PREFERRED HEALTH CARE NETWORK

A preferred health care provider (a provider that accepts UHIP) will bill Sun Life directly for any health or medical expenses. This means you will not have to pay upfront for services covered under UHIP. To guarantee coverage it is important to visit a preferred provider.

Visit the Preferred Health Care Network or scan the QR code below for a complete list of preferred clinics and hospitals in Ontario.

ADDITIONAL HEALTH & DENTAL COVERAGE

For information on your additional coverage, please visit the University of Toronto Student Union website or scan the QR code below.

ELIGIBILITY

UHIP is a mandatory health insurance plan for international fee-paying students and exchange students. Students are automatically enrolled and the coverage charge will be posted to ACORN.

New permanent residents or returning Canadians can opt-in to UHIP for the three-month waiting period before your Ontario Health Insurance Plan (OHIP) coverage becomes effective.

UHIP COVERAGE SUMMARY

UHIP will pay up to $1,000,000 a year to each plan member (you and your registered dependents) for the cost of eligible medically necessary health services and medical treatments. This may include:

- Hospital and physician services
- Surgery – including the administration of anesthetics
- Ambulance
- Diagnostic and laboratory services
- Gynecological exams
- Pregnancy related health care (prenatal and postnatal), even if pregnancy began before arrival in Ontario
