MAKE THE MOST OF YOUR TIME AT UTM!

We want to help you maximize your university experience, so we’ve pulled together information and interesting suggestions to get you started. As you review the chart on the inside pages, note that many of the suggestions need not be restricted to the year they are mentioned. In fact, activities such as joining an academic society, engaging with faculty and seeking opportunities to gain experience should occur in each year of your study at UTM. Read through the chart and create your own plan using My Program Plan found at www.utm.utoronto.ca/program-plans.

The career you choose will depend on your experience and interests. Visit the Career Centre to explore your career options.

How are organizations designed? In MGT363, explore the relationship between design and effectiveness and the impact and determinants of an organization’s form.

**What can I do with my degree?**

The Management Major is a 4-year program offered exclusively at U of T Mississauga. The program combines the study of organizations and their management with a second major discipline. It leads to either an Honours BA or an Honours BSc degree, depending on your second discipline. For example, choosing Chemistry and Management could prepare you for work in the chemical industry and English and Management for the publishing industry. Career success upon graduation requires the social skills, professionalism and maturity developed through active participation in the extensive extra-curricular programming activities offered by the Department of Management, and our undergraduate societies. Activities include conferences, competitions, seminars and workshops.

FUTURE STUDENTS

Admission to UTM

All program areas require an Ontario Secondary School Diploma, or equivalent, with six Grade 12 U/M courses, or equivalent, including English. The admission average is calculated with English plus the next best five courses. The Grade 12 prerequisite for this program is Advanced Functions. The approximate average required for admission is mid-80s. More information is available at utm.utoronto.ca/viewbook.

Note: During the application process, applicants will select the Management admissions category but will not officially be admitted to a formal program of study (Specialist, Major, and/or Minor) until after first year.

Sneak Peek

How do managers influence individual and group behaviour? In MGT262H5, you will explore relevant problems confronting management such as motivation, influence and communication. Learn the fundamentals of Accounting in MGM222H5. This course will provide you with the tools to understand and use management accounting information for decision making, planning and control.

Prospective students should note that if you apply to the Management Stream in the admissions process and are admitted to U of T Mississauga, you receive priority in registration for prerequisite courses in the Management Major Program.
