Message from the Vice-President and Principal, Professor Ulli Krull

Welcome to the University of Toronto Mississauga, a campus known for its innovative learning environment, world-class faculty and facilities, and its natural beauty. At U of T Mississauga, you have an intimate and diverse campus where students easily mingle with each other, faculty, and staff, and you have access to the talent and resources of all three campuses of the University of Toronto, one of the world’s leading educational institutions.

I hope you are just as excited to join us as we are to have you as members of our campus community. All of you are arriving with wonderful ambitions and goals, and we aspire to further nurture those ambitions, and to help you develop the skills and knowledge that will allow you to achieve your fullest potential.

I invite you to explore the campus, all the nooks and crannies, on and off the beaten path. Take the time to chat with faculty members, join a club, volunteer as a student leader, go for a brisk walk on a treadmill in our Recreation, Athletics and Wellness Centre (RAWC), watch the politics of the world unfold through the live stock market index at our Li Koon Chun Finance Learning Centre, and stroll along the banks of the Credit River in the beautiful Erindale Park to refresh your mind and find new energy.

There are so many possibilities, and they all combine to make UTM that special place you will be proud to call your academic home!

Take advantage of the many opportunities this campus offers to study, learn and socialize both within and beyond the classroom. Your educational journey is just beginning!

Ulli Krull
Vice-President, University of Toronto
Principal, U of T Mississauga

CAN YOU FIND ME?
Bernie Miller, *Five Minute Mirror*, 2001, outdoor lightbox

Every fall, the Blackwood Gallery commissions an artist to produce a work for the Bernie Miller Lightbox, a billboard installed on the outside of the William Davis Building where the two wings of the building meet at the end of "Five Minute Walk". The commissioned work stays throughout the school year. In the summer, the Lightbox displays the original work by Bernie Miller, *Five Minute Mirror* (2001), which inaugurated the site.

For more information, please visit www.blackwoodgallery.ca or download the FREE Art Walk iPad app from iTunes.
The University of Toronto Mississauga is situated in an ideal location to facilitate the needs of commuters and community explorers, by providing a MiWay and Brampton Transit terminal. This sign commemorates the contribution of Charlotte Schreiber to the history of Ontario. The University of Toronto Mississauga is built along the Credit River, an environment that inspired Schreiber’s work and contributed to her rise to prominence in the community. Schreiberwood Residence is named in honor of this iconic and important figure.
The ICCIT Council is the official award-winning academic society representing students in the Institute of Communication, Culture, Information and Technology (ICCIT) department & program specializations at the University of Toronto Mississauga. We serve the interests of the ICCIT student body through creative & professional skill workshops, professional speaker series, fun socials, amazing networking events, stimulating conferences and engaging competitions. We are here to help students in ICCIT and beyond achieve their dreams.
HEALTH & COUNSELLING CENTRE

We’re your partner in achieving physical, emotional, and mental wellbeing while studying at UTM. Our Centre is staffed by a friendly team of health professionals that promote overall health and wellbeing. As doctors, nurses, personal counsellors, a psychiatrist, registered dietitian and health educators, our goal is to support you in being happy, healthy and well.

Our dedicated team of health professionals offer medical services similar to that of your family doctor’s office, and our personal counsellors offer short-term, solution-focused counselling and therapy services. We can also provide referrals to assist in accessing community resources when more complex and/or long-term care is needed.

The Centre’s services are available to all students at no additional cost. Appointments are made in advance by calling or visiting the Centre, however we can generally provide medical first aid and crisis support with same-day appointments. All HCC services are confidential.

We provide a range of training and volunteer opportunities for all students. At the heart of our outreach and education efforts are two dedicated teams of volunteers: Peer Health Educators and the Healthy Campus Crew. Students on these teams have opportunities to learn about their own wellbeing, to develop new skills, to meet new people, and to give back to the UTM community.

INTERNATIONAL EDUCATION CENTRE
Whether you are an international student or you are interested in international opportunities, the IEC is here to help you connect with other students, internationalize your experience and join a cross-cultural community at the University of Toronto Mississauga.

Internationalize Your Degree
• Study Abroad: Earn credits toward your UofT degree while studying overseas at our 120+ top-tiered partner universities,
• International Research Opportunities: combine hands on research experience with travel abroad working with renowned professors worldwide,
• UTM Abroad: take a UTM course with an embedded global experience or travel on a co-curricular experience to solve local and global challenges.

Immigration
International students seeking advice on study permits, visas, permanent residency and other immigration related matters can speak with our certified International Student Immigration Advisor at no additional cost.

International Student Support
The IEC is here to support international students with their transition to University, acculturation, the University Health Insurance Plan, pre-arrival information and connecting you to the right resources.

IEC Mazi
Mazi is the Greek word for together. At the IEC, we use a peer-to-peer approach that brings our campus community together to celebrate culture and diversity through a variety of internationally focused programs and activities. Explore the world around you by participating in our events, meeting other students who share your interests, and getting connected to the right resources and people.

OFFICE OF STUDENT TRANSITION
The Office of Student Transition is committed to providing students and their families a comprehensive set of engaging and informative programming that will support students' academic and social transition to and through UTM. Through our programming you will make friends, discover resources, gain academic skills, and feel connected to UTM. We offer new student programming (O-Week, LAUNCH, utmONE, utmONE Scholars, STAC, and Eagle2Eagle), upper-year programming (REACH and Exam Jam), and parent and family programming (orientation and outreach initiatives).

utmONE
utmONE are theme-based, for-credit courses that emphasize academic skill-building and expectations through the lens of an engaging topic. Additionally, a series of tutorials will introduce you to essential elements of a well-rounded student experience.

utmONE Scholars
utmONE Scholars provide small and interactive seminar experiences to a select group of high academic achieving first-year students. Through engaging and intellectually stimulating subjects of study, first-year students develop critical thinking and communication skills. University level research skills are also taught.

LAUNCH
LAUNCH (formerly utmONE Connect and utmFYE) is a new initiative that brings together the academic and community aspects of being a new UTM student in a way that supports your transition and student success. LAUNCH is a series of engaging and interactive weekly sessions taught by academically successful upper-year student mentors (Launch Leaders) enrolled in your academic discipline.

STUDENT HOUSING & RESIDENCE LIFE

Residence has over 1,500 student spaces, providing you with the most diverse range of housing options for undergraduate, graduate and professional students, and for students with families, within the University of Toronto system. In addition to on-campus residences, we also help students with their housing needs through services such as off-campus listings, roommate searches, and community and safety information.

First Year Transitional Support

All first year students living in residence are placed into an Academic Living Community based on their intended program of study. This access to specialized peer-based academic support allows for enhanced opportunities to get to know students in their courses, build a supportive community and find resources that can enable academic success. Our first year residence students are also assigned a Peer Academic Leader (PAL) who is an upper year student from their discipline that provides mentorship and guidance throughout their transition to university life.

Students are divided into small groups and are given the opportunity to attend workshops designed to enhance their academic skills focusing on topics such as study planning, learning styles, note taking, academic goal setting, professional communication and writing skills. Essential to this experience is the opportunity to participate in one-to-one meetings with their PAL, attend Facilitated Study Groups (FSGs) and engage with faculty outside of the classroom.

UTM POSITIVE SPACE COMMITTEE
The UTM Positive Space Committee works to promote safer and more inclusive spaces for LGBTQ+ members of the University community. The composition of the committee is representative of campus constituencies including students, staff and faculty, includes members of the LGBTQ+ community and their allies, and represents a variety of skills, knowledge and experience.

The most visible symbol is an inverted rainbow triangle sticker that you will see in many places around campus. If you notice a rainbow triangle sticker on a door or an office, it is a sign that people in that office are supportive of LGBTQ+ students, staff and faculty and would welcome your questions and requests for assistance. They may not have all the answers, but they will be helpful in a general way, and can refer you to appropriate offices and services. LGBTQ+ is a collective acronym for Lesbian, Gay, Bisexual, Trans, Queer identities (including intersexed, questioning, two-spirited, asexual, pansexual, as well as others).

Student’s Union (UTMSU)

UTMSU is the Student’s Union on campus offering events, campaigns and services to all UTM students. Our campaigns are based on student priorities and making student life on campus easier. We offer events such as Frosh, Welcome Week, Pub Nights, Block Party, Multi-Cultural Week, UTM's Got Talent and more. We are also the home for over 100 clubs on campus! We offer the U-pass, 5 cent printing, cheap movie tickets, Wonderland passes and much more.
GETTING INVOLVED

CO-CURRICULAR RECORD
Your work outside the classroom deserves to be recognized. U of T now has the Co-Curricular Record (CCR) that allows you to seek out involvement opportunities and have them recorded on an official U of T document. You’ll also be able to identify the skills and abilities you’ve developed as a result of your involvement, which is valuable when you’re meeting with possible employers – you’ll be able to tell them exactly why you are so awesome!

ULIFE RECOGNIZED STUDENT ORGANIZATIONS
At UTM there are numerous student organizations in which you can get involved. They represent a breadth of student interests in academic and career areas, social issues, faith, athletics, and much more! You can even start your own organization through Ulife. Grab a highlighter to find the ones that interest you most. Check them out at ulife.utoronto.ca!

CAN YOU FIND ME?...

For more information, please visit www.blackwoodgallery.ca or download the FREE *Art Walk* iPad app from iTunes.
Several reflection bays are scattered across the UTM campus. These spaces are intended for quiet reflection in any form. Chairs, benches, and mats are provided for yoga, prayer, or a quiet rest. Discreetly placed arrows denote compass locations to help you find your place in the world. Find these spaces on the 3rd and 4th floor of DH. Additionally, there are lounges in the Instructional Centre and a multifaith prayer space in the Student Centre Annex.
BIKE SHARE
We are a program that allows you to rent bikes for 48 hours, free of charge! We also offer route maps, tips on bicycle maintenance and repairs, and helmet rentals.

Places to Visit
Nature Trails
The University of Toronto Mississauga is known for its lush nature trails that weave on and off campus, into Erindale Park and other surrounding areas. These trails are great for afternoon strolls and bike rides. Start at one of the many trail entrances, like the one on Principal’s Road, and see where it takes you!
Village of Streetsville

Bike to Streetsville and enjoy the variety of bakeries, coffee shops and restaurants.

Erindale Park

The largest park in Mississauga. Erindale Park features five picnic facility areas, five barbecues, six comfort stations, a playground area, a lookout on the old dam, and a toboggan hill. The park also offers walking trails, fishing, canoeing, and views of the Credit River and ravines. The park is ideal for bird watchers, photographers and those who enjoy nature. Don’t miss the annual salmon run in mid-September!

Another aspect of the park is the David J. Culham Trail, a pathway system through a heavily forested area that provides spectacular views of the Credit River and trail ravines. The trail is particularly breathtaking in autumn, but has a special brand of peace and beauty that manifests itself throughout the year. This trail is perfect for hikers, joggers, cyclists and cross-country skiers.

BLACKWOOD GALLERY
We are a contemporary art gallery that presents a variety of curated exhibitions and educational activities featuring the work of local, national and international professional artists.

Late Summer Exhibit

Curator: Julia Paoli and Christine Shaw
Blackwood Gallery, University of Toronto Mississauga (UTM)
June 22nd - September 18th, 2016

The Cage is a Stage is a multi-compositional project composed of two gallery exhibitions, a billboard, and a short performance at the Blackwood Gallery, an evening-length performance that premieres onstage at The Power Plant’s Harbourfront Centre Theatre, and a publication.

This house provides Forensic Science students with the unique opportunity to investigate simulated crime scenes in a realistic setting. Students learn through hands-on activities how to preserve, document and process the scene using appropriate equipment and procedures. The extensive outside areas around the house simulate outdoor crime scenes, such as clandestine burials and vehicle crime scenes. There are also open houses so non-forensic students can check it out too!

CENTRE FOR COMMUNITY PARTNERSHIPS
Your university experience is by no means limited to the boundaries of the campus. One of U of T's greatest assets is the location of its three campuses, within the dynamic and multicultural communities of Toronto, Mississauga and Scarborough. While in these communities, you are more than students, you are citizens of these neighbourhoods - whether permanent or temporary. We encourage you to engage thoroughly in the life of the city. We have opportunities for you to connect with your community outside the University of Toronto for one day, one week, one semester or for a full year.
