

Putnam Place Fire & Safety Information

If you require Special Assistance during a fire alarm or emergency evacuation, please complete the form found in the following link: <https://www.utm.utoronto.ca/housing/form/utm-special-assistance-emergency>

The form is voluntary and the information provided is confidential and will only be used in the event of an emergency.

Upon discovery of a fire:

1. Leave the fire area.
2. Close all doors behind you.
3. Leave via the nearest exit.
4. Call the Fire Department (dial 9-1-1) from a safe place.
5. Do not return until the Fire Official has declared the situation safe.

If you become trapped in an area/unable to leave an area:

If you cannot leave your area or have to return to it because of heavy smoke or fire, remain in your area and:

1. Close the door.
2. Unlock the door in the event Fire Fighters may need to enter your area.
3. Seal all cracks where smoke may get in by using wet towels or sheets (eg. under the door, air conditioning and heating vents).
4. If you require assistance for evacuation, dial 9-1-1 (if a phone is available) and tell the Fire Department where you are. Signal to the Fire Fighters by waving from a window (if available).
5. Crouch low to the floor if smoke comes into the room.
6. Move to the most protected part of the room.
7. Remain calm and wait to be restored.
