

## Non-Degree Senior Citizen Student Admission Information

Canadian Citizens or Permanent Residents of Canada who are at least 65 years of age by the first day of the term may register at UofT Mississauga as **Non-Degree Senior Citizen Students**. Proof of age will be required to support your application. You may provide as proof of being 65 years or older a copy of your birth certificate, or driver's license, or any Senior Citizen privilege card – federal or provincial. Our Senior Students do not have to meet the academic requirements for admissions, though some courses may have prerequisites\* needed from high school.

Senior Citizen Students at U of T Mississauga may only enrol in courses on the U of T Mississauga campus. If you wish to pursue a University of Toronto degree, contact Student Recruitment & Admissions at 905-828-5400. Approval as a **Non-Degree Senior Citizen Student** is not the equivalent of university admission, nor does it imply future acceptance as either a degree student, or a non-degree student at U of T.

All registrations are on a first-come, first-served basis for qualified students. Acceptance of your application does not guarantee you a spot in your preferred course(s).

**\*Please note:** If you are planning to take first year Mathematics (ie: MAT135Y5, MAT102H5), Chemistry (CHM110H5, CHM120H5), Biology (BIO152H5, BIO153H5) or Physics (PHY136H5, PHY137H5) courses you will need to provide us with an unofficial copy of your high school transcript. In some cases, a 70% grade is required in those high school pre-requisites. Please be sure to review pre-requisites in the online [Course Timetable](#) or the [Academic Calendar](#).

### Non-Degree Senior Citizen Students

Students admitted to the University of Toronto Mississauga through admission as a Senior Citizen are admitted as non-degree (i.e. completing degree-level courses, but not towards a degree). However, after satisfactory progress in four credits, a Senior Citizen may request to be admitted as a degree student (working towards a degree). In this event, courses passed as a non-degree student will be accredited towards the degree. At that same time, any degree courses done at other universities will be assessed for possible transfer credit at the University of Toronto.

While newly admitted Senior Citizens are considered non-degree students, they are governed by the same rules and regulations pertaining to degree students. These include the necessity of submitting essays and assignments and writing examinations as required in each course. Students should familiarize themselves with the University of Toronto Mississauga Academic Calendar.

Senior Citizen students must pay tuition fees, but may be eligible for an exemption from compulsory non-academic incidental fees. Note: If you wish to use the services, facilities, and resources covered by the University of Toronto Mississauga incidental/ancillary fees, payment of these fees will be required.

The policy governing Non-degree Students is the Governing Council policy Association, Admission and Registration.
