

This position is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

The Master of Forensic Accounting Program is a 10-course program offered at the graduate level, primarily on a distance education basis, using a problem-based learning model supplemented by web- and email-based sessions. The Program currently has the following **Sessional Instructional Assistant (SIA)** position available for the Fall term and invites applications from suitably qualified candidates who are not current University of Toronto students. No late applications can be considered.

Posting date: July 4, 2025

Closing date: July 24, 2025

Course title: IFA1905H- Fraud Prevention, Risk Assessment & Investigation, Data Analytics & Security (IFA1905H)

of Positions: 2 (SIAs)

Dates of appointment: November 11, 2025 – January 20, 2026

Description of Duties: Marking assignments and the examination in accordance with the marking guide developed in conjunction with the Instructor, and in accordance with the grading policies of the University of Toronto; consultation with the Director and Instructor as required.

Est. Total Required Hours: 25-30 hours per SIA

Rate of Pay: \$55.44 per hour

Enrolment: 20-25 students

Description of course: The first half of the course will be devoted to an examination of the use of computers for data analysis and analytics in forensic matters, as well as their use in cybercrime, and how computer systems security can be protected and maintained. Understanding and the roles required of a forensic accountant in these matters will be considered.

Using the internationally accepted COSO framework, the second half of the course will provide a continuation of the examination of fraud and its investigation, as well as rubrics for the assessment of fraud, fraud risk, and approaches to fraud prevention.

Minimum qualifications: Professional Accounting Designation and Investigative & Forensic Accounting Experience preferred.
