This position is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

Faculty/Division: Institute for Management and Innovation

Campus: Mississauga

Posting date: October 25, 2019

Closing date: November 15, 2019

Course number and title: IMI 400H5S Innovation and Entrepreneurship

Course Description: In this course students will analyze business cases, read academic studies, and interact with guest lecturers to gain familiarity with the major challenges that entrepreneurs encounter in successfully bringing innovations to market. Topics to be addressed include market and industry analysis, managing value chains, competing and positioning in the marketplace, negotiating for and obtaining financial resources, defining a business model, writing a business plan, and growth and exit strategies.

In addition to more “traditional” lectures, there will be a number of guest lectures, especially in the second half of the course, provided from practitioners in different areas of interest, including current entrepreneurs, technologists, early-stage investors, and IP lawyers.

Number of positions: One (1) position

Estimated course enrolment: 45 Students

Class schedule: 1 (2 hour block weekly Wednesdays 13:00-15:00)

Sessional dates of appointment: January 1, 2020 – April 30, 2020

Salary: The salary rates for a half course (HCE), inclusive of vacation pay, are: Sessional Lecturer 1 - $8,323.20; Sessional Lecturer 1 Long Term - $8,531.28; and Sessional Lecturer 2 - $8,739.36. Should rates stipulated in the Collective Agreement vary from rates stated in this posting, the rates stated in the Collective Agreement shall prevail.

Qualifications: Preferred qualifications are an advanced degree (Master’s or Doctorate) in a relevant discipline (completed), or for non-University of Toronto graduate students, in progress, or relevant qualifications, professional designation or professional experience; an MBA is highly preferable. We are seeking previous experience in teaching, teaching excellence, and mastery of subject area. Previous experience in teaching a similar course is highly desirable.

Description of duties: All normal duties related to the design and teaching of a university credit course, including preparation and delivery of course content, development, administration and marking of assignments, tests and exams, calculation and submission of grades, holding regular office hours and maintaining reasonable availability for student contact. Liaise with Director of MBiotech and other IMI faculty in development and delivery of course.

Application Procedure: Applicants should submit:

- Curriculum Vitae
- A Unit 3 application form available online at http://forms.hrandequity.utoronto.ca/wp-content/uploads/sites/26/2016/04/Employment-CUPE-3902-Unit-3-Application-Form-June-2012b.pdf
