LEADING IN MANAGEMENT EDUCATION ACROSS THE DISCIPLINES
The Institute for Management & Innovation (IMI) is the centre for management education at the University of Toronto Mississauga (UTM). This collaborative institute provides students with access to professional masters programs in accounting, biotechnology, innovation, sustainability, and urban innovation, as well as undergraduate programs in accounting, commerce, finance, management, marketing, and human resource management.

IMI is a cross-disciplinary institute producing mission-focused managers and future leaders with a combination of management skills and depth in their chosen field. IMI also provides an academic platform to foster close interactions and sharing of expertise between the faculty, staff and students in these programs, along with our community partners.
OUR COMMITMENT
To provide an open and supportive community for the development of tomorrow’s innovative leaders.
