**UTORONTO EMAIL: WE NEED TO REACH YOU**

The university’s official method of corresponding with students regarding registration, enrolment status, student accounts and other important areas of business, is through your University of Toronto (or utoronto) e-mail account.

It is your responsibility to read your utoronto e-mail on a regular basis. This will ensure that you receive important information from your instructors and the university.

**IN CASE OF EMERGENCY/ALERTS!**

- If you require immediate emergency assistance on university property, call 905-569-4333. This call can be made from any campus pay phone without using coins.
- You can also use one of the direct-line emergency call stations located on campus.
- In life threatening situations, call 911 (or 9-911 from a campus office phone)
- If an alarm sounds, evacuate the building you are in.
- It is mandatory to activate and use your UTORid and utoronto e-mail account.
- Ensure that your emergency contact information is up-to-date on ROSI/ACORN.
- Sign up for UT Alerts to receive important messages by phone, e-mail and text [alert.utoronto.ca]

**STUDYING ELSEWHERE**

**U of T Mississauga students taking summer courses at the St. George or Scarborough campuses**

U of T Mississauga students taking classes at other U of T campuses are responsible for meeting enrolment instructions noted in the respective timetables and/or calendars. You may enrol in their courses using ROSI/ACORN beginning April 21. You must have successfully completed 4.0 credits at U of T Mississauga before taking courses at other campuses. **Remember, you must follow U of T Mississauga financial and academic dates, with the exception of Late Withdrawal After the Drop Date (LWD).**

**U of T Mississauga students who wish to take courses at another post-secondary institution**

If you wish to enrol at another Canadian post-secondary institution and transfer those credits towards a University of Toronto degree, you must apply for, and be granted, a Letter of Permission (LOP) from the Office of the Registrar before enrolling at the other university. Apply at [www.utm.utoronto.ca/lop](http://www.utm.utoronto.ca/lop). A non-refundable fee of $35 will be charged. If you do not receive an LOP before you take these courses, you must apply
for a transfer credit assessment at www.utm.utoronto.ca/transfer upon completion. However, there is no guarantee what, if any, transfer credit you will receive. The deadline for requesting an LOP for the Summer Session is April 1. However, we strongly recommend that you apply MUCH earlier. Processing can take two to four weeks and many universities ask you to register in April.

**Study Abroad in Summer**

U of T Summer Abroad programs are designed to enrich a student’s academic life by providing an exciting and educational international experience. Students complete full-year University of Toronto undergraduate degree credit courses that are relevant to each location. Visit www.summerabroad.utoronto.ca for details.

The Centre for International Experience also offers summer exchange programs. Visit www.cie.utoronto.ca/Exchange-Programs/Exchange-Institutions/Summer-Options.htm for more information.

**What it means to use ROSI/ACORN**

Using ROSI/ACORN means that you agree to abide by all the academic and non-academic rules and regulations of the University of Toronto and assume the obligation to pay academic and incidental fees according to the policies and requirements of the university.
Declaration of Absence for any Reason
You are required to declare your absence from a class for any reason through your ROSI/ACORN account in order to receive academic accommodation for any course work such as missed tests, late assignments, and final examinations. Absences include those due to illness, death in the family, religious accommodation or other circumstances beyond your control.

In addition, you must also follow the absence policies of the department and the instructor, which may require additional documentation.

You declare absences via your ROSI/ACORN account on the day of your absence (or by the day after, at the latest) under the section “Absence Declaration.” Once you have submitted the required information, you will be redirected to specific U of T Mississauga course policies regarding academic accommodation, which may include submission of an official “Verification of Student Illness or Injury” form (see page 20) or other documentation.

In addition to using the Absence Declaration on ROSI/ACORN, you are required to submit proper medical or other documentation to support a formal petition for deferred exams. You should consult with the Office of the Registrar if the period of absence will be lengthy and affect more than one course.

Contact Information
Make sure your personal contact information on ROSI/ACORN is correct, including your utoronto e-mail address, local street address, phone number (including cell phone number) and emergency contact information.

UPASS, Parking, Shuttle, GO Transit
For information on the Summer Session and the Mississauga Transit UPASS, visit www.utm.utoronto.ca/upass.

Metered parking is available or a parking pass may be purchased. For details, visit www.utm.utoronto.ca/parking.

A shuttle bus transports U of T Mississauga students to classes at the St. George (downtown Toronto) campus. Schedules are available at www.utm.utoronto.ca/shuttle.

The nearest GO train stations are Clarkson, on the Lakeshore line, and Streetsville, on the Milton line. Visit www.gotransit.com for schedules. Mississauga Transit travels between the stations and the campus (visit www.miway.ca for updates). GO ID cards for registered, full-time students are available at the TCard Office.

Third-party Transactions
In order for a third party (such as a parent, partner, sibling, friend) to conduct business with the university on your behalf (such as enrolling in courses or picking up materials) you must obtain and sign a “Consent to Release Information” form in person at the Office of the Registrar.
STEPS TO BECOMING A SUMMER STUDENT

Step 1: Things to Consider Before You Register

Are You Ready for a Summer Course?
Summer courses are an intensive way to earn a university credit. A variety of full-credit (Y) courses and half-credit (F or S) courses are offered. Some students thrive in the condensed class environment while others are significantly challenged by it. If you think you’re up to the challenge, then register. If you’re unsure, register and monitor your progress carefully and meet with an academic advisor in the Office of the Registrar to discuss your progress. Deadlines for dropping a course from your academic record are: June 8 for F courses; July 26 for Y courses; and Aug. 3 for S courses. Course refund dates are different. Please see page 17.

Academic and OSAP Probation & Summer Courses
Students on academic probation should think carefully before enrolling in summer courses as courses are usually taught in a compressed time period and are extremely intensive. Students on academic probation who enrol in a summer course(s), and do not achieve a 1.70 sessional GPA or a 1.50 CGPA, will be suspended.

Students on probation may wish to enrol in a single half credit course in the summer session that is offered over both terms. These H5Y courses are taught at the same pace as the Fall-Winter academic session.

Students on probation must see an academic advisor in the Office of the Registrar before enrolling in the summer session.

Students who are on OSAP Academic Probation must see a financial aid advisor in the Office of the Registrar before they consider enrolling in summer courses.

Step 2: See What’s Available Online for Summer

Find Available Courses Online
• Check the online timetable [www.utm.utoronto.ca/timetable] for up-to-date course availability, room locations, instructor information, course information page and start times. It’s a good idea to consult the timetable regularly as course locations change periodically.
• Consult the Academic Calendar [www.utm.utoronto.ca/regcal] for course descriptions and a complete listing of requirements.

Select courses that fulfill degree and/or program requirements and meet your personal goals. Use the planning feature in Degree Explorer [degreeexplorer.utoronto.ca]. Make sure you have all necessary prerequisites and/or corequisites.

Summer Full-time/Part-time Status
Students enrolled in 1.5 credits in the summer are considered full time. Students enrolled in 1.0 or fewer credits are considered part time. To be considered full-time for OSAP purposes, see the chart on page 13.
Maximum Summer Course Load
Students can take up to a maximum of 2.0 credits during the Summer Session and a maximum of 1.0 credits in each term. To take more than 2.0 credits (1.0 credits per term) in the Summer Session you must submit an online course overload petition [registrar.utm.utoronto.ca/student/petitions] and receive approval prior to registration and no later than the first day of classes. Students enrolled in more than the maximum course load without prior petition approval, may have the last course(s) they were enrolled in removed from their course load for that term.

Only students who have a minimum CGPA of 1.85 and who may be eligible to graduate in November 2015 will be considered for a course overload. Consideration may be given to those students with a minimum CGPA of 2.70 with mitigating reasons for requiring a course overload. Students will not receive special consideration of any kind because of a course overload. To calculate course loads, students need to consult the course timetable, [www.utm.utoronto.ca/timetable], to determine when the course is offered and the duration of the course.

Credit/No Credit Option
Students at University of Toronto Mississauga may select up to a total of 2.0 credits to be assessed on a Credit/No Credit basis within the total number of credits required for a degree. The choice is not restricted as to year, level of course or campus. This option is not available to non-degree students.

To achieve a status of CR (Credit), a student must achieve a final mark of at least 50%. Marks below that will be assessed as NCR (No Credit). Courses with a final status of CR will count as degree credits but will have no effect on the student’s GPA. They will count as Distribution Requirements and degree credits, but cannot be used to satisfy Subject POSt requirements.

Courses with a final status of NCR will not count as degree credits and will not be included in the GPA calculation.

The Credit/No Credit option must be chosen or cancelled on ROSI/ACORN no later than the last day to cancel that course from your academic record. You can begin selecting the option March 25 for F, Y and S courses.

The Credit/No Credit option cannot be used for a course in which the student has committed an academic offence. If a student has specified the CR/NCR option in a course in which he or she commits an academic offence, the CR/NCR option will be revoked and the percentage grade will stand as the course grade.

Warning: Some programs specify that courses with a grade of CR/NCR will not count as part of the 4.0 credits required for program entry. Program entry requirements can be found in the Academic Calendar.

Step 3: Enrol In Courses Using ROSI/ACORN
Enrolment is the process of selecting your courses on ROSI/ACORN. Registration involves both enrolling in courses and paying (or deferring) your fees.

Check your Start Time
U of T Mississauga Summer Session enrolment begins March 25. Check ROSI/ACORN
for your start time on March 20. Your start time is determined by your year of study. Your year of study is defined by the total number of credits you have earned, or expect to earn, by the end of April 2015.

**How to Enrol**  
Go to [www.rosi.utoronto.ca](http://www.rosi.utoronto.ca) beginning March 25 at your start time (see above).  
- Login using your Student ID number and PIN.  
- Go to “Course Enrolment” and follow the instructions. Use the online calendar and timetable for reference:  
  - Calendar: [www.utm.utoronto.ca/regcal](http://www.utm.utoronto.ca/regcal)  
  - Timetable: [www.utm.utoronto.ca/timetable](http://www.utm.utoronto.ca/timetable)

**Conflicting Courses**  
In order to succeed, students must fulfill the attendance requirements of each class as set by the professor on the course syllabus. When you are planning your schedule, **do not enrol in two or more courses, tutorials or practicals that are held at the same time**. Where a student has enrolled in courses held at the same time, no special accommodation will be made (e.g. conflicting tests or exams, lecture material, in-class participation, labs, etc.).

**Late Registration**  
A late fee of $44 plus $5 for each additional weekday will apply to any student who is required to reinstate their registration after being removed from courses for non-payment of fees or for students who enrol in courses for the first time as of:  
- May 8 for Y and/or F courses  
- July 3 for S courses only

**Step 4: Record When Your Classes Begin and Print a TimeTable**

<table>
<thead>
<tr>
<th>Classes</th>
<th>Classes Begin</th>

</tr>
</thead>
<tbody>
<tr>

<tr>

</tbody>
</table>

All course information, including class location, class times, syllabi and instructors, is available from the timetable at [www.utm.utoronto.ca/timetable](http://www.utm.utoronto.ca/timetable). This information is updated periodically, so check to ensure you have the most up-to-date information regarding course location, time and instructor.

**Step 5: Pay Your Fees**

Remember, becoming registered involves both enrolling in courses AND paying (or deferring) your fees. **The deadline is April 30.** If you miss the April 30 deadline, **you will need to submit your proof of payment to the Office of the Registrar** online ([www.utm.utoronto.ca/forms](http://www.utm.utoronto.ca/forms)) or in person to have your status changed to “Registered.” If your status is not updated from “Invited” to “Registered” by May 6, you will be removed from your
courses on May 7 and your status will be marked as “financially cancelled.” If you enrol in an S course only after May 7, you must pay your fees by June 19, or provide proof of payment or defer your fees by June 30, or you will be removed from your courses on July 2. If you are only on the waiting list, consult with the Office of the Registrar and/or check the instructions posted at www.fees.utoronto.ca.

If you are unable to pay the first instalment of fees out of your own funds and have applied for OSAP or another provincial loan, you may be eligible for a deferral. A deferral allows you to officially postpone fee payment until you receive your funds. (See page 13 for more information.)

**How are Fees Determined?**

Summer course fees are determined by the number of credits you take and by the program in which you are enrolled. As soon as it is available, the 2015 Summer Session fees schedule will be posted at www.fees.utoronto.ca. The schedule tells you what needs to be paid and when. Note that summer fees are based on the fees schedule for the Fall-Winter Session which follows (i.e. Fall-Winter 2015-16). International students are charged higher tuition fees than domestic students. To determine whether you may be eligible for an international fee exemption visit www.fees.utoronto.ca.

You must pay (or defer) your fees in order to complete your registration.

**Deregulated Program Fees**

During Fall-Winter, full-time students in deregulated programs are assessed a program fee; part-time students are assessed a course fee. In Summer, all students in deregulated programs are assessed a course fee. The course fee for 1.0 credits is one-fifth of the program fee. If a student is enrolled in more than one deregulated fee Subject POSt, the fees assessment is based on the Subject POSt with the highest fees. For more information, see page 15.

The fee structure for the **Concurrent Teacher Education Program** also differs. Please see www.fees.utoronto.ca for details.

**Fees Invoices**

Your fees invoice and student account info are available on ROSI/ACORN. Your account number is displayed on the top, right-hand corner. Should you require an invoice (to take to the bank to make an in-person payment, for example), print the invoice as it appears on your ROSI/ACORN account.

**Methods of Payment**

Tuition fee payments **cannot** be made at the Office of the Registrar. Please allow at least three to five business days for bank payments to appear on ROSI/ACORN. Payment made outside of Canada will take at least 10-14 business days to appear on ROSI/ACORN. Payments can be made using one of the following methods:

**1) Online & Telephone Banking**

The quickest and most convenient method of paying your fees is through online or telephone banking. Set up “U of T” as a bill to be paid on your online bank account. Your U of T account number is located on the top right hand corner of your ROSI/ACORN financial account (invoice format). Keep a printout of the payment transaction as your proof of payment. It must show the amount paid, the payment date, and your UofT account number.
[2] Paying at the Bank
If you pay in person at the bank, you will need to bring a printout of your fees invoice from your ROSI/ACORN account. Keep your stamped bank receipt; it is proof that your fees have been paid.

[3] Payment from Outside Canada
Western Union GlobalPay is available to students from outside of Canada who wish to make a Canadian dollar payment in the currency of choice at a local bank. There are no transaction charges from Western Union or the University of Toronto. Payments must be accompanied by the student’s name and account number in order to avoid delays in payment processing. For details visit www.fees.utoronto.ca.

[4] Faculty/Staff Fee Waiver
If you are eligible for a U of T faculty/staff fee waiver, complete a fee waiver form found at www.hrandequity.utoronto.ca. Before sending your tuition waiver to the Human Resources (HR) office, you must first pay your incidental fees via the bank by April 30. (If you pay between May 1 and May 6, you must bring your receipt to the Office of the Registrar to have your account updated to “Registered” or you will lose your courses and your registration will be cancelled.) Send your tuition fee waiver and a copy of the receipt for your incidental fees to the HR office where the faculty/staff member is employed.

If your fees are paid by an outside organization directly to the university on your behalf, send a copy of your scholarship/bursary notification letter and your ROSI/ACORN invoice to: U of T Student Accounts, 215 Huron Street, Toronto, ON, M5S 1A2. Your letter must reach Student Accounts before May 6.

Note: The Province of Ontario has introduced new guidelines concerning tuition fee billing. At the time of publication, the University of Toronto was reviewing its practices in the context of these guidelines to determine how and when it will implement changes. Any revisions to the procedures referenced here will be reflected at www.fees.utoronto.ca.

Late Payments
If you pay your fees between May 1-6, you will need to submit proof of payment to the Office of the Registrar online (www.utm.utoronto.ca/forms) or in person to have your status changed to “Registered.” This is the only way you can ensure your registration is completed prior to May 7 (the day incomplete registrations are cancelled and students are removed from courses).

Fee Refunds
Dropping courses before deadlines will generate a full or partial refund of fees depending on when you drop your courses. A refund is determined by the date your course is cancelled on ROSI/ACORN. Always “view/list/print” your courses after changing your schedule to ensure that you have done so correctly. An exception to the refund schedule is normally only considered if there is evidence of an error made on the part of the university.

If there is a credit balance on your financial account, you can sign up for ‘Refunds by Direct Deposit’ on ROSI/ACORN or the Office of Student Accounts will send a refund cheque to your mailing address.
Academic course drop deadlines are not the same as financial refund deadlines. In fact, the academic drop deadlines (see page 17) are much later than the refund deadlines and have NO financial impact.

For all financial deadlines please see page 17 of this guide and check the Student Account website at www.fees.utoronto.ca.

**Outstanding Fees**

Students with outstanding financial obligations to the university must pay their fees in full before registering in the next academic session. Payments will be applied first to outstanding debts from previous sessions before being applied to the current session. Your summer registration will be jeopardized unless you pay your full outstanding debt from previous sessions and your summer fees. A service charge of 1.5% per month is added to all outstanding balances on the 15th of every month until the fees are paid in full. You can find out more details at www.fees.utoronto.ca.

**Step 6: Verify Your Registration Status**

You will know that your registration is complete if your status is shown as “Registered” on ROSI/ACORN. If your status says “Invited” you are not registered and need to pay or defer your fees (and possibly show proof of payment) so that you do not risk losing your courses.

**Step 7: Update Contact Info.**

If your Summer Session contact information (mailing address, phone number, emergency contact) is different than it is during the Fall/Winter Session, please make the necessary changes on ROSI/ACORN. Also, please ensure your legal status and U of T email (@mail.utoronto.ca) information is correct.

**Step 8: Attend All of Your Classes**
**OSAP & FEE DEFERRALS**

* Must have received OSAP funds at the University of Toronto for the preceding Winter Term to be considered.

**OSAP: How to Apply**
If you received OSAP for U of T studies for the full Winter 2015 term, please complete and return the 2015 Summer OSAP Application to the Office of the Registrar. Forms are available in the office or at [www.utm.utoronto.ca/forms](http://www.utm.utoronto.ca/forms).

If you did not receive OSAP for full-time U of T studies in the 2015 Winter term, you must complete the 2014-15 OSAP online application at [osap.gov.on.ca](http://osap.gov.on.ca) and must be studying May to August as outlined in the eligibility chart above.

**Out-of-province Canadian students** must apply for student loans with their home province. Visit [www.canlearn.ca](http://www.canlearn.ca) for information.

**OSAP: Academic Progress**
OSAP regulations dictate that a student must be successful in completing 3.0 credits by the end of the academic year (September to April) while maintaining a minimum 60% course load (1.5 credits) each term. Students with documented permanent disabilities must be successful in completing 2.0 credits by the end of the academic year (September to April) while maintaining a minimum 40% course load (1.0 credits) each term. During the Summer Session, students must be successful in completing the minimum required course load as outlined in the eligibility table above. If a student does not meet OSAP’s Academic Progress requirements, their eligibility to receive future OSAP funding may be jeopardized and they should see a Financial Aid Advisor to review their options.
**OSAP: Fee Deferrals**
If you cannot make your minimum payment to register for your 2015 Summer Session courses AND you are receiving OSAP, you may request a tuition fee deferral online via ROSI/ACORN [www.rosi.utoronto.ca](http://www.rosi.utoronto.ca) once your summer fees appear on your account. It is recommended that you apply for OSAP no later than March 31 to ensure that you have received notification of your OSAP amount prior to the start of classes. You must have a “Notice of Assessment” before being granted a tuition fee deferral. You are responsible for your entire summer fees, including service charges, regardless of how much OSAP funding you are awarded. Deferrals will not be granted if you have an outstanding tuition balance from a previous session.

The 2015-16 study period is a separate academic session and will require a separate fee deferral. For further information regarding the 2015-16 academic year, please refer to the 2015-16 Fall-Winter Registration Guide for Returning Students.

**OSAP: Deadlines**
We recommend applying by March 31 to ensure that your application is processed in time.

The **FINAL** day to apply for Summer OSAP for those students who are taking courses held May to June only is **May 9**. For students taking courses held May to August or July to August, the deadline is **June 12**.

**UTAPS & UTM Undergraduate Grants**
Please note that UTAPS grants and U of T Mississauga Undergraduate Grant funding are not available during Summer Sessions.
Deregulated Fee Programs*

Deregulated programs have different (and higher) fee structures than regular programs. Fees are assessed by Subject POST for the following programs: Bioinformatics; Commerce; Communication, Culture, Information & Technology (CCIT); Computer Science; Digital Enterprise Management; Information Security; Interactive Digital Media, Management; and Visual Culture and Communication.

During Fall-Winter, full-time students in deregulated programs are assessed a program fee; part-time students are assessed a course fee. In summer, all students in deregulated programs are assessed a course fee. The course fee for 1.0 credits is one-fifth of the program fee. Summer fees are based on the fees schedule for the Fall-Winter Session which follows (i.e. Fall-Winter 2015-16). If a student is enrolled in more than one deregulated fees Subject POST, fees assessment is based on the Subject POST with the highest fees.

*Exceptions may apply to students registered with the AccessAbility Resource Centre. Such students should complete a release form in the centre in order to ensure that fees are charged appropriately.

Students in the Concurrent Teacher Education Program (CTEP) also pay different fees than those in regular programs. Consult www.fees.utoronto.ca for details.

Students are charged Subject POST fees immediately upon accepting their invitation to enrol in a deregulated Subject POST. The normal entry point for any Subject POST is the session following the session where the fourth credit is earned (transfer credits are included in this credit count). Deregulated fees are therefore charged from the session following the session in which the fourth credit is earned.

Students who apply, become “invited” to, and subsequently accept, a deregulated Subject POST will have their 2015 summer course charges immediately adjusted from regular to deregulated fees if they have completed 4.0 credits (including transfer credits) by the end of the 2014-15 Fall-Winter session. If 4.0 credits were completed by the end of any other previous session (e.g. 2013-14, 2014 Summer, etc.) deregulated Subject POST fees will immediately be retroactively charged to ALL past sessions back to, and including, the session designated as the normal entry point for the program. In other words, a student will owe deregulated fees beginning in the session immediately following the session the fourth credit was completed in. All retroactive fees are immediately added to a student’s ROSI/ACORN financial account as an outstanding balance.

Students who rely on OSAP or other provincial government loan programs should be aware that retroactive charges are not considered in an assessment for any given session. Adjustments to previous years’ applications cannot be made. If you have questions about your eligibility for student loans or grants please speak with a financial aid advisor before accepting an invitation to enrol in a deregulated Subject POST.

Example of Deregulated Subject Post Fees: Student “A” completes her first 5.0 credits in the Fall 2014-15 Winter Session. She then completes another 1.0 credits in the 2015 Summer Session. Student “A” has requested Subject POST ERMAJ2431 (Major in Management) and is approved. She adds ERMAJ2431 to her Subject POSTs in August.
2015, but because she completed her fourth credit in the 2014-15 Fall-Winter Session, she is now responsible for paying the deregulated tuition in every subsequent session regardless of when she adds the deregulated Subject POSt.

In this case, because she did not add her Subject POSt until after the 2015 Summer Session was completed, she will be retroactively charged the higher tuition for her summer course.

Fees payments are always applied to outstanding balances first and then to current fees. To become registered with 2015-16 fees, outstanding balances must be paid first before current fees.

**Deregulated Program Refunds**
Refund deadlines for deregulated programs are different from the refunds for regular programs. For all financial deadlines please check the Student Accounts website at [www.fees.utoronto.ca](http://www.fees.utoronto.ca).

Various deadlines generate a full or partial refund of fees depending on when courses are dropped. A refund is determined by the date a course is cancelled on ROSI/ACORN. Always view/list/print your courses after changing your schedule to ensure that you have done so correctly.

Academic course drop deadlines are not the same as financial refund deadlines. In fact, the academic drop deadlines (see Important Dates on pages 2 to 4) are much later than the refund deadlines and have NO financial impact.

Students enrolled in courses at other U of T campuses must follow U of T Mississauga financial and academic deadline dates, with the exception of Late Withdrawal after the Drop Date (LWD).

Students are not refunded the deregulated fees they have already paid if they choose to withdraw from a deregulated program in their upper years.
**DROPPING COURSES, FEE REFUNDS, USER FEES**

**How to Drop (Cancel) a Course**

If for any reason you decide that you do not want to be enrolled in a particular course, you must drop it by following the instructions on ROSI/ACORN as soon as possible. Staying enrolled in a course you do not want could prevent another student from gaining access to that course, and it can cost you money. It may also result in the course remaining on your permanent academic record.

You will be responsible for any fees and academic penalties incurred if you do not drop your courses by the appropriate deadline. Pay close attention to the difference between refund deadlines and academic deadlines so as not to jeopardize your academic standing.

It is strongly recommended that you refer to the fees website (www.fees.utoronto.ca) for more detailed information on fees and refunds.

**Academic Deadlines**

An **Academic Deadline** is the last date to drop a course from your academic record and GPA.

**Late Withdrawal after the Drop Date (LWD)**

After the above dates, and up until the last day of classes, students may apply online (registrar.utm.utoronto.ca/student/LWD) for Late Withdrawal (LWD).

**Financial Deadlines (Course Fee Refund Dates)**

A **Financial Deadline** is the last date to cancel (all courses) or drop (one or more but not all courses) and receive course fee refunds.

</table>

There is a minimum charge once classes have begun. This occurs **only** when you withdraw from **all** of your courses.
The amount of a refund depends upon the date the registration or course cancellation is recorded on ROSI/ACORN. An exception to the refund schedule will normally be considered ONLY when there is evidence of an error on the part of the university.

**Cancelling Your Registration for the Summer Session**

Should you decide to cancel all of your courses in the Summer Session, ROSI/ACORN will inform you that this is your last course in the session and ask if you would like to cancel your registration. If you are sure that you do not intend to enrol in other courses in the summer session, cancel your registration. Cancelling your registration will trigger a refund of incidental fees if you do so within the time frames shown at [www.fees.utoronto.ca](http://www.fees.utoronto.ca). Note that cancelling your registration affects only the current summer session and does not impact your ongoing status as a U of T Mississauga student.

Conflicts
U of T Mississauga students who have one or more of the conflicts listed below should submit an online conflict reporting form ([www.utm.utoronto.ca/forms](http://www.utm.utoronto.ca/forms)) to the Office of the Registrar by the deadline listed on the U of T Mississauga examination schedule.
- Two University of Toronto final examinations in the same time slot.
- Three consecutive final examinations (e.g. 1 p.m. and 5 p.m. on a Monday, and 9 a.m. on a Tuesday). Note: This accommodation does not apply to the deferred exam period.
- Three examinations on one day.

Where a student has enrolled in courses held at the same time, no special accommodation will be made.

Accommodation for Religious Reasons
Requests for religious accommodation during exams must be submitted online ([www.utm.utoronto.ca/forms](http://www.utm.utoronto.ca/forms)) no later than the deadline posted on the exam schedule.

Petitions for Deferred Exams
Students who make personal commitments during the examination period do so at their own risk. Petitions will not be accepted for special or deferred examinations to accommodate vacation, personal plans, or employment obligations. The examination period is published in advance and students are expected to be available during this period.

In case of illness or severe hardship at the time of an examination, an affected student should:
- consider not writing the exam
- seek medical attention immediately and submit original and official supporting documentation to the Office of the Registrar (see “Verification of Student Illness or Injury” below)
- declare his/her absence on ROSI/ACORN (see pg. 5)
- petition to defer the examination ([www.utm.utoronto.ca/forms](http://www.utm.utoronto.ca/forms))

Students will not be allowed to petition to rewrite an examination that they have already attempted.
Upon approval of a deferred exam request, a non-refundable fee of $70 is required for each examination approved.

Students who cannot write a final exam due to illness or other serious causes must declare their absence on ROSI/ACORN and file an online petition within 72 hours of the missed examination. Original supporting documentation must also be submitted to the Office of the Registrar within 72 hours of the missed exam. Late petitions will NOT be considered.

**Verification of Student Illness or Injury**

If illness is cited as the reason for a deferred exam request, a “Verification of Student Illness or Injury” form, available at www.utm.utoronto.ca/forms, is required. It must show that you were examined and diagnosed at the time of illness and on the date of the exam, or the day after, at the latest.

**Unauthorized Devices**

All electronic devices with storage, including but not limited to, cell phones, tablets, laptops, calculators, and MP3 players must be turned off, sealed in the clear, plastic bags provided and placed under the desk for the duration of the examination.
ADVISING & GRADUATION

Academic & Financial Aid Advising
To make a walk-in appointment with an Academic or Financial Aid Advisor, visit the Express Desk at the Office of the Registrar in the Innovation Complex. You can monitor your appointment status in the waiting area outside of the office, or keep track of your place in the queue with our “Walk-in Waiting List” mobile application (m.utm.utoronto.ca). Office hours are posted at www.utm.utoronto.ca/reg.

Your Academic Responsibilities
Your success as a student depends on your attention to the responsibilities that the university sets down in writing. It is the responsibility of the student to ensure that:

• Course selection is correct and complete.
• All prerequisite, exclusion and corequisite requirements, program requirements, distribution and other degree requirements have been met.
• Deadlines (including payment of fees, dropping and adding of courses) and other regulations have been observed.
• All information provided to U of T Mississauga is kept up to date and accurate (e.g. contact information, legal status, programs and degrees being sought, etc.)

Misunderstanding, misapprehension or advice received from another student will not be accepted as a reason for exemption from any regulation, deadline, program or degree requirement.

If there is any doubt, seek guidance from the Office of the Registrar.

Thinking About Graduation?
You need to meet program requirements and degree requirements in order to graduate.

Using Degree Explorer, the University of Toronto’s degree planning tool (www.rosi.utoronto.ca/degree_explorer.php), you can view the current completion status of your program(s) and degree (including any exceptions made towards requirement completion), plan future courses and enter hypothetical course and program of study scenarios to determine if they meet program and degree requirements.

If you have confirmed your request to graduate, you can check Degree Explorer at the end of September to see if your Subject Posts have been confirmed by the relevant Department(s) and you can view your eligibility to graduate in early October.

Degree Requirements
Your resource for checking degree requirements* is the Academic Calendar at www.utm.utoronto.ca/regcal

*Departments do NOT have the authority to waive degree requirements.

It is also highly recommended that you:
• Review your academic history and progress towards degree requirement completion on Degree Explorer
• Meet annually with an academic advisor in the Office of the Registrar to review your degree requirements
Program Requirements
Your resource for checking Program Requirements** is the Academic Calendar at www.utm.utoronto.ca/regcal

- You will follow the program requirements listed in the academic calendar for the Session that you enrolled in the program [e.g., If you enrolled in a program in the summer of 2014, you would follow the program requirements listed in the 2014-15 Academic Calendar]
- Visit the Academic Calendar online for the year you enrolled in the program and then “List of Programs” from the Programs List menu bar.

**The Office of the Registrar does NOT have the authority to waive program requirements; neither does the Committee on Standing via petitions.

It is also highly recommended that you:
- Review your academic history and progress towards program completion on Degree Explorer
- Check program requirements in the calendar each time you consider adding or changing courses.
- Meet annually with the Program Advisor(s) in the appropriate academic department about your program. Advisors are listed in the contact section of each program in the calendar.

Ready to Graduate in November 2015?
Students who appear as though they may complete 20.0 credits will have a request to graduate entered onto their ROSI/ACORN record. Students who confirm their request to graduate and are assessed as “complete” will have their degrees conferred at the next available convocation ceremony whether or not they are able to attend.

Completing your degree requires the completion of program and degree requirements. Using Degree Explorer (www.rosi.utoronto.ca/degree_explorer.php), you can view the current completion status of your program(s) and degree. If you have confirmed your request to graduate, you can check Degree Explorer at the end of September to see if your Subject Posts have been confirmed by the relevant department(s) and you can view your eligibility to graduate in early October. See www.utm.utoronto.ca/regcal for a current listing of degree requirements. Graduation requests for November 2015 will appear on ROSI between June 23 and September 8.

It is your responsibility to check your graduation status. If you plan to graduate in November and do not see a graduation request on ROSI, go to the Office of the Registrar to speak with an Academic Advisor before September 8 to have your graduation request added.

When you login to ROSI/ACORN, it will indicate the degree you may be eligible to receive. You will be prompted to request graduation with the specified degree or to indicate that you do not wish to graduate with the specified degree. If you wish to graduate, but with a different degree from the one specified [e.g., ROSI indicates that you might be eligible to receive an Hon. B.A., but you are eligible to graduate with an Hon. B.Sc.], you must contact the Office of the Registrar.

PLEASE NOTE: Parchments are withheld until all outstanding U of T fees, library fines, health service missed appointments, damaged departmental equipment and payment for all deferred exams have been paid in full. Degree parchments are held by the Office
of Convocation for pick up one year following each graduation ceremony.

For more information, visit www.utm.utoronto.ca/graduation.

Can’t Get in a Course you Need to Graduate?

U of T Mississauga is committed to ensuring that graduating students can enrol in a set of courses that will allow them to graduate in a normal period of time. This commitment depends upon the student doing all that is necessary at the optimum/appropriate times as indicated in this guide and in the Academic Calendar. Students must have enrolled in appropriate programs (changes to program in the final year of graduation may not be considered), completed appropriate prerequisites, and requested courses from a full range of the possible options that would allow them to complete their program and degree. Students must have used ROSI/ACORN to attempt to enrol in these courses at the earliest possible opportunity. If students are still unable to obtain required courses for graduation, they should meet with an academic advisor in the Office of the Registrar during the first registration period to receive guidance on next steps.
**DO YOU HAVE A U OF T STUDENT ID CARD (TCARD)?**

Your permanent University of Toronto Student Card (TCard) is a photo ID smartcard that provides you with identification for academic purposes (i.e. exams and library access), student activities and student services. The TCard also allows you to carry a cash value to be used to purchase photocopies and computer printing. Money is not transferable if you lose your card.

ALL students must have a TCard with a photograph for positive identification. A valid card is required to write final examinations, to use the shuttle bus, libraries and athletic facilities, for meal plans, the U-Pass and to vote in student elections. The TCard is intended to last for your entire period of study at U of T.

There is a $12 fee for the replacement of a lost, damaged or stolen card. Replacement cards are available at the TCard Office, Room 3133, CCT Building. To get a replacement:

**Domestic Students, bring any of the three following options listed below:**
- Option 1: Passport - Canadian
- Option 2: Both your Birth Certificate issued by a Canadian jurisdiction and a piece of valid government-issued ID with current photo
- Option 3: Both your Canadian Permanent Resident Card and a piece of valid government-issued ID with current photo

**International Students, bring:**
- Passport - Foreign, including valid study permit

**YOUR CODE OF CONDUCT**

The university requires that you conduct your academic and personal life with:

**Honesty and Integrity...**

in all aspects of your university career. All documents and personal information submitted to the university prior to, and throughout, your studies must be accurate and true. Your academic assignments must be the result of your own work. Academic dishonesty will not be tolerated and may result in severe academic sanctions.

for your own actions and obligations. You control your learning process and rate of progress.

**Respect...**

towards others and yourself. Treat the U of T Mississauga community with respect; help to keep the campus clean; be polite to your fellow students, staff and faculty.
