This position is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

The Master of Forensic Accounting Program is a 10-course program offered at the graduate level, primarily on a distance education basis, using a problem-based learning model supplemented by web- and email-based sessions. The Program currently has the following Sessional Lecturer position available for the spring term and invites applications from suitably qualified candidates who are not current University of Toronto students. No late applications can be considered.

Posting date: January 21, 2019

Closing date: February 8, 2019

Course title: Fraud Accounting Professional & Practice Issues (IFA 1901H)
# of Positions: 1 (Instructor)

Class schedule: Online sessions will typically be scheduled on Wednesday from 19:00-22:00 EST/EDT

Dates of appointment: March 1, 2019 – May 22, 2019

Description of course:

Earlier courses have provided foundational material about what a forensic accountant does. IFA 1901H examines the conduct required of a forensic accountant for a successful professional career. Important topics and cases covered the cycle of an IFA engagement, including: the role of and expectations for forensic accountants; professional ethics, dealing with clients – engagement definition, conflicts, planning; dealing with staff – scope of work, supervision, collection and analysis of evidence, file documentation, use of email, drafts; report types, content considerations, and preparation, litigation privilege, privacy; expert witness and similar roles.

IFA 1901H will be taught online in 8 once-per-week, interactive sessions, 3 hours in length, followed by an invigilated examination in the 9th week. There will also be an individual assignment and a group assignment.

Position description:

Instructor
