Community Living Mississauga is a non-profit, charitable organization which provides support to more than 2300 individuals who have an intellectual disability and their families.

We are governed by a volunteer Board of Directors consisting of people we support, family members and concerned members of the community.

Our philosophy is that all people will live in a state of dignity and respect, share in all elements of living in a community which is welcoming, accepting and inclusive of all individuals. All people will have the freedom to make choices and decisions that enable them to achieve self-determination.

We believe that people who have an intellectual disability have a right to live in the community and to participate actively in community life.

Each individual, regardless of disability, should enjoy the full rights of citizenship and the full experience of membership in the community.

The Ontario Chamber of Commerce, an organization representing the economic interests of 60,000 businesses across Ontario, understands that one of the most pressing issues facing employers today is finding and retaining skilled talent. Yet, they also know that the unemployment rate among people who have a disability is higher than average. Through advocacy and communication with its members, the Chamber of Commerce has made a business case for hiring inclusively. Today, many businesses now understand that they can no longer afford to ignore roughly 15% of Ontario's talent pool, as well as the numerous benefits of hiring inclusively, and are actively looking to hire more people who self-identify as people with disabilities.

At Intact, insurance is not about things. It's about people.

From coast to coast, one in five Canadians count on Intact to protect what matters most to them. As the largest provider of property and casualty (P&C) insurance in Canada and a leading provider of specialty insurance in North America, they are steering the industry towards an exciting future.

Along with the advances Intact is making with insurance technology and digital tools, they're building partnerships that are defining: the future of transportation; how we use big data; how people interact with their homes, cars and environment; and how to be collaborative consumers within the sharing economy.

Above all, Intact is focused on providing a customer experience that is second-to-none. While their Claims teams are focused on getting customers back on track after a loss, teams like the intact lab are busy leveraging modern technology and machine-learning (A.I.) to transform the customer experience.

Shanghai Overseas Education Exchange Centre (SOEEC)

| Table 61

http://www.soeec.org

Shanghai Overseas Education Exchange Centre (SOEEC) offers a unique opportunity that allows you to explore Shanghai while you work and travel. SOEEC was established for the purpose of integrating foreigners who are living or looking to live in Shanghai. Over the years, this mission has expanded to introducing educational personnel into Shanghai. SOEEC aims to promote the exchange of knowledge between Canadian and Chinese educational institutions and personnel in addition to furthering the establishment of educational initiatives within China. This program serves to further the understanding and cooperation between Shanghai and aboard. This is an Overseas Educational Exchange Program that works in collaboration with Shanghai International Culture Association (SICA) - a municipal-level people's organization that conducts non-governmental international cultural exchanges.
