| HSC401H5F - Health and Science Communication Design  
This course presents the principles of health and science communication and examines the characteristics of effective audience-specific media design. Included are issues of learning context, target audience analysis, and effective information design in the development of tools that communicate concepts to the general public. Students will analyze existing media, conduct an information needs assessment with their target audience, and design a web-based interactive learning tool/website (HTML, CSS, and JavaScript) on a current health or science-related topic. (0.5 FCE)  
Prerequisites: HSC200H5 | 32 | 50 hrs | Sep 1, 2019 – Dec 31, 2019 | All normal duties related to the design and teaching of a university credit course, including preparation and delivery of course content; the development, administration and marking of assignments, tests and examinations; calculation and submission of grades; holding regular office hours; supervising TAs assigned to course. | Minimum MA, MSc or MScBMC in relevant area. Currency and mastery of subject area required. The decision on hiring will be based on previous teaching experience in this course or other similar courses, academic qualifications, ability, and suitability for the position. |
| HSC404H5S - Advanced Visual Media for Anthropological Data  
This course examines the visual representation of physical evidence in archaeology, and physical/biological anthropology. Photography, traditional illustration, and digital rendering are used to produce scientific graphics in support of published research. Through practical and analytical exercises students will gain an understanding of the media and techniques used to visually represent data. (0.5 FCE)  
Prerequisites: (ANT200H5, ANT201H5) / (ANT202H5, ANT203H5) / BIO152H5, HSC200H5 | 40 | 24 hrs | Jan 1 - Apr 30, 2020 | All normal duties related to the design and teaching of a university credit course, including preparation and delivery of course content; the development, administration and marking of assignments, tests and examinations; calculation and submission of grades; holding regular office hours; supervising TAs assigned to course. | Minimum MA, MSc or MScBMC in relevant area. Currency and mastery of subject area required. The decision on hiring will be based on previous teaching experience in this course or other similar courses, academic qualifications, ability, and suitability for the position. |
Salary (In accordance with the CUPE 3902 Unit 3 Collective Agreement):

Effective September 1, 2019 - Sessional Lecturer I - $16,646.40 (Y, full course) & $8,323.20 (H, half Course, 0.5 FCE); Sessional Lecturer I Long Term - $17,062.56 (Y, full course) & $8,531.28 (H, half Course, 0.5 FCE); Sessional Lecturer II - $17,478.72 (Y, full course) & $8,739.36 (H, half Course, 0.5 FCE); Sessional Lecturer III - $17,894.88 (Y, full course) & $8,947.44 (H, half Course, 0.5 FCE). All pay rates are inclusive of vacation pay.

Interested applicants: Please email your CV and CUPE3902 Unit 3 application form with “Unit 3 HSC Sessional Lecturer 2019-2020" in the subject line to amy.yeung@utoronto.ca by August 7, 2019.

This job is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

It is understood that some announcements of vacancies are tentative, pending final course determinations and enrolment. Should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.

Preference in hiring is given to qualified individuals advanced to the rank of Sessional Lecturer II or Sessional Lecturer III in accordance with Article 14:12 of the CUPE 3902 Unit 3 collective agreement.

Please note: Undergraduate or graduate students and postdoctoral fellows of the University of Toronto are covered by the CUPE 3902 Unit 1 collective agreement rather than the Unit 3 collective agreement, and should not apply for positions posted under the Unit 3 collective agreement.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
