

Deadline for applications from students studying at Ontario high schools: January 30, 2016. Apply through www.ouac.on.ca

Admission Requirements

All program areas require:

- Ontario Secondary School Diploma or equivalent with six Grade 12 U/M subjects or equivalent including English. See www.uoft.me/utmadm for details.
- The admission average is calculated with English (ENG4U) plus the next best five courses. The University of Toronto reserves the right to give preference to students whose marks are the result of a single attempt at each course.

Note: Refer to the Canadian Secondary School Qualifications and Course Equivalents chart on the next page to see the course equivalents from your province or territory.

Bio = Biology	Ph = Physics
C = Calculus & Vectors	/ = or
Ch = Chemistry	, = and
F = Advanced Functions	rec. = recommended
Fr = French	S = Specialist program
Ita = Italian	Ma = Major program
M = Mathematics of Data Management	Mi = Minor program
Math = One of the Grade 12 U Maths	

Program of Admission

Students initially select an intended area of study during the application process, but are not officially admitted to their formal programs of study (Specialists, Majors and Minors) until after the completion of first year. Students may choose a different program or programs providing they meet all prerequisites in their second year and beyond.

PROGRAM	SUBJECT(S) REQUIRED IN ADDITION TO ENGLISH	PROGRAM TYPE			APPROX. GRADE REQUIRED‡
		S	Ma	Mi	
CHEMICAL AND PHYSICAL SCIENCES (BSc)					
Astronomical Sciences	F, Ph; (rec. C, Ch)	x			mid to high 70s

* U of T degree plus Sheridan College diploma earned.
 ** U of T degree plus Sheridan College certificate earned.
 *** Joint program with U of T Faculty of Information (iSchool)
 **** Application to Master's program after third year of study.
 † Listed jointly in Humanities and Visual Studies
 § Not direct entry from high school. At least two years of undergraduate study required before admission to the Master of Information.
 ‡ The "Approximate Grade Requirement" provided for each program indicates the admission average for that program in the previous academic year. This mark range will vary each year according to the number and quality of applicants. It is not a "cut-off point" or enrolment limit. It is a general guideline only.
