Dear Sir/Madam,

Please accept this application for the position of Software Developer. I believe my education at U of T Mississauga and experience make me the ideal excellent candidate for this position.

I have gained programming experience while completing courses in University including debugging and testing. I work hard in University to get good grades and I'm a good team player.

My computer experience includes working at Financial Models Company and at UTM where I developed websites and helped users. I also have customer service experience at the GAP

Thank you for considering me for the position of Software Developer. I am excited about the opportunity to be part of your company am looking forward to the opportunity to further discuss my qualifications at your convenience.

Sincerely,

Robert Wood
