

## Step 3 B: Preparing for Direct Entry into the Workplace (Year 4+)

- Develop an action plan for my work search
- Identify opportunities through my contacts and research

### Develop an action plan:

- Attend [Now That I'm Graduating What's Next](#) to learn more about developing a job search plan and Career Centre services
- Work with [an employment strategist](#) to help you fill any gap in your plan

### Identify opportunities:

- Continue targeted networking with professionals in your field; let your contacts know you are actively job searching
- Use LinkedIn and other sources to learn more about your field; see the [Using LinkedIn](#) and [Labour Market Information](#) tipsheets to learn how to use these sources
- Attend [networking events](#) and the [Get Hired Fair](#) (September and January) to meet with professionals and employers
