We all need to do our part to help stop the spread of COVID-19. Protect yourself and others by taking the following precautions:

- » Limit all non-essential travel. Transit is a critical service, transit should only be utilized for essential trips only;
- » Practice physical distancing, select seats are taped off on buses to assist with physical distancing;
- » Board and exit the buses using the rear doors unless otherwise specified or required;
- » Wash your hands often with soap and water or use an alcohol-based hand sanitizer;
- » Avoid touching your eyes, nose and mouth;
