

Position Title: Data Analyst
Location: 4080 Confederation Parkway, Suite 202, Mississauga L5B 0G1
Employment Type: Internship
Term: January – April

Introduction

SustainMobility is a non-profit social enterprise. We work with leading communities and organizations across Ontario to deliver transformative programming that inspires residents and employees to live more active and healthier lifestyles. Specifically, our services and programming are focused on the intersection of health and mobility options. Our goal is to encourage behaviour change that reduces society's transportation footprint, inspires daily physical activity, improves air quality and eases traffic congestion.

Description of Position
