After Breast Cancer
www.afterbreastcancer.ca

After Breast Cancer is a Canada wide charity dedicated to supporting and celebrating those affected by breast cancer.

Our Vision Is To Make A Difference… ONE Woman / ONE Survivor at A Time.

Our Mission Statement
After BREAST CANCER is a Canadian Charity with the following objectives:
To provide resources that contribute to a woman’s Quality of Life (QOL) after breast cancer.
To provide women with limited financial resources and NO insurance with mastectomy bras, mastectomy camisoles and breast prostheses at no cost to them after breast removal surgery (mastectomy or lumpectomy).
To identify underserved areas in breast cancer survivorship that lack resources and provide evidence based information that can facilitate informed decision making on issues related to breast cancer survivorship.

MarsQuest Inc.

Founded in June of 2016, MarsQuest was built from the ground up by three entrepreneurial-spirited co-founders in a modest Toronto head office and a manufacturing factory with over 16-year experiences supplying world-renowned eyewear clients including Luxottica, Rayban, MiuMiu, and Dolce & Gabbana.

Given the uniquely positioned expense and advantage, MarsQuest is devoted to bringing superior quality eyewear products at reasonable prices to our customers by lowering costs from manufacturing to distribution and also through the leverage of e-commerce.

Our mission: Empower your adventure. We want to encourage our customers to be confident and fearless, to step out and experience more, and to live a life they’re proud!

Our vision: We want to become the largest premium eyewear brand that brings sunglasses recognized for a distinctive blend of supreme manufacturing quality, on-trendy aesthetics, and affordable price.

Our values: We here at MarsQuest value the spirit of being adventurous, bold, and unconventional. Everything we do is a reflection of our ethos: from our team to our customers, vendors, and partners.

Safe City Mississauga's Aspire program is a no-cost, high quality, after-school tutoring program for children (K-6) provided in priority neighborhoods in Mississauga. Aspire students (K-6) are paired with a peer tutor/mentor (high-school or college/university student) who meet once a week after school to work on an area of academic need. By improving academic achievement and building peer relationships, Aspire helps students reach their full potential. Students who love school are less likely to drop out of school and to engage in criminal activities. Parents of Aspire not only reported improved academic grades and social skills but also reported having increased quality time with their children due to faster homework completion.

Tutor Doctor
http://www.tutordoctor.com/

Tutor Doctor is looking for positive and enthusiastic tutors to join our team and help our elementary and high school students!

WHO WE ARE:
Tutor Doctor provides one-to-one individualized instruction in the home. We work with students of all ages; whether the student is an elementary student with a learning disability or a teen requiring advanced instruction, our in-home tutoring services are customized to individual abilities and needs. The majority of students we support are in grades 1 through 12 and especially grades 7 through 12. Safety is assured as all homes are visited and vetted by Tutor Doctor prior to the start of tutoring.

ABOUT THIS POSITION:
We are seeking tutors who are knowledgeable and qualified in their field of study to help elementary and high school students in primarily Math, Science, English or French in a 1-on-1 setting. This is a part-time, contract position. We offer students based on tutor qualifications and subject/grade expertise, location and availability. Our tutors choose which students to accept and determine their own weekly schedule.

We offer an orientation, access to resources, and ongoing support.

THE TUTOR DOCTOR ADVANTAGE:
Our marketing and referral network provide a steady stream of available students.
Select your students and tutoring times to fit your ideal schedule.
Homes are always screened to ensure tutor safety.
Informed and prepared: receive a detailed profile for each student before tutoring starts.
Every family is committed to a tutoring program. You can expect a consistent schedule.
Clients pre-pay directly to Tutor Doctor and our simplified invoice system makes getting paid for your work quick, easy, and reliable.
We set our tutors up for success by providing high-quality resources and support.

www.vosnl.org

Visions of Science Network for Learning Inc. (VoSNL) is a charitable organization that aims to advance the educational achievements and career aspirations of youth from low-income and marginalized communities through meaningful engagement in science, technology, engineering and mathematics (STEM).

Our flagship program is a network of community-based STEM clubs across the Greater Toronto Area that provide year-long, hands-on opportunities for youth to explore science, technology, engineering and math. Each club is led by a team of dedicated post-secondary students who work as a team to deliver STEM workshops to a group of 15 youth (grades 3-8) enrolled in the program. STEM Clubs take place every Saturday from 11:00A.M. to 1:00P.M. in communities across the GTA (with the exception of holidays). Volunteers are placed in STEM Clubs according to preference and availability.

Please note that there is an application process for this role, including a mandatory screening interview.

What types of opportunities are you offering?

- Arts and Culture

About Yorktown Family Services
Yorktown Family Services is a vital community resource for thousands of children, youth, women and families in Toronto’s west end. We strive to empower individuals and families to enjoy healthy relationships and community life. We deliver our services through Yorktown Child and Family Centre and Yorktown Shelter for Women.

Our Mission
Yorktown Family Services uniquely combines a children’s mental health centre and a women’s shelter to strengthen and support children, youth, individuals and families to make positive change.

Youth Mentorship Program
The Youth Mentorship Program provides youth access to a consistent, caring adult (Mentor) who supports them in achieving goals and outcomes related to employment/entrepreneurship, educational achievement and/or civic engagement/leadership. It is our goal to support youth towards making healthy and safe life choices, increase their resiliency, and assist the progress towards identified goals.

The goal of the Youth Mentorship program is to create a new ways connecting meaning for youth by promoting the health and well-being of young people in their communities. It builds on youth experience and knowledge while providing opportunities for youth in becoming more resilient as they grow holistically and experience greater self-esteem.

Through mentoring young people in our community will have access to caring and supportive relationships that will allow them to realize their fullest potential and life goals in the areas of education, employment, entrepreneurship and civic engagement.
