Business Analyst, Summer 2019 Summer Student Opportunities

Royal Bank of Canada

What is the opportunity?
Are you interested in the opportunity to work as a Business Analyst Student?

What will you do?
• Assist in the documentation of end-to-end project requirements
• Create use case, data catalogue business rules, and documentation, as well as contribute to reporting and process improvement
• Manage a moderate number of applications (i.e., business rules, processes, etc.) to be able to provide solutions and support during production problems
• Identify application deficiencies and provide/recommend solutions to the support team and the business
• Assist with the transition of projects from development to support
• Conduct accurate and timely investigations when issues occur

What do you need to succeed?
Must-have
• Currently enrolled at a Canadian post-secondary institution with a focus in business, commerce, or an equivalent
• Leadership acumen and a passion to apply it in a dynamic business environment
• Excellent interpersonal and highly developed communication skills (verbal and written)
• Creative and analytical thinker who is self-driven and capable of working in a fast paced environment
• Strong MS Office skills - Word, Outlook, Excel and PowerPoint

Nice-to-have
• Capability to manage multiple priorities across a number of assignments and prioritize effectively
• Motivated and analytical, with strong achievement orientation and attention to detail
• Understanding of Risk Assessment & Quantification methodologies
• Experience creating process documents

What's in it for you? We thrive on the challenge to be our best, progressive thinking to keep growing, and working together to deliver trusted advice to help our clients thrive and communities prosper. We care about each other, reaching our potential, making a difference to our communities, and achieving success that is mutual.
• Network and build lasting relationships with students from diverse backgrounds from across Canada • Participate in fun events and gamification challenges to help build your career tool kit while enjoying a work-life balance
• Leaders who support your development through coaching and learning opportunities
• Work in a dynamic, collaborative, progressive and highly performing team
• Ability to make a difference and lasting impact
