Conference/Competition Funding Summary Report

Students must submit conference funding summary **report within two (2) weeks** from the conclusion of the conference to receive funding. Submit forms to gaby.zhou@utoronto.ca.

Name:	
Student Number:	
Conference:	

Attached competition related materials:	
Case(s)	
Judging rubric(s)	
Event itinerary	
Promotional material	
Other (please specify)	

Please provide a detailed breakdown of the event, including any workshops, presentations, networking time, etc. Please describe any case problems, simulations or other tasks that were completed and what course content was the most relevant (ex course codes, specific principles, or models).

Please provide a detailed summary of the judging panel, including number of judges and who the panel consisted of (ie student leaders, alumni, faculty members, industry representatives – be as specific as possible).

Please provide an overview of teams in attendance and who was the winning team. Be sure to include your thoughts as to why the winning team(s) placed relative to other groups.

Please provide your top 3 recommendations on how to improve if you were to do this competition again.

Please summarize your experience at the competition and what you learned.
