

UNIVERSITY OF  
**TORONTO**  
MISSISSAUGA

**Position: Residence Sustainability Initiative Assistant**  
**Department: UTM Student Housing & Residence Life**  
**Reports to: Residence Education Coordinator**

**Hours:** 7-9 hours/week (100 hours)

**Compensation:** \$15.00 per hour

**Position Start Date:** May 3, 2021

**Position End Date:** August 6, 2021

**Eligibility:** Domestic and international undergraduate and graduate degree students enrolled in at least .5 credits in either of the summer session. Students are permitted to accept only one work study position per program period. Students do not have to be OSAP eligible to apply for work study positions.

### **JOB DESCRIPTION & QUALIFICATIONS**

Working in collaboration with the Residence Education Coordinator, the Residence Sustainability Initiative Assistant will oversee the development of various programming initiatives that embrace our residence communities' desire to make a positive impact on the environment and sustainability in residence. The responsibilities within this role are fundamental to the successful execution of the committee's goals which are: to tackle topics of sustainability and how we can apply this knowledge within residence; and to explore pressing environmental issues through thoughtful discussion – relating them to what students in residence can do to support positive change. With a focus on project management and facilitating and presenting, this position is ideal for any student with a vested interest in environmental education, sustainable horticulture, and addressing our impact on the natural world.

### **METHOD OF APPLICATION:**

Submit your resume and cover letter via email to Kim Cuzzo at [k.cuzzo@utoronto.ca](mailto:k.cuzzo@utoronto.ca) (Subject: 2021 Summer Work Study Application – Name) OR in a sealed envelope at the Residence Services Desk, in Oscar Peterson Hall Friday, April 9, 2021 before 5:00 p.m.

Any offers of employment will be conditional upon the approval of this position for the 2021 Summer work study program.
