REGISTRATION CHECKLIST

Use this checklist to ensure that you’ve completed all the steps for registration.

- Accept your offer of admission online at www.ouac.on.ca by the deadline indicated in your offer of admission letter.
- Apply for student loans (OSAP - osap.gov.on.ca), if applicable.
- **June 13:** Deadline to apply for residence (if applicable). Visit www.utm.utoronto.ca/housing
- Attend a New Student Group Advising Session in June. Watch your e-mail for details.
- Learn about transition programs and services at www.utm.utoronto.ca/transition
- Get your student ID card -- TCard (See page 8)
- If you are taking first-year courses at Sheridan College, you’ll need to get a Sheridan student card, access to its computer network and attend its orientation. For details visit www.sheridancollege.ca, and search for “First Year Essentials.”
- Read this guide and acquaint yourself with the Academic Calendar (www.utm.utoronto.ca/regcal)
- Update your personal information on ROSI, including your emergency contact, residential address and phone number while attending UTM, as well as your utoronto e-mail address on ROSI
- **June 13:** Deadline for residence students to select a meal plan at www.utm.utoronto.ca/food
- View available courses: www.utm.utoronto.ca/timetable
- **June 27:** Look-up your enrolment start-time on ROSI: www.rosi.utoronto.ca
- View your pre-enrolled courses, if applicable (see page 20)
- **July 3:** Enrol in first- and second-term courses on www.rosi.utoronto.ca
- **August 19:** Pay your fees through your bank (online or in-person) by this date or, if you are receiving OSAP, defer your fees through ROSI
- Confirm your schedule for both first and second terms and check online timetable for any updates
- Attend Welcome Week and Orientation Sessions: www.utm.utoronto.ca/orientation
- Attend classes beginning Sept. 8
UTORONTO E-MAIL: WE NEED TO REACH YOU!

The university’s official method of corresponding with students regarding registration, enrolment status, student accounts and other important areas of business, is through your University of Toronto (or utoronto) e-mail account.

It is your responsibility to read your utoronto e-mail on a regular basis. This will ensure that you receive important information from your instructors and the university.

IMPORTANT: TUITION FEES DUE AUGUST 19

The deadline for students to pay tuition and other fees through the bank (online or in-person) is August 19. If you are receiving OSAP, you may be able to defer your fees (see page 35). This deadline will permit the university to cancel the course enrolment of those students who have decided not to attend, which will make class space available to those on waiting lists before classes begin.

IN CASE OF EMERGENCY

- If you require immediate emergency assistance on university property, call 905-569-4333. This call can be made from any campus pay phone without using coins.
- You can also use one of the yellow direct-line emergency call stations located on campus.
- In life threatening situations, call 911 (or 9-911 from a campus office phone)
- If an alarm sounds, evacuate the building you are in.
- Ensure that your emergency contact information is up-to-date on ROSI.
- Register your mobile phone number at alert.utoronto.ca/callme.
- If you have any questions concerning emergency procedures, call University of Toronto Police at 905-828-5200.

DEFINITIONS: WHAT’S A ROSI? A TCARD?

**ROSI:** (Repository of Student Information) the online system through which you sign up for courses, monitor your grades and manage your financial account with the university.

**UTORid:** A username and password used to log in to various online support services and in computer labs.

**utoronto e-mail:** Your individual U of T e-mail account (also known as UTmail+). It is the only official manner by which the university will contact you. Check this account daily.

**TCard:** Your student ID card.
F, S and Y courses:
• An F course is held Sept. to Dec.
• An S course is held Jan. to April.
• A Y course is held Sept. to April.

Fee Deferral: An arrangement made between the student and the university to pay fees after normal deadlines.

Lectures: A traditional class in which course subject matter is presented to students by an instructor.

Tutorials: Small-group sessions held to more fully explore and discuss issues raised during a lecture.

Practical Section: Hands-on session held in a lab.

YOUR CODE OF CONDUCT

The university requires that you conduct your academic and personal life with:

Honesty and Integrity...
in all aspects of your university career. All documents and personal information submitted to the university prior to, and throughout, your studies must be accurate and true. Your academic assignments must be the result of your own work. Academic dishonesty will not be tolerated and may result in severe academic sanctions.

Responsibility...
for your own actions and obligations. You control your learning process and rate of progress.

Respect...
towards others and yourself. Treat the U of T Mississauga community with respect; help to keep the campus clean; be polite to your fellow students, staff and faculty.

Commitment...
to your academic work. You will need to study three hours for every one hour of class time. Attend class. There are no shortcuts. Start early and succeed.

*Note: The Province of Ontario has introduced new guidelines concerning tuition fee billing. At the time of publication, the University of Toronto was reviewing its practices in the context of these guidelines to determine how and when it will implement changes. Any revisions to the procedures referenced here will be reflected at www.fees.utoronto.ca.*
Newly-admitted Students: First Steps
Student success is the priority for U of T Mississauga. We offer many services and resources to help you succeed. This Registration Guide outlines the steps you need to take to register in courses. It also points you in the direction of additional assistance and resources.

Get Your University E-Mail Account!
The university’s official method of corresponding with you is via e-mail, including information regarding registration, accounts and other key areas. You MUST have an active and valid utoronto e-mail account in order to receive this information. It is your responsibility to check this account on a regular basis. You will receive instructions on how to activate your e-mail account when you get your TCard. Please note: your utoronto e-mail address will be automatically updated on ROSI, the online student web service, on the first day of classes if you have not already recorded it there. It will be the only e-mail address the university uses to contact you. All others will be deleted.

Third-party Transactions
In order for a third party (such as a parent, partner, sibling, friend) to conduct business with the university on your behalf (such as enrolling in courses or picking up materials) you must obtain and sign a “Consent to Release Information” form in person at the Office of the Registrar.

Bus Pass, Parking, Shuttle, GO Transit
Eligible students have access to unlimited travel on Mississauga Transit between September and April thanks to the U-Pass program. The fee is included under incidental fees charged to eligible students. To see if you are eligible to use the U-Pass, see www.utm.utoronto.ca/upass.

If you travel by car, you can park at meters or purchase a parking pass. See www.utm.utoronto.ca/parking.

A shuttle bus transports U of T Mississauga students to classes at Sheridan College and the St. George (downtown Toronto) campus. Schedules are available at www.utm.utoronto.ca/shuttle.

The nearest GO train stations are Clarkson on the Lakeshore line and Streetsville on the Milton Line. Visit www.gotransit.com for schedules. Mississauga Transit provides a link between the station and the campus (visit www.mississauga.ca for updates). GO ID cards for registered, full-time students are available at the TCard Office.

Get Your Student ID Card (TCard)!
Your permanent University of Toronto Student Card (TCard) is a photo ID “smart card” which is used for academic purposes, student activities and various services. Your TCard gives you the option of carrying a cash value in the computer chip, allowing you to purchase photocopies and computer printing. A valid card is required to write final examinations, access the meal plan, use the shuttle bus and Mississauga Transit, the libraries and athletic facilities, and vote in student elections. The TCard is intended to last for your entire period of study at U of T. There is a $12 fee to replace a card.
To establish your identity and citizenship, you must bring your offer of admission letter and valid original documents/IDs listed below:

If you are an international student,
- Your current (non-Canadian) passport, including a valid study permit.

If you are a Canadian citizen or permanent resident, please bring either:
- Your Canadian passport; or
- Both your birth certificate issued by a Canadian jurisdiction and a piece of valid, government-issued ID with current photo; or
- Both your Canadian Permanent Resident Card and a piece of valid, government-issued ID with current photo.

Because your photo will be taken, you can only get your TCard by coming to campus in person anytime after June 1. The TCard Office is in the Davis Building and is open weekdays, 9 a.m. to 4 p.m.

If you are unable to get your TCard during the summer, you will be able to do so when you arrive on campus for the beginning of the Fall-Winter session.

### Your Academic Responsibilities

Your success as a student depends on your attention to the responsibilities that the university sets down in writing. It is the responsibility of the student to ensure that:
- Course selection is correct and complete.
- All prerequisite, exclusion and corequisite requirements, program requirements, distribution and other degree requirements have been met.
- Deadlines (including payment of fees, dropping and adding of courses) and other regulations have been observed.
- All information provided to U of T Mississauga is kept up-to-date and accurate (e.g. mail & e-mail information, programs & degrees being sought, etc.)

Misunderstanding, misapprehension or advice received from another student will not be accepted as a reason for exemption from any regulation, deadline, program or degree requirement. If there is any doubt, seek guidance from the Office of the Registrar.

---

Walksafer is a security escort service for U of T Mississauga community members (including students, employees and visitors) who prefer not to walk alone on campus after dark.

Dial 905-607-SAFE (7233) to request an escort during the evening and night hours, from September to May.
Research shows that students who participate in our first-year transition programs have higher grades, complete their degrees faster, and have a more engaging student experience than those who do not. U of T Mississauga offers a mix of transition programs that focus on academic and personal success. Check out www.utm.utoronto.ca/transition for links to all of these programs.

ACE - Academic Culture and English
ACE@UTM is designed for non-native speakers of English who have met U of T academic requirements, have already studied in Canada for at least one year in a Canadian curriculum school but who require additional language enhancement.

New Student Advising Sessions
The Office of the Registrar academic advisors and financial aid and scholarships team offer group sessions in the month of June on campus and post resources online for students that cannot attend in person. The sessions are designed to help students choose and enrol in courses, use the online student web service and other resources such as the academic calendar, registration guide, and course timetable, understand degree and program requirements, and learn about campus services and support. Students will also determine expected university costs and explore sources of financial assistance including loans, grants, bursaries, scholarships, employment, and other options.

Head Start
UTM Head Start is a series of interactive, discipline-specific sessions led by faculty, librarians, and staff. These simulated lecture experiences and skills-enhancement workshops will provide you with an opportunity to speak with faculty and senior students to ask questions and seek advice. Our goals are to help you understand the keys to success, make a smooth transition into university, and develop the skills you need to enhance your academic performance. This is a free program, restricted to incoming UTM students only and designed to give you the head start you need.

Summer Transition Program for Students with Learning Disabilities
The Summer Transition Program for Students with Learning Disabilities is a comprehensive orientation program for incoming first year UTM students with learning disabilities. Students will participate in a series of interactive sessions that include test-taking strategies, taking effective notes, using assistive technology, self-advocacy and self-determination, and time management tools.

Experience Residence Orientation
Experience Residence Orientation is an essential part of your first year living on campus at UTM. Beginning as soon as you move-in, Experience Residence Orientation will introduce you to all that the residence community has to offer, while providing you with important tools for success during your first year. During Orientation, you will have the opportunity to meet a number of students with similar interests, students in your aca-
demic discipline, students living in your community, as well as faculty/staff of the university. There are also some great events, activities, keynote speakers, and a number of opportunities to learn from successful upper year students in an energetic and engaging environment.

**UTMSU Orientation**
The UTM Orientation Week organized by the student union is known for its exciting, upbeat activities and making lifelong friends. Sign up is required.

**Welcome Day**
Welcome Day provides students with an introduction to the key people and resources that can be accessed while making the transition into university. It is also the official welcome to our community and a very unique opportunity to join hundreds of other first year students to start the year together.

**Welcome Week**
UTM’s Welcome Week is an extended opportunity for students to engage with student services, clubs, and organizations on campus during the first week of classes. New and returning students can come out to get (re-)oriented to campus and academic life and explore involvement opportunities.

**Fall-Winter - www.utm.utoronto.ca/transition**

**connectNOW**
Academically successful upper-year UTM students (Connection Leaders) are available to answer any questions you may have related to life at UTM! Do you have a question and just don’t know where to start to find the answer? Let connectNOW be your guide.

**Facilitated Study Groups**
The Facilitated Study Groups (FSGs) give you the opportunity to study discipline-related material in an organized, regularly-scheduled format. The study group sessions are led by upper-year students who have been recommended by the professor, and focus on: comparing and reviewing study notes, discussing and clarifying concepts, developing and evaluating study strategies, and preparing for tests and exams. The goal of the FSG is to help you to structure and prioritize your study routine, so you can get the most out of your academic experience.

**internationalLIFE**
The internationalLIFE program offers first-year international students support transitioning into university. Students attend social and academic programming led by upper-year international students to enhance their academic and personal success.

**Leading Toward Inclusion Mentor Program**
The Leading Towards Inclusion Mentor Program connects first and second year students registered with the AccessAbility Resource Centre with successful students with whom they are likely to identify with. By providing social support in a friendly environment, peer mentors help students with their transition to the university, make them feel at home in the academic environment, and enhance their university experience.

**OR101**
The Office of the Registrar offers workshops, seminars, discussion groups, online video advising clips, online chats and information sessions throughout the year to help you
understand such topics as OSAP funding, scholarships, Subject POSt selection, degree requirements and much more.

**UTM Residence Experience**
A new program being offered for the 2014/15 academic year, the UTM Residence Experience Program begins the day you accept your offer of residence with UofT Mississauga. This transition program is specifically designed to give students the knowledge and skills necessary to succeed in their first-year.

**utmONE Connect**
utmONE Connect involves engaging and interactive weekly sessions taught by academically successful upper year students (Connection Leaders). Develop new academic skills required to be successful at the university level, meet new friends, and gain a greater awareness of the resources available across campus.

**utmONE Courses**
utmONE Courses are interdisciplinary, theme-based courses that allow first-year students to develop a deeper understanding of academic expectations, and support their advancement of university level academic skills. A series of tutorial sessions also introduces students to co-curricular resources available to enhance their learning, engagement, and success at UTM.

**utmONE Scholars’ Seminars**
utmONE Scholars’ Seminars offer first-year students the opportunity to explore their intellectual potential in a small seminar setting, while developing their critical inquiry, writing, and collaborative skills. Eligible students will receive an invitation to apply in the mail. Students for utmONE Scholars’ Seminars will be selected via a competitive application process.

**SUPPORTING STUDENT SUCCESS**

**Advising and Success**
In addition to transition programs offered to first-year students, there are a wide variety of ongoing support services to help you succeed throughout your time at U of T Mississauga.

**Academic & Financial Aid Advising**
To make a walk-in appointment with an Academic or Financial Aid Advisor, simply swipe your TCard on the computer just inside and to the left of the Office of the Registrar entrance door (Rm. 2122, Davis Building). You can monitor your appointment status in the waiting area outside of the office, or keep track of your place in the queue with our “Walk-in Waiting List” mobile application (m.utm.utoronto.ca). Office hours are posted at www.utm.utoronto.ca/reg.

If you wish to discuss your personal OSAP/OTG file, you must present proof of Social Insurance Number (SIN).

**Accessibility Matters**
The AccessAbility Resource Centre promotes inclusive values on campus in both academic and co-curricular activities for students who have a physical, sensory, or learn-
ing disability, mental health condition, acquired brain injury, or chronic health condition, be it visible or hidden. Students with temporary disabilities (e.g. broken dominant arm, recovering from surgery) are also eligible to receive services. Students who live on- or off-campus should contact the centre prior to enrolling to discuss their individual needs. For more information, visit www.utm.utoronto.ca/access.

**Robert Gillespie Academic Skills Centre**
The centre offers a wide variety of seminars and interactive workshops as well as one-to-one consultations on all aspects of academic work. Faculty, a dedicated group of experienced peer mentors, and study group facilitators work with students to improve their skills in areas such as: understanding learning styles; essay and report writing; time management; lecture-listening; note-taking; and studying for tests and exams. For more information, visit www.utm.utoronto.ca/asc.

**International Students**
The International Centre provides a variety of services for international students. For more information, visit www.utm.utoronto.ca/international.

**Health and Counselling**
The Health & Counselling Centre offers the same high quality of care as your family doctor or community health clinic, right on campus. Nurses, doctors and personal counsellors are available to support students’ physical and mental health care needs. For more information, visit www.utm.utoronto.ca/health.

**Where to buy textbooks**
The syllabus handed out for each course during the first week of classes will indicate which textbooks you need to buy. (A “syllabus” outlines the teaching plan for the course.) You will also find course syllabi online in the timetable section (www.utm.utoronto.ca/timetable) one week prior to the beginning of classes. They are indicated by a special icon next to each course. It is recommended that you buy textbooks after your instructor reviews the syllabus with your class.

All textbooks (new, used and rental) and other required supplies for your courses are available in the University Bookstore, which is on the first floor of the Davis Building. You can even order online. Visit www.uoftbookstore.com.

**Computers**
The university bookstore carries computers and software with special educational pricing on some items, or you may purchase equipment elsewhere. You are advised to check with your academic department prior to purchasing to see if you require any special equipment or software. Our on-campus computing services department is an authorized service provider for Dell and Apple equipment.
MEET ROSI: YOUR ONLINE CONNECTION

Repository of Student Information (ROSI)
ROSI is the University of Toronto’s online registration system. It is the critical link between students and the university for most transactions. It is available at www.rosi.utoronto.ca.

You will use ROSI to:
• Access grades, GPAs and academic status
• Add and change meeting sections
• Add and drop courses
• Add, drop, change Subject POS(s)
• Change and reactivate your PIN
• Check the status of your course requests
• Check to see if there is still room in a course
• Check your waiting list status
• Choose Credit/No-Credit option
• Declare absences from classes
• Display your academic record
• List courses on your record
• List your ROSI transactions
• Request a transcript
• Request tuition fee deferral
• Review intention to graduate
• Sign up for refunds by direct deposit
• Update your e-mail address
• Update next of kin and emergency contact information
• Update your address and telephone number
• View exam timetable
• View other personal information
• View/print fees invoices
• View/print T2202As (tax receipts)
• View/print your timetable
• Vote in student elections

What it means to use ROSI
Using ROSI to enrol in courses means that you agree to abide by all the academic and non-academic rules and regulations of the University of Toronto and assume the obligation to pay academic and incidental fees according to the policies and requirements of the university.

ROSI’s hours of operation are noted at www.rosi.utoronto.ca.

Using ROSI for the First Time
☐ Login at www.rosi.utoronto.ca

☐ When you access ROSI for the first time, you must login using your student number and PIN (Personal Identification Number).

☐ Your initial six-digit PIN is your year, month and day of birth in YYMMDD format [e.g. April 23, 1996 = 960423]. You are asked to change this as your first activi-
Confirm Your Personal Information
It is very important to confirm that your personal information on ROSI is correct.

U of T Mississauga needs to know:
• your mailing and permanent address
• your Sessional (Sept. to April) telephone number and address
• the person to contact in case of emergency.

We need to be able to contact you to keep you up to date on critical information. E-mail is the official method of contacting you. Please make sure that your utoronto.ca e-mail address is correct and remember to check it regularly.

PIN Reactivation
If you forget your PIN number, “reactivation” uses the questions you’ve formulated when you first logged on as a security check. You must correctly answer two of your questions to reactivate your PIN. Choose questions and answers you are not likely to forget, and that others will not know. Use reactivation if your access is suspended for any reason or if you have forgotten your PIN. Using ROSI on a regular basis will help you to remember your PIN.

TERMS YOU NEED TO KNOW TO USE ROSI

Main Menu
After you have successfully logged in to ROSI, the available options are:

Course Enrolment
• List your courses
• Add, change or cancel a course
• Get timetable information for a course
• Check available space
• Add yourself to a waiting list

Personal Timetable
• View/print your personal timetable

Subject POST
• Request add, change or cancel a Subject POST

Elections
• Vote in student elections, referenda on matters of interest and of concern to students

Transcripts, Academic History
• View/print your academic history
• Request transcripts
• View your transcript requests
Graduation

- Confirm your request to graduate

Financial Accounts

- View your fees account
- Print invoices
- Defer tuition fees

Feedback

- Frequently asked questions
- Reporting technical problems with Student Web Service (ROSI)

Tax Forms

- View and print T2202A forms (tuition and education amounts certificate) for the past seven years.
- T2202A forms will be available on ROSI in February.

Personal Information

- View and maintain your personal information: address, phone number, utoronto e-mail, contact information, etc.
- Please note, always use the “add a new address” option when changing your mailing or permanent address; use the “edit” option only if there is an error in your present address.

Activity Log

- View a log of your most recent successful ROSI transactions

View Start Time

- View the start time that you have been assigned for course enrolment on the first day

Logout

- Once you have logged in, the session will remain active until YOU log out or the system finds it inactive.
- ROSI allows one minute between asking for information and receiving it. If it is not received, it assumes you wish to terminate the session.
- If you begin a transaction and hesitate for one minute or more while you are looking up information, you will get a message indicating you have been timed out.

Maintain Your PIN

- Change your PIN and set up PIN reactivation account

**USING BLACKBOARD**

Blackboard is a web-based, course management system that is used to deliver lectures, notes, assignments and other materials, communicate with students, and perform other functions. This is the system you will use to access most of your course materials. The log-in page will also contain important announcements from the university.

To access Blackboard, go to portal.utoronto.ca and log in using your UTORid and pass-
word. If you do not see the courses you have signed up for, do not panic, because:

- It takes 24 to 48 business hours for ROSI to update course enrolment information to Blackboard;
- Some instructors do not make their Blackboard course information available until the first or second week of classes (if an instructor is using Blackboard, then she/he should provide additional details to you in the first week or two of classes);
- Some instructors do not use Blackboard.

There are some first-year courses that use Blackboard in order to sign up for tutorials, labs and other types of groups. If your instructor has decided to use Blackboard to do this, you will receive an e-mail from him/her or the course co-ordinator that provides you with instructions. This e-mail will be sent to your utoronto e-mail account — so keep checking it regularly!

You may need to sign up for tutorials, labs, and other groups via Blackboard after you have signed up for a course on ROSI. In order to determine if you need to sign up for tutorials or labs for a particular course, please consult the Course Timetable at www.utm.utoronto.ca/timetable. Any courses that require you to sign up for a tutorial or lab in Blackboard will have a note stating this requirement.

**Getting Blackboard Help**
Students who need assistance with Blackboard should consult with: staff at the “Tech Help” centre on the main floor of the library; a library staff member; or by e-mailing askutm.utm@utoronto.ca. More in-depth assistance is available in the library’s Tech Centre on the third floor, Monday to Friday, 9 a.m. to 5 p.m.

**DECLARATION OF ABSENCE FOR ANY REASON**

You are required to declare your absence from a class for any reason through your ROSI account in order to receive academic accommodation for any course work such as missed tests, late assignments, and final examinations. Absences include those due to illness, death in the family, religious accommodation or other circumstances beyond your control.

In addition, you must also follow the absence policies of the department and the instructor, which may require additional documentation.

You declare absences via your ROSI account on the day of your absence (or by the day after, at the latest) under the section “Absence Declaration.” Once you have submitted the required information, you will be redirected to specific U of T Mississauga course policies regarding academic accommodation, which may include submission of an official “Verification of Student Illness or Injury” form or other documentation.

In addition to using the Absence Declaration on ROSI, you are required to submit proper medical or other documentation to support a formal petition for deferred exams. You should consult with the Office of the Registrar if the period of absence will be lengthy and affect more than one course.
BUILDING YOUR SCHEDULE

Select Your Courses
There are three tools that you should use to build your schedule:

- the online timetable located at www.utm.utoronto.ca/timetable
- course descriptions in the Academic Calendar at www.utm.utoronto.ca/regcal
- the sample schedule on page 23.

Which Courses Should You Take?
Use the U of T Mississauga Academic Calendar to explore course descriptions. More information is available on program websites and in program or departmental handbooks. We recommend using the online calendar (which has links to detailed course information), the timetable, instructor and department websites and much more. Use this information to plan your schedule well in advance of your enrolment date (see page 25).

Space in Courses
It is the university’s policy that the number of students enrolled in a course cannot exceed the capacity of the room as dictated by fire regulations. Some departments, for educational reasons, assign lower capacities than room size. U of T Mississauga makes every attempt to ensure that the room assigned will accommodate the number of students expected to enrol. Neither the Office of the Registrar nor individual course instructors have the authority to change this policy. If you are not officially enrolled in a course you do not have a right to be in the class.

Waiting Lists
U of T Mississauga offers a waiting list system to help you get into the courses you need to succeed. Waiting lists enable you to “line up” for a space that might become available in a lecture section that is full, or in an enrolment category that is full. If a space becomes available, and you are next on the waiting list, you will be enrolled automatically and notified at your utoronto e-mail account. Only then will the course appear on your timetable and invoice. Being on the waiting list does not guarantee you a space in the course. Also, you must add your own tutorial or lab sections manually by the course enrolment deadline.

Waiting lists end on the last day to enrol which is also the last day to cancel a course and receive 100% refund of related course fees. ROSI will continue to attempt to move students from the waiting list into spaces that become available until the end of the day. If you change your mind about your desire to be waitlisted to enrol in a given course, please ensure that you cancel your request promptly to avoid any course fees. Students are responsible for all academic and ancillary course fees related to the courses that they are enrolled in.

Understanding Enrolment Controls
While most courses are open to any students who have met the prerequisite requirements, in any program of study and in any year, some courses have enrolment conditions which control how students enrol in a course and/or which categories of students are permitted to enrol in that course. A course with enrolment controls will be listed in the timetable with a letter code next to the course name (i.e. [P], [P1], [R], [A]). The code will be linked to additional information describing how to enrol and which categories of students are allowed in.
Enrolment control categories may be based on one or more of the following:

- **Admission category** (e.g. first-year studies in Life Sciences)
- **Subject POSt** Specialist, Major or Minor in which you are enrolled. (When a Subject POSt is used as an enrolment control, you must be actively enrolled in that Subject POSt before you will be permitted to enrol in that course.)
- **Degree POSt** (e.g. HBSc).
- **Year of study** (based on the number of credits you have passed plus any that are currently in progress at U of T, plus any for which you have already received transfer credit)
- **Associated Organization** (U of T Mississauga)

**Enrolment Control Instructions**

Detailed enrolment control instructions for any given course may be found on the online timetable by following the link from the enrolment control indicator, such as a [P]. The symbol is found after the course title.

**If no enrolment control indicator is shown,** the course may be selected by all U of T Mississauga students who have appropriate prerequisites. Students from other campuses may enrol in these U of T Mississauga courses beginning August 15 if there is still space.

**If an enrolment control indicator is shown,** follow the link from the “Enrolment Control” Indicator to obtain specific information about enrolment in the course. The enrolment controls instructions page will provide details on how to enrol in the course, who may enrol in the course and when.

Most courses may be added without further steps using ROSI, even if enrolment is restricted to certain groups of students at different times.

Some courses require further approval to complete your enrolment. These courses may still be added using ROSI, but will appear with an **interim** status until reviewed.

Courses with an interim status do not appear on student invoices or timetables. For example, if you enrol in MGMT102H5 your status will show as **interim** until the department reviews the list of enrolled students and makes enrolment decisions. After departments review the requests, they assign a status of **approved**, **refused**, or **cancelled**. It is the responsibility of the student to check the status of a request.

Once a course is **approved**, the course fee will be added to your account and enrolment is complete. If a course is **refused**, no charges will be incurred. The course will remain on the student’s course list for the session as **refused**, and the student will be blocked from enrolling in the course in that session.

If a course is **cancelled** by the university, no charges will be incurred and the course will be removed from the student’s course list for the session.

**A few courses are unavailable via the ROSI system.** Typically, these courses are independent project or reading courses which are added to ROSI by the department or Office of the Registrar, after the student obtains appropriate approvals.

Some courses and/or practicals and tutorials appear on the timetable as “Closed.” Students may not enrol in closed tutorials/practicals using ROSI until the courses are opened.
These closed courses/tutorial/practicals may be placed on the timetable by departments:

- as placeholders to hold a room reservation and time slot in case enrolment in the course grows to a level where extra lectures/tutorials/practicals are needed, OR
- for delayed enrolment, such as certain practicals/tutorials which are only opened after the first class meeting.

Students may only enrol in lectures/practicals/tutorials that are available. Please do NOT rely on “Closed” sections becoming available. Sections will be opened only if demand warrants.

Check the online timetable frequently for the status of closed courses/tutorials/practicals, if the timing of a particular section works better in your schedule than the available sections.

**CORE COURSE LOADING (PRE-ENROLMENT)**

Some newly-admitted students will be pre-enrolled or “Core Course Loaded” into courses required for their anticipated program of study (see the tables below and next page). If your pre-enrolled course time(s) and day(s) do not fit with your other commitments, you may select another lecture, if one is available, or choose to drop a pre-enrolled course entirely. Pre-enrolment will only select your lecture section, you will still need to enrol in any tutorials or practicals associated with your courses as well as any additional courses to complete your desired course load. Please note that Humanities and Social Sciences students are not pre-enrolled in any courses.

CREATE A SAMPLE SCHEDULE

Use this chart to help plot the courses you are thinking about taking. To avoid problems with your schedule in September, take some time to do this step now. Remember to include your core (pre-enrolled) courses, which will be visible on ROSI by June 27. **WARNING: ROSI will not prevent you from scheduling conflicting courses. Do not enrol in lectures, tutorials or practicals that are held at the same time.** No special accommodation will be made (e.g. conflicting tests or exams, lecture material, in-class participation, labs, etc.). You can also use the online timetable tool “My Time Table Plan” at [www.utm.utoronto.ca/timetable](http://www.utm.utoronto.ca/timetable). ROSI does not check to see if you have the correct prerequisites, so make sure that you do. If you do not have the correct prerequisites, you will be removed from courses by the department.

Understanding Course Codes
Each course has a unique course code and course description. Here’s a breakdown of what’s in a course title and code, using “ANT101H5S, LEC0101, TUT0102” as an example:

<table>
<thead>
<tr>
<th>Codes</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Course Name ANT101H5S</td>
<td>This course is Anthropology 101. It has both a code (shown here) and a course name found in the Calendar and the timetable.</td>
</tr>
<tr>
<td>ANT</td>
<td>3 letters denoting the program sponsoring the course.</td>
</tr>
<tr>
<td>101</td>
<td>3 numbers denoting the level (a first-year course begins with a ’1’).</td>
</tr>
<tr>
<td>H</td>
<td>Indicates credit value. H = 0.5 credit; Y = 1.0 credit</td>
</tr>
<tr>
<td>5</td>
<td>Campus Code: 5 = Mississauga 1 = St. George (downtown) 3 = Scarborough</td>
</tr>
<tr>
<td>S</td>
<td>Session Code: indicates which term the course is offered: Fall-Winter Session: F = Fall; S = Winter; Y = Fall + Winter Summer Session: F = First Term (May-June), S = Second Term (July-August), Y = Both Terms (May-August)</td>
</tr>
<tr>
<td>LEC0101 TUT0102 PRA0101</td>
<td>LEC = Lecture TUT = Tutorial PRA = Practical Number indicates which section, i.e. Lecture 0101 and Tutorial 0102</td>
</tr>
</tbody>
</table>

All courses have a lecture (LEC) meeting section. If there is more than one lecture section, select the one that is offered at the time most convenient for your schedule. If a course listing also includes practicals (PRA) and/or tutorials (TUT), select one of the practicals and/or tutorials that is most convenient for your schedule. Some courses have both practicals and tutorials. In those instances, you must select one of each.

Prerequisites, Corequisites, Exclusions
Students are responsible for checking prerequisites, corequisites and exclusions, which are listed in the Academic Calendar for each course, before enrolling in courses. Be aware that prerequisites and corequisites are not checked by ROSI in real time, but they will be checked!

Prerequisite: A course required as preparation for a higher level course. Any prerequisite listed must be successfully completed before a course is taken.

Corequisite: A course to be taken concurrently with another course. A corequisite must be taken together with the course if the corequisite has not already been successfully completed.
Exclusion: A course with content too similar to another for credit to be given to both. A student will not receive degree credit for a course that is listed as an exclusion for a course which he/she has successfully completed or received transfer credit.

Symbols Used in Course Descriptions
The following symbols are used throughout the Academic Calendar to guide students as to the appropriate prerequisites, corequisites and exclusions pertaining to an individual course.

- (P.I.) Permission of instructor required to enrol.
- The comma (,) the semi-colon (;) the ampersand (&) and the plus sign (+) in course codes all mean “AND”, e.g. Prerequisite: PSY(201H5, 202H5), 220H5/230H5, 309H5 means Prerequisite: PSY(201H5 and 202H5) and 220H5 or 230H5 and 309H5
- The slash (/) means “OR”, e.g. STA302H1/302H5/331H5/ECO227Y5 means STA302H1 or 302H5 or 331H5 or ECO227Y5

Full-time/Part-time Status
Students enrolled in 3.0 credits or more in the academic year (September to April) are considered full-time. Students are considered part-time if they are enrolled in 2.5 or fewer credits. To be considered full-time for OSAP purposes, see the chart on page 34.

Courses Taken at Other Universities
If you have taken courses at another university and wish to transfer those credits towards a University of Toronto degree, apply for a transfer credit assessment at www.utm.utoronto.ca/transfer. You should seek academic advising in the Office of the Registrar to make sure that your course selections are correct and appropriate, and that none of the courses you wish to take duplicate your transfer credit.

Courses at Other U of T Campuses
You must have completed 4.0 credits at U of T Mississauga to be eligible to enrol in courses at other U of T campuses. If you register, but do not have 4.0 credits, you will be removed from the courses.

WHEN AND HOW TO ENROL

When to Enrol
All first-year students enrol on July 3, but at different times of the day. Check your ROSI account to find out your start time. That information will be posted by June 27.

Enrolment Start Times & Dates

<table>
<thead>
<tr>

</tbody>
</table>

Please note you will not be able to access course registration on ROSI until your start time on the first day of course enrolment for your year of study. Remember, don’t delay. Courses fill up quickly.
Transfer Students
Students transferring to UTM from another post-secondary institution may be eligible for transfer credits, and therefore may be required to enrol during upper-year course enrolment times. A transfer credit assessment can take from 4-8 weeks to complete from the time of your request depending on peak times of the year. The peak period for assessments is during the spring and summer. There is a mandatory $30 fee that must be paid to initiate your Transfer Credit Assessment Request - www.utm.utoronto.ca/transfer. Please see the chart below for start times according to credit count.

</tbody>
</table>

If you are granted 4.0 transfer credits or more, you will be required to choose a Subject POSt (Program of Study). For more information please refer to our Choosing a Subject POSt document at www.utm.utoronto.ca/guides or contact the Office of the Registrar for assistance.

Conflicting Courses
In order to succeed, students must fulfill the attendance requirements of each class. When you are planning your schedule, do not enrol in two or more courses, tutorials or practicals that are held at the same time. Where a student has enrolled in courses held at the same time, no special accommodation will be made (e.g. conflicting tests or exams, lecture material, in-class participation, labs, etc.).

How to Enrol
1. Go online to ROSI: www.rosi.utoronto.ca
2. Login using your Student ID number and PIN.
3. Click on “Course Enrolment” and follow the instructions. Use the online calendar and timetable for reference:
   - Calendar: www.utm.utoronto.ca/regcal
   - Timetable: www.utm.utoronto.ca/timetable

When enrolling in your courses on ROSI, you will need to know the activity code (i.e. ANT101H5), session code (i.e. F, Y or S), meeting section (i.e. LEC) and 4-digit section number (i.e. 0101) to identify your choice(s). If there is a practical or tutorial section assigned to the course, you may be required to add it as well (see the timetable for any special instructions: www.utm.utoronto.ca/timetable).

ROSI does not block or prevent course time conflicts, so plan your schedule carefully. You may not get into all of your first choice courses so you should also note acceptable alternatives for your preferred classes.

Late Registration
Late fees of $44 plus $5 for each additional weekday apply to any student who enrols in F and/or Y courses as of September 4 or S courses as of December 16. This is only applicable if you are not enrolled in any other courses for the Fall-Winter Session.

Credit/No Credit Option
Students at University of Toronto Mississauga may select up to a total of 2.0 credits to be assessed on a Credit/No Credit basis within the total number of credits required for a
degree. The choice is not restricted as to year or level of course. This option is not available to non-degree students.

To achieve a status of CR (Credit), a student must achieve a final mark of at least 50%. Marks below that will be assessed as NCR (No Credit). Courses with a final status of CR will count as degree credits but will have no effect on the student’s GPA. They will count as Distribution Requirements and degree credits, but cannot be used to satisfy Subject POS
t requirements.

Courses with a final status of NCR will not count as degree credits and will not be included in the GPA calculation.

The Credit/No Credit option must be chosen or cancelled on ROSI no later than the last
day to cancel that course from your academic record. Eligible students may select the CR/ NCR option beginning on the first day of classes of the Fall/Winter Session.

The Credit/No Credit option cannot be used for a course in which the student has commit-
ted an academic offence. If a student has specified the CR/NCR option in a course in which
he or she commits an academic offence, the CR/NCR option will be revoked and the per-
centage grade will stand as the course grade.

Warning: Some programs specify that courses with a grade of CR/NCR will not count as part of the 4.0 credits required for program entry. Program entry requirements can be found in the Academic Calendar.

## ADDING & CANCELLING COURSES

### Cancelling Courses and Fees Implications

If for any reason you decide that you do not want to be enrolled in a particular course, you must drop it as soon as possible. Staying enrolled in a course you do not want could prevent another student from gaining access to that course, and it can cost you money. It may also result in the course remaining on your permanent academic record.

The steps to drop a course on ROSI are:

1. In ROSI, click on “course enrolment”
2. Click on the appropriate session (i.e. Fall-Winter)
3. Click “list courses”
4. Find the course you want to drop. Click “drop course” for the course you no longer wish to take.
5. Click “confirm”
6. Always “list” your courses and “view” your timetable afterwards to ensure the drop was completed.

You will be responsible for any fees and academic penalties incurred if you do not can-
cel courses by the appropriate deadline. Pay close attention to the difference between REFUND deadlines and ACADEMIC deadlines. They are listed in the Important Dates section at the front of this guide.
**Deadlines**

An **Academic Deadline** is the last date to drop a course from your academic record and GPA.

**Late Withdrawal after the Drop Date (LWD)**

After the above dates, and up until the last day of classes, students may apply online (registrar.utm.utoronto.ca/student/LWD) for Late Withdrawal (LWD).

**Cancelling Your Registration for the Fall-Winter Session**

Should you decide to cancel all of your courses in the Fall-Winter Session, ROSI will inform you that this is your last course in the session and ask if you would like to cancel your registration. If you are sure that you do not intend to enrol in other courses in fall or winter of the 2014-15 session, cancel your registration. Cancelling your registration will trigger a refund of incidental fees if you do so within the time frames shown at www.fees.utoronto.ca. Cancelling your registration may impact your ongoing status as a U of T Mississauga student. Students who did not obtain academic standing (i.e. grades or late withdrawals) in at least one course at U of T Mississauga must re-apply for admission through the Ontario Universities Application Centre, unless they are eligible to request a deferral of admission (see "Deferring Admission" in the Academic Calendar). Students who have an academic standing and wish to return after an absence of at least 12 consecutive months will need to reactive their student record (see "Reactivation of Student Record" in the Academic Calendar).

**Maximum/Normal Course Load**

The maximum number of credits that can be taken in the Fall-Winter Session is 6.0 (with a maximum of 3.0 credits per academic term.) A normal and recommended
course load for the Fall-Winter Session is 5.0 credits, which will allow students to complete a 20-credit undergraduate degree in four years. (Some students choose to take 4.0 credits in the Fall-Winter Session and 1.0 credit during the Summer Session.)

During the first enrolment period for the Fall/Winter Session, students are able to enrol in 5.0 credits. During the second enrolment period, students will be able to add an additional 1.0 credit for a total of 6.0 credits. Note that the weight of waitlisted courses count in the total number of credits that students are allowed to enrol in.

To take more than 6.0 credits (3.0 credits per term) in the Fall/Winter session, students must submit an online course overload petition [registrar.utm.utoronto.ca/student/petitions] and receive approval prior to registration and no later than the first day of classes. The Office of the Registrar will make every effort to consult with students at risk of being removed from courses. Students enrolled in more than the maximum course load without prior petition approval, will have the last course(s) that they were enrolled in removed from their course load for that term.

Students who have a minimum CGPA of 1.85 and who may be eligible to graduate in June 2015 will be considered for a course overload. Consideration may be given to those students with a minimum CGPA of 2.70 with mitigating reasons for requiring a course overload. Students will not receive special consideration of any kind because of a course overload. To calculate course loads, students need to consult the course timetable, www.utm.utoronto.ca/timetable, to determine when the course is offered and the duration of the course.

**Last Date to Add a Course or Section**
The last date to add an F or Y course or change a section in an F or Y course using ROSI is September 21, and January 18 for an S course. Section changes are an agreement with the department and will not be recorded on ROSI.

The last day to enrol is also the last day to cancel a course and receive 100% refund of related course fees. Waiting lists end on the same day and ROSI will continue to attempt to move students into spaces that become available until the end of that day. If you change your mind about enrolling in a given course, be sure to cancel the course promptly. Students are responsible for all academic and ancillary course fees related to the courses that they are enrolled in. Following the last day to enrol, petitions for late enrolment will only be considered under exceptional circumstances.

**INVOICING AND METHODS OF PAYMENT**

**Academic Fees**

Pay your fees through the bank by August 19.

Remember, becoming “Registered” involves both enrolling in courses and paying (or deferring) your fees. **If you miss the August 19 deadline, you will need to submit your proof of payment to the Office of the Registrar online (www.utm.utoronto.ca/forms) or in person to have your status changed to “Registered.”** If your status is not updated from “Invited” to “Registered” by September 2, you will be removed from your courses on September 3 and your status will be marked as “financially cancelled” for the Fall-Winter Session.
You may be eligible for a fee deferral if you have applied for OSAP and are unable to pay
the minimum payment of fees. You may officially register and postpone your fee pay-
ment pending receipt of your first OSAP instalment in the fall. You apply for a fee deferr-
al via your ROSI account [www.rosi.utoronto.ca] once you have received your Notice
of Assessment. Service charges still apply on any outstanding balances regardless of
fee deferral or method of payment. It is highly recommended that you apply for OSAP
by May 31.

Outstanding fees from a previous session CANNOT be deferred and you will not be eli-
gible for a deferral if you owe fees from a previous session.

How are Fees Determined?
Fees are determined by the number of credits you take and by the program you are
enrolled in. Compulsory ancillary fees are also paid by all students for incidentals and
ancillary services. The Fall-Winter 2014-15 fee schedule will be posted at www.feeds.
utoronto.ca. If you are not enrolled in any courses but have put yourself on a course
waitlist, please consult the Office of the Registrar regarding fee payment.

Fee levels are based on the normal length of time for a full-time program, i.e. 4 con-
secutive years for a BBA/BCOM/HBA/HBSC and five for CTEP students in the joint HBA/
HBSC/BEd program. When determining which fees apply to you, look for the descrip-
tion on the Fees website [www.feeds.utoronto.ca] that matches your degree, Subject
POSt and year of entrance to the university. If you stay for more than the normal length
of time for your program, your tuition fee levels may be higher than you expect in the
following years. International students are charged higher tuition fees than domestic
students. To determine whether you may be eligible for an international fee exemption
visit www.feeds.utoronto.ca.

Fees Invoices
Your fees invoice and student account info are available on ROSI. Your account number
is displayed on the top, right-hand corner. Should you require an invoice (to take to the
bank to make an in-person payment, for example), print the invoice as it appears on
your ROSI account.

Methods of Payment
Tuition fee payments cannot be made at the Office of the Registrar. Please allow at least
three to five business days for bank payments to appear on ROSI. Payments made out-
side of Canada will take at least 10-14 business days to appear on ROSI. Payments can
be made using one of the following methods:

(1) Online & Telephone Banking
The quickest and most convenient method of paying your fees is through online or tele-
phone banking. Set up “U of T” as a bill to be paid on your online bank account. Your U
of T account number is located on the top right hand corner of your ROSI financial ac-
count [invoice format]. Keep a printout of the payment transaction as your proof of pay-
ment. It must show the amount paid, the payment date, and your UofT account number.

(2) Paying at the Bank
If you pay in person at the bank, you will need to bring a printout of your fees invoice
from your ROSI account. Keep your stamped bank receipt; it is proof that your fees have
been paid.
[3] Payment from Outside Canada
Western Union GlobalPay is available to students from outside of Canada who wish to make a Canadian dollar payment in the currency of choice at a local bank. There are no transaction charges from Western Union or the University of Toronto. Payments must be accompanied by the student’s name and account number in order to avoid delays in payment processing. For details visit www.fees.utoronto.ca.

[4] Faculty/Staff Fee Waiver
If you are eligible for a U of T faculty/staff fee waiver, complete a fee waiver form found at www.hrandequity.utoronto.ca. Before sending your tuition waiver to the Human Resources (HR) office, you must first pay your incidental fees via the bank by August 19. (If you pay between August 20 and September 2, you must bring your receipt to the Office of the Registrar to have your account updated to “Registered” or you will lose your courses and your registration will be cancelled.) Send your tuition fee waiver and a copy of the receipt for your incidental fees to the HR office where the staff member is employed.

If your fees are paid by an outside organization directly to the university on your behalf, send a copy of your sponsorship notification letter and your ROSI invoice to: UofT Student Accounts, 215 Huron Street, Toronto, ON, M5S 1A2. Your letter must reach Student Accounts before August 19.

Fee Refunds
Dropping courses before deadlines will generate a full or partial refund of fees depending on when you drop your courses. A refund is determined by the date your course is cancelled on ROSI. Always “view/list/print” your courses after changing your schedule to ensure that you have done so correctly. An exception to the refund schedule is normally only considered if there is evidence of an error made on the part of the university.

If there is a credit balance on your financial account, you can sign up for ‘Refunds by Direct Deposit’ on ROSI or the Office of Student Accounts will send a refund cheque to your mailing address.

Academic course drop deadlines are not the same as financial refund deadlines. In fact, the academic drop deadlines [see Important Dates] are much later than the refund deadlines and have no financial impact.

Health and Dental Opt Out
You can opt out of the student union Health and Dental Plan (and have fees refunded) if you have a separate family/private plan. The opt-out period generally happens in September and early October, and refund cheques are normally mailed by March. For more information visit www.utmsu.ca. Proof of alternate coverage is required.

University Health Insurance Plan (UHIP) for International Students
UHIP is a compulsory health plan for all international students. Download your card at uoft.me/uhip in August.

Meal Plan and Residence Fees
The deadline for paying the first instalment of meal plan and residence fees is August
15 to avoid interest charges. The second instalment is due January 15, 2015. For details on costs, please visit www.utm.utoronto.ca/housing and www.utm.utoronto.ca/food. For details on how to pay, visit www.fees.utoronto.ca.

Late Payments
If you pay your fees between August 20 and September 2, you will need to submit your proof of payment to the Office of the Registrar online (www.utm.utoronto.ca/forms) or in person to have your status changed to “Registered.” This is the only way you can ensure your registration is completed prior to September 3 (the day incomplete registrations are cancelled and students are removed from courses).

It is always best to ensure your fees are paid well in advance of any deadlines.

Outstanding Fees
Students with outstanding financial obligations to the university must pay their fees in full before registering in the next academic session. Payments are applied first to outstanding debts from previous sessions before being applied to the current session. You cannot choose to pay the current session’s fees before any outstanding fees from a previous session. This includes any backcharges incurred as a result of enrolment into a deregulated fee program. Beginning in November, a service charge of 1.5% per month is added to all outstanding balances on the 15th of every month until the fees are paid in full. Note: The Province of Ontario has introduced new guidelines concerning tuition fee billing. At the time of publication, the University of Toronto was reviewing its practices in the context of these guidelines to determine how and when it will implement changes. Any revisions to the procedures referenced here will be reflected at www.fees.utoronto.ca.

How Do I Know if I’m Registered Correctly?
You will know that your registration is complete if your status is shown as “Registered” in the “Course Enrolment” tab in ROSI. If your status says “Invited” you are not registered and need to pay or defer your fees so that you do not risk losing your courses [see image below].

OSAP AND GOVERNMENT LOAN PROGRAMS

Ontario Student Assistance Program (OSAP)
OSAP is a needs-based Ontario government student loan and grant program designed to help supplement the cost of postsecondary education.

Eligibility
Full-time students may be eligible for assistance if they are:
1. Canadian Citizens or Permanent Residents or Protected Persons
2. Residents of Ontario*
3. Enrolled in a minimum of 60% of a full course load in EACH term (or 40% if you have a documented permanent disability).

*The student or student’s parents/spouse/partner must have lived in Ontario for at least 12 months prior to the start of postsecondary studies.

* 1.5 credits per term.

OSAP: Academic Progress
OSAP regulations dictate that a student must be successful in completing 3.0 credits by the end of the academic year (September to April) while maintaining a minimum 60% course load (1.5 credits) each term. Students with documented permanent disabilities must be successful in completing 2.0 credits by the end of the academic year (September to April) while maintaining a minimum 40% course load (1.0 credit) each term. If a student does not meet OSAP’s Academic Progress requirements, their eligibility to receive future OSAP funding may be jeopardized and they should see a Financial Aid Advisor to review their options.

OSAP: How to Apply
Applications can be made at osap.gov.on.ca. It is highly recommended that new students apply before June 30 to ensure that they will receive a Notice of Assessment before the start of classes.

Out-of-province Canadian students must apply for student loans with their home province. Visit www.canlearn.ca for information.

Students must be enrolled in an adequate number of courses and have PAID or DEFERRED their fees in order for their student loan funding to be dispersed starting in
September. If you have not paid or deferred your fees before September 2, you will be removed from your courses on September 3 and will not be eligible for disbursement of student loans.

**Fee Deferrals: OSAP**

If you are unable to pay the minimum balance of your tuition fees before the start of classes AND have applied for OSAP, you may apply for a fee deferral. Once you have received your Notice of Assessment [either by paper or online] you may request a deferral through your ROSI account (see Important Dates).

**Fee Deferrals: Scholarships**

If you are unable to pay the minimum balance of your tuition fees before the start of classes AND have received notification that you will be receiving a scholarship that is equal or greater to the minimum payment required, you may request to have your fees deferred based on your scholarship. In order to request this type of deferral please bring your confirmation of scholarship funding [i.e. award letter] to the Office of the Registrar.

**Fee Deferrals: Out-of-province loans**

If you are unable to pay the minimum balance of your tuition fees before the start of classes AND have applied for out of province student loans, you may apply for a fee deferral. In order to apply for this type of deferral please bring your out-of-province Notice of Assessment to the Office of the Registrar.

Fee deferrals will not be granted if you have an outstanding tuition balance from a previous session.

**Dropping Courses**

Dropping below 60% of a full course load (less than 1.5 credits in each term) at any time will result in a reassessment of your OSAP funds. This may jeopardize your eligibility. Exceptions may be made for students with documented permanent disabilities.

**UTAPS and UTM Undergraduate Grants**

University of Toronto Advanced Planning for Students (UTAPS) and University of Toronto Mississauga Undergraduate grant funding are disbursed during the fall/winter academic session. More information about UTAPS and UTM grant funding is available in the Academic Calendar (Section 4).

**Dropping Courses**

Financial refund deadlines differ from academic drop dates. To ensure you have these dates correct, please consult the calendar of dates at the front of this guide and review the fees website at [www.fees.utoronto.ca](http://www.fees.utoronto.ca).

Students who rely on OSAP or other provincial government loan programs should be aware that retroactive charges are not considered in an assessment for any given session. Adjustments to previous years’ applications cannot be made. Please speak to a Financial Aid Advisor if you have questions about your eligibility for student loans or grants.
EXAMS

Students are expected to be available throughout the entire scheduled exam period.

Exam Conflicts
U of T Mississauga students who have one or more of the conflicts listed below should submit an online conflict reporting form ([www.utm.utoronto.ca/forms]) to the Office of the Registrar by the deadline listed on the U of T Mississauga examination schedule.

- Two University of Toronto final examinations in the same time slot.
- Three consecutive final examinations (e.g. 1 p.m. and 5 p.m. on a Monday, and 9 a.m. on a Tuesday). Note: This accommodation does not apply to the deferred exam period.
- Three examinations on one day.

Where a student has enrolled in courses held at the same time, no special accommodation will be made.

Accommodation for Religious Reasons
Requests for religious accommodation during exams must be submitted online ([www.utm.utoronto.ca/forms]) no later than the deadline posted on the exam schedule.

Study Breaks
Study Breaks are scheduled immediately following the last day of classes and before exams. They will last at least five consecutive days (including weekends) during the Fall-Winter Session.

During study breaks:
- Optional review sessions may be held; no new content may be introduced.
- Students will be allowed to hand in assignments, at the discretion of the instructor.
- Make up tests may be held.
- Term tests may not be held.
- Instructors may offer extended office hours, at their discretion.

Petitions for Deferred Exams
Students who make personal commitments during the examination period do so at their own risk. No petitions will be accepted for special or deferred examinations to accommodate vacation, personal plans, or employment obligations.

In case of illness or severe hardship at the time of an exam, an affected student should:
- consider not writing the exam.
- seek medical attention immediately and submit to the Office of the Registrar original official supporting documentation (see “Verification of Student Illness or Injury” below).
- declare their absence on ROSI, and
- petition to defer the examination ([www.utm.utoronto.ca/petitions]). Students will not be allowed to petition to rewrite an examination that they have already attempted.

Upon approval of a deferred exam request, a non-refundable fee of $70 is required for each exam approved.
Students who cannot write a final exam due to illness or other serious causes must declare their absence on ROSI and file an online petition **within 72 hours of the missed examination**. Original supporting documentation and payment of a deferral fee must also be submitted to the Office of the Registrar **within 72 hours of the missed exam**. Late petitions will NOT be considered.

**Verification of Student Illness or Injury**
If illness is cited as the reason for a deferred exam request, a "Verification of Student Illness or Injury" form, available at [www.utm.utoronto.ca/forms](http://www.utm.utoronto.ca/forms), is required. It must show that you were examined and diagnosed at the time of illness and on the date of the exam, or the day after at the latest.

**Deferred Exam Schedule**
Students who miss a final December exam will write a deferred exam (if they have successfully petitioned) during Reading Week in February. Students who miss a final exam in April will write a deferred exam (if they have successfully petitioned) during the week following the regular exam period.

**Unauthorized Devices**
All electronic devices with storage, including but not limited to, cell phones, tablets, laptops, calculators, and MP3 players must be turned off, sealed in the clear, plastic bags provided and placed under the desk for the duration of the examination.
