

# CALL FOR PAPERS

FOR THE 10TH ANNUAL MEDUSA GRADUATE CONFERENCE  
ORGANIZED BY ANTHRO GRADUATE STUDENT UNION (AGSU)

APRIL 3RD–5TH • IN–PERSON & ONLINE

## FANTASY & EMPIRE

Medusa's 2023 conference theme is Fantasy and Empire. This theme reflects both long-standing trends in the history of the discipline of anthropology and how the current entanglements in the post-pandemic environment have reworked old and engendered new forms of imperialist fantasies along with a suspended dream of collective emancipation.

Submissions are open to all graduate students in anthropology and associated disciplines. For individual papers and posters, please submit your abstract in the submission form by Tuesday, March 7, 2023. For panel submissions, please submit a proposal as well as the abstracts for each paper on the panel (maximum 4 papers).

Please send any questions to [medusaconference@gmail.com](mailto:medusaconference@gmail.com)
