident as per section 7.4 of this Agreement.

8.8 Removing Items From Room
All furniture, appliances, and equipment found in the premises at the commencement of the Resident’s occupancy must remain in the premises for the entire term as specified in sections 1.1 to 1.2 of this Agreement or the Resident is subject to subsequent charges as per section 7.4 of this Agreement.

8.9 Alterations, Additions and Changes
The Resident agrees to not make any alterations or additions, or change in any way to the premises. It is acknowledged that, like many buildings constructed prior to the mid-1980s, including Schreiberwood, McLuhan Court, Putnam Place, Leacock Lane, and MaGrath Valley townhouse residences, have building materials that do or are likely to contain asbestos in the joint compound used to smooth seams between wallboards and to fill holes before painting and sealing them, and also in vinyl floor tile installed during that period. Accordingly, in order to ensure that the materials remain safely encapsulated in non-friable form, drilling, nailing or screwing into the walls, ceilings or floors is prohibited. The University shall not, in any event whatsoever, be liable or responsible in any way for any personal injury or death that may be suffered or sustained by the Resident or the Resident’s guests or invitees as a result of any asbestos. Detailed information concerning the foregoing is readily available in the department of Student Housing & Residence Life.

The University is not responsible or liable for any kind of injury, damage or loss whatsoever, howsoever same is caused to or incurred by the Resident, his or her guests or invitees while in or about the residence building or the University campus, including any contact with any asbestos-containing building materials.

8.10 Renovations and Construction
The University and Student Housing & Residence Life are continually engaged in construction and renovation projects for our university community and residence buildings. If needed, you will receive additional communication from Student Housing & Residence Life or from campus facilities about projects impacting students, faculty, and staff. Student Housing & Residence Life is not responsible for construction noise or disruptions associated with the construction sites.

8.11 Pest Control Policy
Failure to notify or take immediate action regarding maintenance and pest control issues on University property may result in the Resident being charged for damages, repairs, and services. The Resident agrees to follow all University directives in order to eradicate pests, including bed bugs. This may include room preparation, clothes laundering, and leaving the premises for a period of time. Should any damage occur as a result of the Resident not following these directives the cost is to be paid by the Resident. The Resident will not be relocated as this may result in pests being carried to a new room. The Resident will, in any event, receive no refund or reduction of Residence Fees.

RESIDENT CONDUCT AND COMMUNITY STANDARDS

9.0 Documents Governing Conditions, Guidelines & Policies
The Resident is bound by the policies and procedures outlined in the Residence Handbook at www.utm.utoronto.ca/housing (Current Residents - Policies and Handbooks). These policies and procedures apply to the Resident's occupancy on campus and during sponsored residence events and activities. The Resident also agrees to abide by all other applicable University and department policies and all municipal, provincial, and federal laws.

9.1 **Support and Prevent Breaches to the Standards**
Each resident agrees that s/he will not directly or indirectly cause, or fail to take reasonable steps to prevent a breach of the policies outlined in the Student Residence Handbook either in person or virtually via the internet including social media.

9.2 **Act Safe and Responsible**
Every resident agrees that s/he will act in a responsible manner as not to compromise his or her own safety or endanger the health and safety of others either in person or virtually via the internet, including social media. Student Housing & Residence Life reserves the right to determine what constitutes unsafe practices and the appropriate sanctions for residents engaging in such practices.

Individually residents have a right to manage their own health and wellness. Residents must ensure that issues related to mental or physical health do not endanger safety and security to themselves or to others within the residence community. Mental or physical health activities deemed harmful, as determined by the University, may result in disciplinary, behavioural or educational sanctions for resident misconduct, including possible eviction from the premises. Residents that are found to require more support than can be reasonably provided by the University may be requested to vacate the premises to focus on their own health and wellbeing until it can be determined that they can participate meaningfully in the residence community.

The University reserves the right to assign individual and/or community financial, disciplinary or educational sanctions for resident misconduct, as determined by Federal, Provincial, and Municipal Laws and Regulations, the University of Toronto Code of Student Conduct, the Residence Community Standards, and any other University policy applicable in the circumstances. Further detailed information on the Residence Community Standards and Appeals Policy can be accessed online in the Student Housing & Residence Life Handbooks at www.utm.utoronto.ca/housing (Current Residents - Policies & Handbooks) and the University of Toronto Code of Student Conduct can be found online at: http://www.governingcouncil.utoronto.ca/policies/studentc.htm

9.3 **Notifying Emergency Contact**
The Resident acknowledges that by signing this Agreement the Resident authorizes Student Housing & Residence Life to contact the Resident's emergency contact in the event of an emergency situation, regardless of the age of the Resident, and as determined in the sole and absolute discretion of Student Housing & Residence Life.

9.4 **Guest Privileges**
The Resident shall be fully and completely responsible for the actions of their guests. Overnight guests may be permitted on an occasional basis, provided (i) the permission of any suite/roommate is obtained in advance; (ii) no complaints have been made previously regarding the conduct of the guest; and (iii) the guest does not leave any of their possessions in the premises or remain in residence for more than three (3) days. The Resident acknowledges that the Resident’s guest privileges may be revoked if, in the opinion of Student Housing & Residence Life, the Resident abuses such privileges through excessive use or inappropriate behavior. Guest limits may be tightened for specific periods to facilitate the management of the community (e.g. orientation week, reading weeks, exam periods, etc.). Student Housing & Residence Life will provide notice of these periods no less than 24 hours in advance of these time frames.
