1. Check-In

2. Parking

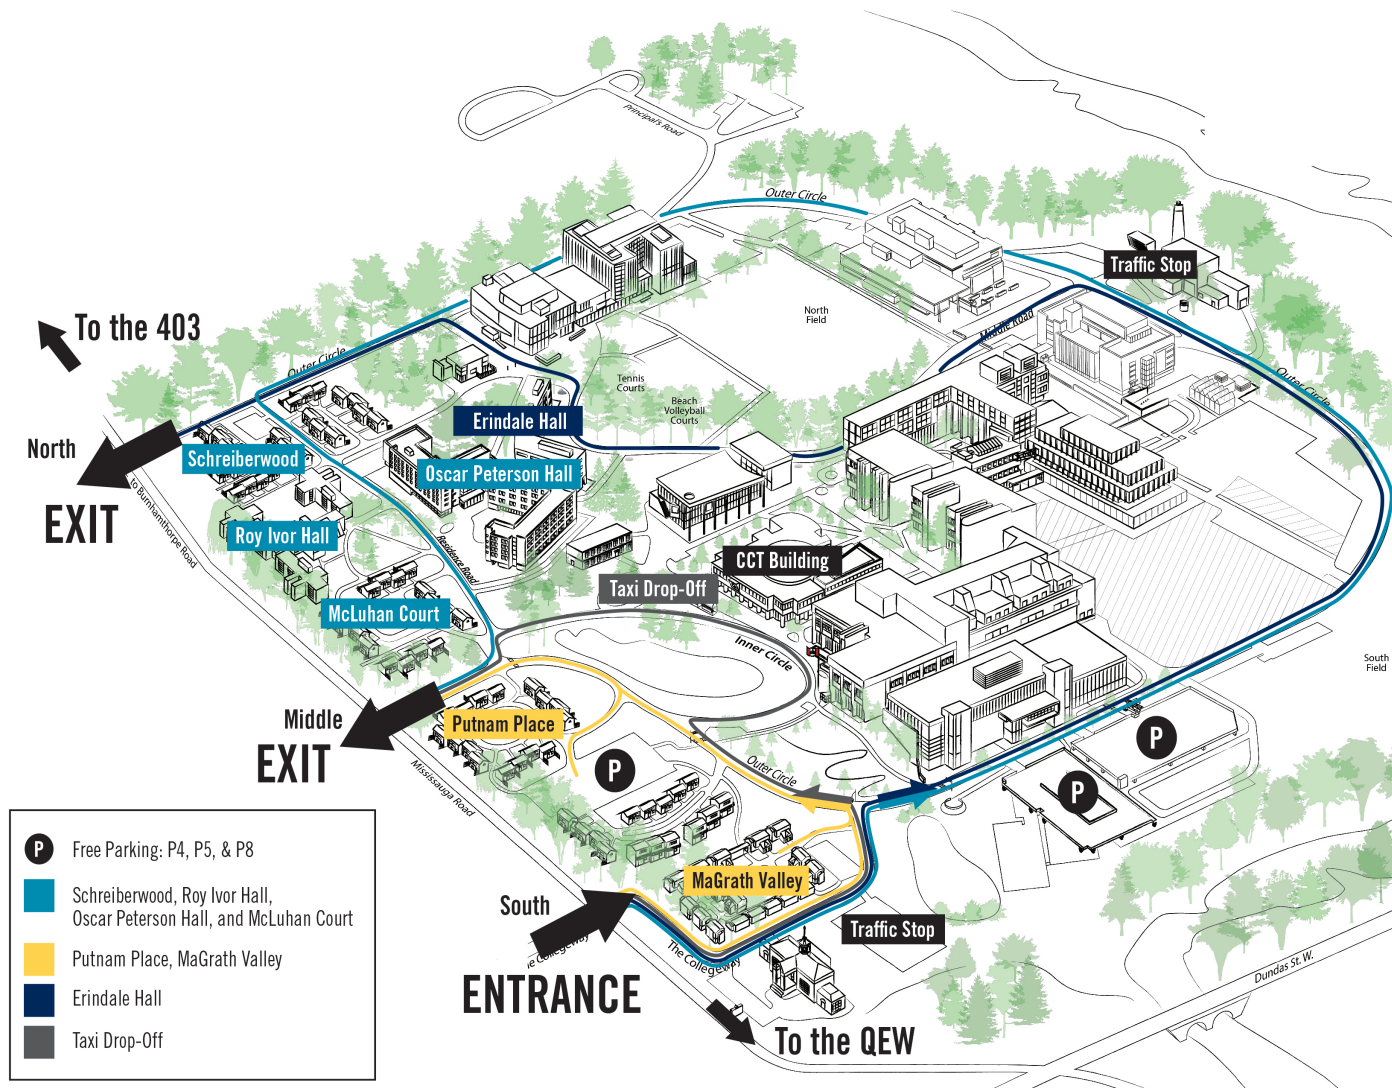

If you wish to park, please head to designated parking lots to do so. Please only park in the designated lots as those are reserved for move-in day guests.

3. Pick-up your T-Card!

Students will be able to pick up T-Cards on move-in day. The I&ITS Service Desk will be open in the CCT Building. You can head there if there are any issues with your T-Card.

5. Join in the fun!

Head to uoft.me/welcomehome to learn more about all the orientation. Make sure to take a look at our schedule and join any events happening that day! Please note that community gatherings will begin at 6:30 pm and they have mandatory attendance.

Directions to Residence

Everyone will be entering from the South Entrance. Other entrances will be blocked during the day. Residence will be a designated one way road north bound for Move-In Day on September 3rd.

Vehicles are to drive around campus towards their designated residence area. Once you have arrived at your new home, please wait until a Student Housing & Residence Life staff member greets you at your car and gives you further instructions. It is important to remain in your vehicle for the safety of our community. Students will be able to check into residence from inside their car and a staff member will assist in unloading your belongings.

Once your car is unloaded, guests will be immediately asked to park their car in the designated parking lots. If you become lost, look for UTM Residence directional signs, or staff wearing blue shirts.

Please note there is construction happening on campus.
