JOB DESCRIPTION & QUALIFICATIONS

Working in collaboration with the Supervising Coordinator, the Residence Sustainability Initiative Assistant will be responsible for overseeing the Residence Garden and recruiting a team of volunteers to support its care. Some physical work will be involved on an ongoing basis including cleaning up garden beds, planting, watering, and weeding. The Residence Sustainability Initiative Assistant will also oversee the development of various programming initiatives that embrace our residence communities’ desire to make a positive impact on the environment and sustainability in residence. The responsibilities within this role are fundamental to the successful execution of the Residence Sustainability Initiative committee’s goals which are: to tackle topics of sustainability and how we can apply this knowledge within residence; and to explore pressing environmental issues through thoughtful discussion – relating them to what students in residence can do to support positive change. With a focus on project management, this position is ideal for any student with a vested interest in environmental education, sustainable horticulture, and addressing our impact on the natural world.

Interested and qualified candidates will be able to submit applications between January 16, 2023 and February 3, 2023. Please visit the Student Housing & Residence Life website for more details!

Deadline for all Summer Staff applications is Friday, February 3, 2023 at 12:00 PM (NOON).

Additional Notes:
- Any offers of employment will be conditional upon the approval of this position for the 2023 Summer work study program.

Vaccine Requirement:
