Online Courses
Tips & Tricks

PALs: Kunal, Yash, Lia
Lia’s Tips & Tricks

- Follow timeline of a regular school schedule as much as possible
  - Get in the right headspace: get ready, clear out clutter, organize

- Commit 50 minutes to course/lecture material and take 10 minute break
  - Take notes as you would normally

- Practice using timer for online tests (next week’s workshop)
  - Have a clock or timer set up in your workspace
Kunal’s Tips and Tricks

- Take advantage of your classes being online.
  - Rewind, pause and replay.
- Use online calendars for reminders for assignments, tests and deadlines.
  - Since you will be spending most of your time on your laptops now, it is best to make use of the technology.
  - Google calendar
- If your professor is doing a live class, make sure to still ask questions.
  - Asking questions by commenting or live messaging rather than speaking.
  - Use the hand raise feature in Zoom or BB collaborate.
Yash’s Tips and Tricks

● There will be A LOT of emails sent out
  ○ Don’t be afraid to send a follow-up email to clarify things
COVID-19 CR/NCR Policy Changes

- CR/NCR 2020 Winter Semester courses
  - Applies to program requirements as well
- Does NOT affect your 2.0 CR/NCR credit limit
- Application comes out on March 27th (tomorrow)
- Last day to declare CR/NCR: April 22nd

- University staff can still see your mark
  - Used for considering program entry
- You still need to achieve the minimum grade requirement
