This position is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

The Master of Forensic Accounting (MFAcc) program is a 10-course program offered at the graduate level, primarily on a distance education basis, using a problem-based learning model supplemented by web-based sessions. The Program currently has the following Sessional Lecturer positions available for the Summer term and invites applications from suitably qualified candidates who are not current University of Toronto students. No late applications can be considered.

Posting date: August 26, 2020

Closing date: September 4, 2020

Course title: IFA2903H - Emerging Issues/Advanced Topics

# of Positions: 1 (Instructor)

Class schedule: One On-Line class in May 2021

Dates of appointment: May 2021

Description of course:

This course provides an opportunity for students to research and learn about an emerging issue or area of IFA speciality that is of particular interest to them. It also covers specific topics at advanced levels, such as Identity Fraud and Corporate Due Diligence. Identity Theft & Corporate Due Diligence– The different types of identity theft, how it occurs, the different types of organizations and individuals involved and what their various roles are or might be, the practical issues that arise in these cases and the steps we (society) need to prevent this fraud from happening. The requirements for corporate due diligence are also covered.

Position description:

Instructor

As the Instructor in the course, you will be responsible for liaising with the MFAcc Director and/or his nominee when required. New program development as per the requirements of the curriculum mapping. Providing feedback to the Director and/or his nominee. Consultation with the Director when appropriate.
