

April 29, 2011

Dear Colleague:

We are happy to forward to you the results of the 2011 National Italian High School Contest Examination. Upon receiving these results, please inform your students of their performance, inform your principal so that an announcement can be made over the intercom, send a congratulatory letter to the students' parents, and call the local newspaper so that a picture of the students can appear in the newspaper. You want the entire community to be informed of your terrific Italian program.

This year 130 schools from the following states participated: California, Connecticut, Illinois, Maryland, Massachusetts, Michigan, Mississippi, Nevada, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Texas, and 1 school from Canada. The number of students who participated is as following:

Level I - 1,325 Level II - 1,256 Level III - 1,158 Level IV – 954

On behalf of this association and the members of the AATI National Contest Examination Committee, we extend our warmest congratulations to all the students who distinguished themselves, to those who received National Honorable Mention, to everyone who participated, to you, and to the Italian faculty of your school.

The winners were selected from three categories: Level I (Categories A and B); Level II (Categories A and B); Level III (Categories A, B, and C); Level IV (Categories A, B, and C). **AS STATED ON THE ORDER FORM: Category B and C students have more experience in the language than Category A students and are expected to do better on the exam. For this reason, AATI will award prizes to Category B and C students ONLY if their scores are higher than the scores of students in Category A.**

Please note that all certificates, monetary awards, and a letter for the principal will be mailed to you to your school address. The principal of each school will be informed only of the top five winners in each category. It is your responsibility to inform him/her of students who have received National Honorable Mention as well as those students who were selected to receive the scholarship from the Società Onoraria Italiana.

Professor Carlo Sclafani, president of the **Società Onoraria Italiana**, has contributed \$1,200 to this contest. The AATI Test Development Committee considered all of your suggestions and decided to award more students who participate. Therefore, this year, twenty-four (24) students from the Honorable Mention List in each level will receive \$50 dollars each from Professor Carlo Sclafani. The twenty-four recipients were selected using a lottery system.

The recipients of the **Società Onoraria Italica** Scholarships are the following:
