Email(s):

Approved by Chair/Director: Yes / No

Requested Amount:

### Project Description

Please provide a clear description of the proposed experiential learning (EL) opportunity, the method of delivery, the existing course in which it will be offered, and how many students are expected to participate. If the project includes the participation of community partners, please specify the anticipated partners and how they will be incorporated.

### Learning Outcomes

Please list the EL outcomes for the proposed project and their relationship to the [Ministry of Colleges and Universities' Guiding Principles for Experiential Learning](#) and existing course learning outcomes. Please provide a brief rationale explaining how the EL outcomes will be met.

### Student Assessment

Please provide an outline of how student performance in the EL opportunity will be measured and assessed. Please include the amount of time dedicated to self-assessment (<http://c21.mcnrc.org/category/pedagogy-practices/reflective-pedagogy-practices/>) and reflective practice (<https://experientiallearning.utoronto.ca/faculty-staff/#competency-development>). If a community partner

plays a significant role in student evaluation, please provide an overview of how this contribution will be factored into the student grade.

**Sustainability**

Please provide an outline for the sustainable, long-term delivery of the EL opportunity to students after the end of grant funding.

**Accessibility & Inclusion**

Please explain how the EL project will support UTM's commitment to accessibility, inclusivity, and diversity.

**UTM Resources**

Does the EL project require support from other units on campus, such as Information & Instructional Technology Services (I&ITS), Experiential Education Unit (Office of the Vice-Principal Academic & Dean) and the Robert Gillespie Academic Skills Centre (RGASC)? Please describe any consultations held thus far with these units to help facilitate this project.

**Budget and Justification**

Please explain how the requested funds will be used. Be sure to include an itemized budget and accompanying justification. Please note that a maximum of \$2,500 can be requested per project.
