FUTURE STUDENTS

Admission to UTM

All program areas require an Ontario Secondary School Diploma, or equivalent, with six Grade 12 U/M courses, or equivalent, including English. The admission average is calculated with English plus the next best five courses. The Grade 12 prerequisites for this program are Advanced Functions and Calculus. The approximate average required for admission is mid-80s. More information is available at utm.utoronto.ca/viewbook.

NOTE: During the application process, applicants will select the Commerce admissions category, but will not officially be admitted to a formal program of study (Specialist, Major, and/or Minor) until after first year.

Sneak Peek

How is accounting used by management? In MGT223H5, you will learn the conceptual and analytical foundations of cost accounting. Costing and control concepts are analyzed to equip students with tools for establishing costing systems and to make decisions. What are the principles of marketing? Find out in MGT252H5! You will be introduced to the basic concepts of market definition, consumer behaviour, and the principal marketing functions: product line development, pricing, distribution, promotion, salesforce management, advertising, research, and planning.

Courses are taught by internationally recognized scholars and educators with outstanding academic and professional qualifications.
