

UTM INTRAMURALS – MINI-FOOTGOLF

RULES AND REGULATIONS

All Mini Footgolf rules are set out by the UTM Intramurals Administration staff which are as follows:

NUMBER OF PLAYERS

- A round of mini-footgolf is played with 2 players per hole (1 vs 1)

OFFICIATING

- Each participant will be responsible for keeping their own score (scorecard & pen provided)

EQUIPMENT & UNIFORMS

- Cleats are permitted if desired
- All equipment will be provided by the Department (including soccer ball if needed)

START OF PLAY

- To determine who will kick first, the two participants will have a rock, paper, scissors contest. Best of 3 game for rock, paper & scissors

SCORING & PLAY

- To tee off, you may kick your ball from a position up to two yards behind the tee markers at the designated teeing area
- After the tee-off the player whose disc is farthest from the hole always kicks first. The player with the least amount of kicks on the previous hole is the first to tee-off on the next hole
- The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot.
- Wait to play your next shot until the ball has completely come to rest. It is not legal to stop the ball from rolling in the wind
- A score is determined by how many it kicks it takes to get the ball within the target

OUT OF BOUNDS

- Out of bounds is defined by the perimeter fence. If your ball goes OB, place the ball within 2 steps from where the ball crossed the fence, and receive a one-stroke penalty.

COVID-19 SPECIFIC RULES

- *All Mini-Footgolf events will follow strict COVID-19 Procedures in order to comply with the provincial and local health regulations*
- All participants must check in at the designated check-in station before the start of the course
- Participants must check in with a valid UCheck and their t-card at the beginning of the course
- Participants must be registered
- Once participants check in, players will be given equipment if required and able to start the course
- Equipment will be sanitized before and after use

- All participants are encouraged to sanitize their hands when they arrive
- During the course, participants may only touch their own station's equipment
- Participants are to have mask on-hand to use if physical distancing cannot be maintained
