

APPLICATION FORM

GGR379H5: Field Methods in Physical Geography

All students wishing to take this course are required to e-mail their completed application to the instructor - Prof. Trevor Porter (trevor.porter@utoronto.ca) - before the deadline listed on the GGR379 website (see [HERE](#)). The instructor will review your application to determine your eligibility (confirm prerequisites have been met) and communicate a final decision on your enrollment status (i.e., approve or refuse) within two weeks of the application deadline.
