Career Decision Profile (CDP)

The Career Decision Profile (CDP) is an assessment tool that gives you a career snapshot. It helps you assess:

- How decided you are about careers;
- What career decisions you've already made;
- What you would like to work on more;
- And it helps you identify any challenges or barriers you may be experiencing and how comfortable you are with your decision-making style.

The CDP should take you approximately 5-10 minutes to complete and your results will be available to you instantly.

Note: If you have completed a CDP 2 times, you won't be able to complete an additional one. If this is the case for you, please contact Goppikka at (rgop.utm@utoronto.ca) for assistance.

Please follow these steps to access the CDP:

- 1) Log in to the Career Learning Network (CLNx). Link: <https://clnx.utoronto.ca/home.htm>
- 2) When you log in, you will see a menu on your left hand side. From the menu please click on the following pathway to access the CDP: Resources → Student Resources → Overview → Career Resources → Campus-Specific Resources → Mississauga → Online Tools → Career Decision Profile
A Screenshot of the pathway is included on the next page.
- 3) Once you click on Career Decision Profile, you will see a landing page that has a button labelled "Take me to Career Decision Profile." Once you click this button, a new tab will open which will direct you to the CDP.
- 4) Once you are on the CDP page, you can begin to fill out the profile by clicking the "Start Now" button.
- 5) If you have any issues accessing the CDP, please email Goppikka (rgop.utm@utoronto.ca).
- 6) Once the CDP has been completed, please email your results to Goppikka (rgop.utm@utoronto.ca)

Disclosure: Thank you for taking the time to complete the Career Decision Profile (CDP). The Career Centre (CC) is dedicated to creating safe spaces for all students and recent graduates. As such, only CC staff directly involved in the Recent Graduate Opportunities (RGOP) will have access to your individual information and your personal information will not be shared with any person outside of this group of staff. Any external reporting will be done in aggregate. Should you have any further questions, please feel free to email the RGOP Team at rgop.utm@utoronto.ca.
