UNIVERSITY OF TORONTO MISSISSAUGA

MASTER OF SCIENCE IN SUSTAINABILITY MANAGEMENT (MSCSM) PROGRAM
INSTITUTE FOR MANAGEMENT & INNOVATION

SESSIONAL LECTURER – Winter 2020 (January to April 2020) for
SSM1070H – Sustainability Law and Policy

This position is posted in accordance with the CUPE 3902, Unit 3 Collective Agreement

The Master of Science in Sustainability Management (MScSM) program in the Institute for Management & Innovation has the following Sessional Lecturer position available for the Winter 2020 academic term and invites applications from suitably qualified candidates. No late applications can be considered.

All posted jobs are subject to the parameters as listed below:

Posting Date: June 19, 2019
Closing Date: July 11, 2019 by 16:00
Course Title: SSM1070H – Sustainability Law and Policy
Class Schedule: Thursdays, 09:00 to 12:00, Winter 2020 semester, January 2020 to April 2020
Salary (per 0.5 FCE): The stipend rate, inclusive of vacation pay, for this position will be: $15,500
Minimum TA Support: 0.75 hours (minimum) per estimated hours per enrolled students
Maximum TA Support: 70 hours

Position Duties: The duties of Sessional Lecturers shall include the normal duties associated with the design and teaching of university degree credit courses or sections of courses. These include the preparation and delivery of course content, including lectures and/or seminars; creation of course ware; the development and administration of assignments, tests and examinations; the marking and grading of student work and the submission of grades to appropriate University officials in accordance with policy; the maintenance of reasonable hours of student contact outside of scheduled contact hours; and the supervision of the day-to-day work of any Teaching Assistants assigned to the course.

Minimum Qualifications: In the pursuit of teaching excellence, Sessional Lecturers are required to be superior classroom teachers and to maintain a mastery of the subject area (Ecosystem Science). Preferred qualifications are either PhD in relevant discipline completed or for non-University of Toronto graduate students, in progress, or relevant qualification or professional designation. We are seeking previous experience in teaching, teaching excellence, and mastery of subject area. Previous experience in teaching a similar course is highly desirable.

Teaching excellence is a crucial component of the academic mission of the University. Applicants for positions shall be selected in furtherance of that goal.

ONLY FORMAL APPLICATIONS, IN WRITING (email submission is acceptable), WILL BE CONSIDERED
Each course applied for must include: a current Curriculum Vitae (including valid e-mail address) and a completed application form. Application forms are available at the online at: https://www.utm.utoronto.ca/imi/sites/files/imi/public/shared/pdfs/CUPE3902ApplicationForm%20-%20IMI.pdf

Please forward completed application to:

**By Email to:** rosemary.craig@utoronto.ca  
**By Mail:** Attn: Course # SSM1070H-S  
MScSM Program Office  
Innovation Complex, Room 2252  
University of Toronto Mississauga  
3359 Mississauga Rd  
Mississauga, ON L5L 1C6

*Hardcopy submissions: Please paper clip all application materials together, do not staple.*

Only offers of employment through the normal contracting process that originate from the administrative offices of the Master of Science in Sustainability Management (MScSM) Program office or the Institute for Management & Innovation are valid, all other offers made are void.

No late applications can be considered. A valid e-mail address is required, and application may be submitted electronically to the e-mail address above. By submitting an application and CV for this position, you will receive email notification of vacancies for Sessional Lecturers within the Institute for Management & Innovation for the next sixteen (16) months.

| This course is designed to provide students with a basic understanding of various laws and policies related to the environmental, social and economic pillars of sustainability that have relevance to a practicing sustainability manager. The course has two main goals: (1) introduce students to the legal framework and policy contexts within which sustainability law operates. (2) give students an idea of the variety of ways which different sustainability challenges can, and have been, addressed by law and policy. | **Section:**  
L0101  
Thursdays, 09:00 - 12:00  
**Enrolment per section:** 40 (est) |
