Move-In Schedule

Pre-Arrival Checklist:
- Move-In Map for your community
- Student Number
- Government-Issued Photo ID
- Citizenship Documents
- Completed Vaccination Process

1. Health Screening Station
Before reaching your residence area, all guests and students will start at a Health Screening Station.

2. Check-In
Once you have reached your residence area, please wait in your car until a staff member gives you further instructions. You will then start the check-in process and receive your keys and welcome kit. A staff member will assist you in unloading your car and moving belongings into your room. We recommend parents, families, and guests to say goodbye to students at their car.

3. Parking
If you wish to park, please head to designated parking lots to do so. Please only park in the designated lots as those are reserved for move-in day guests.

4. Pick-up your T-Card!
Students will be able to pick up T-Cards on move-in day. Please head to OPH to receive yours!

5. Join in the fun!
Head to uoft.me/welcomehome to watch all of our on-demand Welcome Home content. Make sure to take a look at our orientation schedule and join any events happening that day! Please note that only LLC Community Gatherings will begin at 6:00pm and have mandatory attendance. Check out the Orientation schedule to know when your community gathering will take place.

Directions to Residence
Enter the entrance designated for your area. If you are moving into Roy Ivor Hall, Schreiberwood, or Oscar Peterson Hall you will enter the North Entrance. If you are moving into Putnam Place or MaGrath Valley, you will enter the Middle Entrance. Vehicles that enter the incorrect entrance will be re-routed to follow the correct entrance. Residence will be a designated one way road south bound for Move-In Day on September 3rd.

Vehicles are to drive around campus towards their designated residence area. You will be stopped for a health screening station before reaching your check-in stop. Once you have arrived at your new home, please wait until a Student Housing & Residence Life staff member greets you at your car and gives you further instructions. It is important to remain in your vehicle for the safety of our community. Students will be able to check into residence inside their car and a staff member will assist in unloading your belongings.

Once your car is unloaded, we encourage guests to say goodbye to students at their vehicle as we would like to limit the amount of guests in our buildings. If you wish to park, please head to a temporary “free” parking zone. If you become lost, look for UTM blue or yellow ‘Residence Move-In Day’ directional signs, or staff wearing blue shirts. Please note there is construction happening on campus. Please avoid the South Entrance unless you are parking or leaving.
What To Expect

#WelcomeHome
Orientation is your chance to get to know your new home, neighbours and residence community, including Residence Student Staff who are here to support you throughout the year. This year orientation takes place Sept 4th - 12th. Check out the schedule in your bedroom or online at uoft.me/welcomehome.

Safety Pre-Cautions
The safety of our community is our number one priority so you should expect to see these safety measures in place on move-in day:

- Available move-in carts will be sanitized after each use
- Students and guests are to maintain 2 meter or 6-feet physical distancing as much as possible
- All personnel will wear personal protective gear including masks
- Buildings will have one-way foot traffic

The University of Toronto has implemented a measure that calls for non-medical masks and face coverings to be worn inside buildings. All guests and students will be required to arrive at move-in day with a cloth mask or face covering to be worn.

Parent & Guardian Session
Parents and Family members, we recognize that this is a transition for you as well! To help you be the best support for your student, you are invited to participate in our virtual Parent and Family Orientation (beginning August 19th). To receive updates and access to this online event, register here for UTM Parent and Family communication: uoft.me/pfo
