This position is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

The Master of Forensic Accounting Program is a 10-course program offered at the graduate level, primarily on a distance education basis, using a problem-based learning model supplemented by web- and email-based sessions. The Program currently has the following Sessional Lecturer position available for the Spring/Summer term and invites applications from suitably qualified candidates who are not current University of Toronto students. No late applications can be considered.

Posting date: January 21, 2019

Closing date: February 8, 2019

Course title: Legal & Legal Process Issues for Forensic Accountants (IFA 1907H)

# of Positions: 1 (Instructor)

Class schedule: Online sessions will typically be scheduled on Wednesday from 19:00-22:00 EST/EDT

Dates of appointment: May 08, 2019 – August 15, 2019

Description of course:

Forensic accountants are called upon to investigate possible breaches of contracts, laws, or regulations, and to prepare reports that could be actionable in court, if necessary. IFA 1907H will review relevant laws and court related procedures to prepare the forensic accountant to fulfil their duties without offering legal expertise. Specific topics that will be covered will include: employment or labour law; family law; electronic commerce and intellectual property law; rules of civil procedure, trial and alternative dispute resolution processes; remedies and measures of damages, fraudulent conveyances, and assignments; criminal law and procedure; and administrative law. In addition, a review of corporate governance, and the duties and rights of boards of directors, majority and minority shareholders and others, will be provided.

IFA 1907H will be taught online in 8 once-per-week, interactive sessions, 3 hours in length, followed by an invigilated examination in the 9th week. There will also be an individual assignment and a group assignment.

Position description:

Instructor

As the Instructors in the course, you will be responsible for liaising with the MFAcc Director and/or his nominee when required. New program development as per the requirements of the curriculum mapping. Marking assignments and the examination in accordance with the marking guide developed in conjunction with the Instructor, and in accordance with the grading policies of the University of Toronto. Providing feedback to the Director and/or his nominee, and other Instructors for each assignment. Providing a final marks list to the Director and the Instructors within two weeks of the final examination.
Meeting with students on-line for three hours per week for 8 weeks using the Program’s Quercus system.
Answering emails from students on a short-delay basis at other times during the week, as required.
Providing feedback to students on assignments through the MFAcc Office within two weeks and in
accordance with the standards set for the MFAcc Program. Consultation with the Director and other
Instructors when appropriate.

Minimum qualifications: Preferred qualifications are either PhD in relevant discipline (completed) or
for non University of Toronto graduate students, in progress, or relevant qualifications, professional
designation or professional experience. We are seeking previous experience in teaching, teaching
