Statement of Acknowledgement of Traditional Land
We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.
Principal’s Welcome

Today offers an excellent opportunity for you to ask questions about our programs, campus, unique learning experiences, the admissions process, and anything else you are curious to know about as you explore the unparalleled opportunities that await you at the University of Toronto Mississauga.

Please take the time to speak with our students and staff. You will quickly develop a sense of our vibrant student experience and our sense of community. Enjoy the ambiance of one of the most attractive university campuses in Ontario while touring our award winning buildings. It will not take long to discover how this rich environment offers an outstanding starting point of your lifelong journey of learning and growth.

Along with current high-achieving UTM students, I am hosting a special Principal’s Reception for future students in the North Building from 12:00pm – 2:00pm. We invite you to attend and look forward to meeting you and discussing your interests and your future at UTM.

Ulli Krull
Principal, University of Toronto Mississauga
Vice-President, University of Toronto

Your application is in. What’s next?

We typically send offers of admission between February and May. Your application status can be found on the Join U of T portal: join.utoronto.ca. If you haven’t received an admission decision yet, don’t worry! Check your application status through Join U of T to make sure that your application is complete. If it is, you’ll have an application decision by the end of May.

Interested in staying in residence? Today is the deadline to indicate your interest on the MyRes portal at myres.utoronto.ca to qualify for the First-year Residence Guarantee. If you haven’t applied yet, be sure to do so as soon as you get home!

Received an offer? Congratulations! Take a look at the “Admitted Students” section on the back of this program!

#myUTM Student Stories Exhibition

11:00am – 4:00pm | CCT Building
14,000 students call us home. Visit the CCT Building to read the unique stories shared by our students through #myUTM!
Questions to ask today
Here are some example questions you can ask our students, faculty, and staff at the event!

**AT THE PROGRAM FAIRS**
- What courses will I take in my first year?
- What are class sizes like?
- Can I take any electives, or can I only take courses in my program?
- How do I know which courses I need to take for the program I am interested in?
- How many courses do I need to take in first year?
- What internship/research/job opportunities does your department offer?
- What advice would you give a student who wants to study in your program?
- For joint programs, when do I go to Sheridan College? How many courses will I take there?
- What kinds of opportunities/extra-curriculars does my program offer?

**ON YOUR CAMPUS TOUR**
- How long does it take to walk from one side of the campus to the other?
- How many students are on this campus?
- What’s your favourite spot on campus and why?
- Can I ask the professor for help if I have questions? Are they easy to talk to?
- Is there a specific building for each department/program?
- What are some fun things to do on campus or around Mississauga?

**AT THE STUDENT SUPPORT FAIR**
- How does your service support my education?
- What resources are available through your service?
- What are some ways to get involved on campus?
- What is the Co-Curricular Record (CCR)? What CCR opportunities does your service offer?
- What kind of academic support is available to me?
- Do I have to purchase a membership to use the gym?
- What sports teams do we have and how do I join them?
- What fitness classes are available?
- How can I use the pool on campus?
- What health & counselling services are available?
- What kinds of insurance coverage do I receive?
- How can I join clubs on campus? Where can I find more information about them?
- What is a TCard? What can I do with it?

**ON YOUR RESIDENCE TOUR**
- Do I get to pick the style of room where I will be placed?
- How are roommates assigned?
- What opportunities are available to get involved and meet new people?
- What if I don’t get along with my roommates?
- When is the deadline to apply to ensure I am guaranteed a spot in residence?
- Do I have to select a meal plan?

**#myUTM Student Panel**
2:00pm | KN 137

At today’s #myUTM Student Panel, you’ll hear fourth-year students talk about their programs and experiences at UTM, and answer any questions you have about being a student at UTM! Here are some examples of what our students have to say:

"UTM has a wide variety of experiential learning opportunities for me to pursue my passions and interests, and apply theories I learn in lectures to real world situations. I am an actively involved in various extracurricular opportunities: executive member in student clubs, volunteering and gaining part-time employment with different departments on campus. From this, I was able to propose and eventually develop work towards creating start-ups and health initiatives through my Biomedical Communications and Biology courses." – Aleesha | 4th year, Biology, Biomedical Communications, and Anthropology

"Two of the things that I love about UTM are the opportunities to be involved and the people who helped me to where I am now. My program and the opportunities that came with it helped me shaped the beginnings of my career. I gained friends who I studied late nights with, who helped me with notes and assignments—they are the same people who are graduating with me and going to be working in the same industry as me. I have had mentors who also guided me along the way. If I could tell a couple of things to my first-year self, I would tell her to work hard and don’t be afraid to network." – Juriza | 4th year, Accounting and Economics
Getting Around Campus

Throughout this program, you’ll find coloured dots that correspond to the building colours found on this page. While you’re out looking for your next session, you’ll also find corresponding coloured flags outside of each building!

If you need directions, visit an AskMe booth or the table of the department offering the presentation/tour.

Tip: It takes five minutes or less to travel from one building to another!

Admitted Students

Once you’ve received an offer of admission, here are the four most important steps for you to take!

1. **ACCEPT YOUR OFFER**
   Your offer will specify your specific deadline to accept your offer on OUAC, don’t miss it! International students are also required to pay the $1,000 CAD Admissions Deposit when accepting.
   
   visit.utoronto.ca

2. **NEW STUDENTS WEBSITE**
   The New Students website offers you a comprehensive guide outlining all of the necessary steps to prepare you for a successful start to your university experience. Learn about course enrolment, fees, orientation, and more!
   
   uof.me/new2utm

3. **APPLY FOR RESIDENCE**
   If you’re interested in living on campus, be sure to indicate your interest on the MyRes portal by March 31st (that’s today!) to ensure that you are guaranteed residence, provided that you are a full-time first-year student entering university for the first time and have been admitted by June 3rd.
   
   myres.utoronto.ca

4. **CLASS OF 2023 FACEBOOK GROUP**
   Join the Official UTM Class of 2023 Facebook group to meet other first years, ask questions directly to our staff and other students, launch new groups, and build your network before your first class.
   
   facebook.com/groups/utmclassof2023

What else is coming up?

**COURSE ENROLMENT**

All incoming first-year UTM students register for courses on Thursday, July 4, 2019. If you have transfer credits from previous institutions, your course enrolment date may be earlier. Visit our Program Fairs today to learn about the courses you’ll be taking in your first year!

**TUITION PAYMENT**

After you register for courses, your tuition invoice and payment instructions will become available for you to access in mid-July.

**WEBINARS**

Over the next few months, we’ll be hosting many online webinars to get you acquainted with the many people, services, and opportunities available to you during your transition to university. www.utm.utoronto.ca/future
