They shall be bound by Resolutions of QSS directing the vote of the QSS Representative at COSS on all operating plans and budgets as outlined in Powers and Duties (g). 3.2.3.2 Removal of the QSS Representative to COSS
The QSS Representative on COSS may be removed by a Two-Thirds Majority Resolution if:
   a) the QSS Representative fails to attend one (1) COSS meeting or two (2) QSS meetings; or
   b) the QSS Representative fails to represent the position of QSS, or represents QSS’ position at COSS in an unsatisfactory manner; or

A written statement, signed by six (6) voting members of QSS, must be presented to QSS two weeks prior to the vote of removal.

In the event of the resignation or removal of the QSS Representative on COSS, a new student representative shall be selected by current QSS voting members from current QSS student voting members.

4. Policies and Procedures

4.1 Meetings
Regular meetings of QSS shall occur as outlined in the QSS Annual Timeline and Procedures of Meetings (Appendix 2). A special meeting of QSS may be called either by the Chair or by six (6) members of QSS, provided that seven (7) working days’ notice of the special meeting is provided to all members of QSS. For both regular and special meetings, an agenda shall be circulated to all members no less than three (3) working days prior to the meeting.

4.1.1 Quorum at Meetings
Eleven members present, of whom at least six shall be students, who represent at least two of the student councils mentioned in Section 3.1, one of which must be UTMSU, shall constitute a quorum of members.

4.1.2 Rules of Order at Meetings
QSS meetings shall be governed by Bourinot’s Rules of Order, with the following exceptions and clarifications:
   1. Majority Resolutions require a majority of the members voting and present to pass. In the event of a tie, the motion is lost.
   2. Double Majority Resolutions (e.g. ancillary fee increases) require a majority of the members voting and present and a majority of the
student members voting and present to pass. In the absence of one or both of these majorities, the motion is lost.

3. Two-Thirds Majority Resolutions (e.g. amendments to these Terms of Reference, removal of the Chair or QSS representative to COSS) require both a two-thirds majority of the members voting and present and a two-thirds majority of the student members voting and present to pass. In the absence of one or both of these two-thirds majorities, the motion is lost.

4.2 Changes to Ancillary Fees
All proposals for the increase or introduction of a fee covered under Section 2 (a) of these Terms of Reference shall be considered by QSS in the following manner:

1. The Director, Manager or coordinator of each relevant service shall convene working groups, including QSS members from student societies, to review in detail proposed operating plans and budgets of the service, providing a forum to explore options and seek feedback in developing a proposal.

2. Following meetings of the relevant working groups, the Director, Manager or coordinator of the service shall present to QSS the annual operating plans and budget of the service, along with a rationale for the proposal to change the service's fee. Proposals for fee increases to fund capital projects shall be put to a referendum of all UTM students (as outlined in Section 4.3).

3. The members of QSS shall then be given no less than two weeks (preferably four weeks) to confer with their constituencies and optionally to make suggestions to the Director or Manager of the service regarding the nature and amount of the fee change. Should a member of QSS wish to move a motion to put the fee increase to a referendum of all students (as outlined in Section 4.4), notice of such a motion must be given seven (7) working days prior to the next QSS meeting.

4. The Director, Manager or Co-ordinator of the service shall then present to QSS a finalized request for an increase to the service’s fee. If a member of QSS has given notice of a motion to put the increase to a referendum, that motion shall then be debated and voted upon. If no motion to put the increase to referendum has been made, or a motion to put an increase to referendum has failed, the Director or Manager of the service shall move that QSS recommend approval of the fee increase to Governing Council. This motion shall require a Double Majority (as defined in Section 4.1.2) to pass.

4.3 Referenda on Capital Fees
Should a service request a fee increase or institution of a new fee to cover a portion or all of the cost of a capital project which generates new space, QSS shall put the fee increase to a general referendum of all students. Projects limited to renovations of existing space shall be exempt from this clause and treated as in Section 4.2 above. Should the space allocated to a service increase, and the
service subsequently request a fee increase to cover increased space costs, such a request shall also be exempt from this clause and treated as in Section 4.2 above.

4.4 Referenda on Student Service Fees
Should a service request an annual increase greater than the percentages outlined in Table 1, or should QSS receive a proposal for the introduction of a new fee, QSS may put the fee increase/introduction to a general referendum of all UTM students by either:
   a. a majority resolution of the members voting and present; or
   b. a majority resolution of the student members voting and present.

Should a service request an annual increase not greater than the percentages outlined in Table 1, QSS may put the fee increase to a general referendum of all UTM students only by a majority resolution of all members voting and present.

4.5 Referendum Costs
Costs for any and all referenda administered by QSS shall be borne by either the service requesting the fee increase or the office of Student Affairs. Referendum costs shall not be incorporated into the proposed fee increase.

5. Supplementary Principles

5.1 University Policies
University of Toronto Human Resource policies and accounting practices shall apply to all Student Services and their employees and cannot be altered by QSS.

The University of Toronto Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees shall apply to all student services and cannot be altered or superseded by QSS.
