 3 or 8 Day Week  4 or 9 Day Week

# CAMPS AT A GLANCE (Updated Jan 31, 2025)

## MINI ADVENTURE

Fun filled and educational days for young minds to develop independence and physical literacy skills. Emphasis of this camp will be on play-based learning around a weekly educational theme. Activities will include fun physical activities and arts & crafts geared toward the weekly theme, and one fun splash day at the end of the week! Note: There is no swimming offered in this camp program.

**Ages: 4 - 5 Years**

## MULTI - SPORT

Multi-Sport is the most popular program at Camp U of T Mississauga. Campers have a blast in Multi-Sport with a daily variety of sports instruction, fun co-operative games, tournaments & theme days. Registrations will be grouped by age category. Each category has curriculum tailored towards that specific age group based on developmentally appropriate activities. Recreational swimming is offered daily (with some exceptions) in this camp program.

**Ages: 6 - 7 Years, 8 - 9 Years, 10 - 11 Years, 12 - 14 Years**

## RACQUET

Led by seasoned tennis instructors, campers will learn basic racquet strokes, develop motor skills, and play mini-games. This camp will introduce campers to tennis, badminton, squash, table tennis, and pickleball. Recreational swimming is offered daily (with some exceptions) in this camp program. New for Summer 2025: There will be a 2-hour weekly skills clinic facilitated by an experienced Guest Athlete!

**Ages: 7 - 9 Years, 10 - 13 Years**

## SOCCER

Campers learn the fundamentals of soccer with a focus on ball control, shooting, passing, and team tactics such as attacking and defending. This is achieved through skill drills and structured scrimmage time. Please bring cleats and shin guards as well as water, a hat, sunscreen and a change of clothing. A majority of this camp will take place outdoors (weather permitting). Recreational swimming is offered daily (with some exceptions) in this camp program. New for Summer 2025: There will be a 2-hour weekly skills clinic facilitated by an experienced Guest Athlete!

**Ages: 7 - 9 Years, 10 - 13 Years**

## BASKETBALL

New to basketball or a seasoned baller, campers of all ability levels will improve with this fun and intensive week of basketball training. Campers work on the fundamentals of ball handling, passing, shooting and team tactics through drills and scrimmages. The focus is on skill development, fitness and fun! Recreational swimming is offered daily (with some exceptions) in this camp program. New for Summer 2025: There will be a 2-hour weekly skills clinic facilitated by an experienced Guest Athlete!

**Ages: 9 - 11 Years, 12 - 14 Years**

# CAMPS AT A GLANCE (Updated Jan 31, 2025)

## DANCE

Explore dance, music, costume and prop design. Campers will learn a variety of dance styles including hip-hop, jazz, and creative dance. On the final day of each week, campers will show off what they learned with a performance for parents & guardians. Information about the performance will be sent home in the parent information package. Recreational swimming is offered daily (with some exceptions) in this camp program. Note: There is no swimming offered for the younger camp program.

**Ages: 5 - 7 Years, 8 - 12 Years**

## LEADERSHIP (2 Weeks)

Take the first step in learning leadership through team-building exercises, sports lesson planning, teaching opportunities, and resume building. Our Leadership program gives young teens a taste of the responsibility that camp leaders take on every day. This camp includes classroom on-site team building activities, learning basic first aid skills, resume, cover letter & interview skills session, camp instructor shadowing and teaching opportunities to build their leadership skills, and more! Recreational swimming offered daily (with some exceptions) in this camp program.

**Ages: 14 - 16 Years**

## ACADEMIC CAMPS

## FORENSICS I

Discover the fascinating world of forensic science. Dust for fingerprints, collect and analyze clues, and see science through the eyes of a forensic scientist. This camp provides a unique combination of fun, hands-on activities and roleplay. There is also the opportunity to explore the physical part of being a police officer with several workouts and training exercises completed in each session. Recreational swimming is offered daily (with some exceptions) in this camp program.

**Ages: 9 - 11 Years**

## FORENSICS II

Participants will analyze a more complex crime and be introduced to more advanced methods of evidence collection and analysis. There will also be a fitness component as well as recreational swimming offered daily (with some exceptions) in this camp program. We prefer that children complete Forensics I before enrolling in Forensics II but it is not mandatory.

**Ages: 10 - 13 Years**

# CAMPS AT A GLANCE (Updated Jan 31, 2025)

## CLIMATE

This camp offers youth the opportunity to learn about the impacts of climate change and empower them to learn that they indeed have a voice in shaping the future of our planet. This camp is in partnership with the Institute of Management and Innovation (IMI), the climate and sustainability leaders at UTM. Campers will participate in a fun and interactive week that includes sustainable crafting, learning about natural and local systems, environmental justice, civic engagement, and more! This camp is primarily classroom based, and will also include physical activities, as well as recreational swimming offered daily (with some exceptions).

**Ages: 9 - 11 Years**

New!

## CLIMATE LEADERSHIP

NEW - Join us for an inspiring week of action, learning, and leadership at our Climate Leadership Camp! Designed for youth ages 14-16, this immersive camp empowers participants to explore the critical connections between personal responsibility, social justice, and climate action. Through hands-on activities, team challenges, and discussions with climate experts, campers will gain the tools to make a positive impact on the environment and their communities. Together, we'll cultivate the skills to be bold, informed leaders driving sustainable change for the future. This camp is primarily classroom based, and will also include physical activities, as well as recreational swimming offered daily (with some exceptions).

**Ages: 14 - 16 Years**

New!

## FRENCH

NEW - Experience a One-of-a-Kind French Immersion Camp! Join us for an unforgettable camp experience, where learning French is fun, interactive, and immersive! Our camp is led by passionate teacher candidates and graduate students specializing in Language Teaching, ensuring a rich and engaging environment. This inclusive program is open to all children ranging from beginners who want to start learning a new language, or children who already fluent in French. Campers will be placed in small groups based on their current language proficiency, allowing for personalized academic, cultural, and recreational activities tailored to their level. Through dynamic, hands-on workshops, children will develop their language skills while exploring French culture in exciting ways. Our program emphasizes creativity, curiosity, and essential life skills like leadership, communication, and teamwork. Campers will enjoy a balanced mix of cognitive challenges, outdoor adventures, as well as recreational swimming offered daily (with some exceptions)—ensuring both mind and body stay active! Give your child the gift of language and culture in a fun, supportive setting this Summer!

**Ages: 8 - 10 Years, 10 - 12 Years**

New!
